

Featured Listings

- Appear on the TimesUnion Real Estate home page
- Featured listings feature in a prominent position in the sidebar of the results pages based on the geographic search
- Ads have the option of appearing on open house listings, community, search result, rentals and geographic search pages.
- You have the ability to purchase all ad space for a specific geographic area
- Completely automated process - just supply the MLS ID and address of the property and all information will be pulled from the CRMLS

Slideshow (hero) ads

- Your property could feature at the top of a community page, in a special 1600x475 pixel ad space
- Include an office logo, headshot, and contact details
- Link directly to a property listing or select a landing page of your choice
- Have your ad seen before any others

Featured Agent ads

- Have the opportunity to appear on the TimesUnion Real Estate home page
- Featured Agent ads appear prominently in a sidebar on search results pages, rotating through depending on the geographic search
- Your ad can appear on community pages, search result pages, on the internal and external home pages

Featured Search

- Featured search ads offer you two options;
 - Promote your listing as “Sponsored” and appear in one of the top two slots on results pages, depending on the geography that is searched
 - Alternatively, a “Featured” listing will appear below Sponsored listings but above organic listings. Each option gives your listing more prominence in search result pages
