KIDNEY DONOR NEEDED

My Dad needs a kidney. My Grandmother always came to Our Lady of Mount Carmel in Manhattan because she believed in the love and helpfulness in this parish. When she was going through hard times with her children's health, my father being one of them, she found solace in the parish as a way to get them through. At least once a year she would travel with her whole family to this church to attend Mass to give thanks. I myself remember going as a small child with my parents and grandmother. Now her son needs help, and since she is no longer with us, I'm following what I know she would do and going back to her place of faith. He is type O, but any type can help through kidney exchange program. If anyone can help please contact me at kidney4dad@aol.com. Thank you for any help or sharing of his story.
