Directions to the NCPA/NCPS office

Coming from the West

Heading into Raleigh on I-40 from the western part of the state, you can get to the Beta Center several ways:

a. Take I-540 from I-40 over to U.S. 70. Bear right onto U.S. 70 East and proceed toward Raleigh. You will pass a congested area of furniture stores, fast food places and restaurants. Just keep going, less than a mile. The Beta Center is on the right as you go down hill, just past the second entrance to the N.C. Farm Bureau. If you get to Crabtree Valley Mall, you have gone too far.

b. Take I-40 to Wade Avenue. Proceed east on Wade Avenue to the I-440 Outer Beltline/Wake Forest exit. Go north on I-440 to the Glenwood Ave. exit (U.S. 70 West/Durham). Go west on Glenwood, past Crabtree Valley Mall. The Beta Center building is at 5171 Glenwood Ave., on the left. Since Glenwood Avenue is a divided highway, you will have to drive past The Beta Center and make a U-turn at the first left-turn lane to come back east on Glenwood and turn into The Beta Center parking lot.

c. An alternative to version b: From Wade Avenue east, exit onto Edwards Mill Road and turn left. Continue on Edwards Mill to Glenwood Avenue (Crabtree Valley Mall will be on

your right). Turn left onto Glenwood and follow the rest of the instructions above to reach The Beta Center.

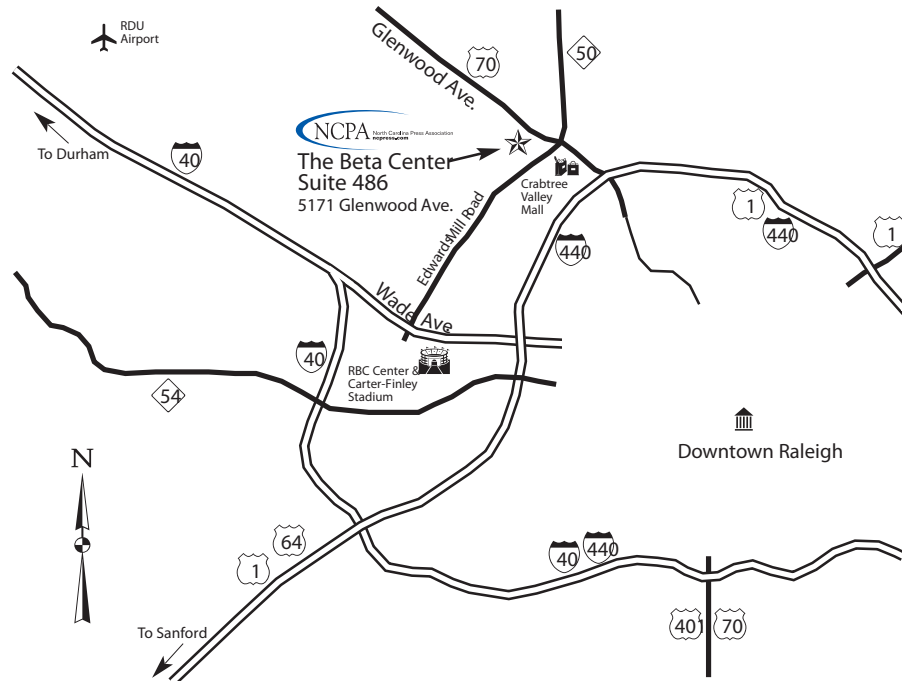

Coming from the East

Coming in on I-40 or I-440 from the East — Just get on 440, as if you were going to Rocky Mount. This is the Outer Beltline. Take the Glenwood Avenue/Crabtree

Valley exit (U.S. 70) off 440 and go west past Crabtree Mall. The Beta Center will be on the left, about a half-mile past the mall. There is a median on Glenwood, so you'll have to drive past the building and make a U-turn to come back east on Glenwood Avenue to turn into the parking lot.

From I-440 (The Beltline)

Take the Beltline to the Crabtree Valley exit. Take the exit and go west past Crabtree Valley Mall. The Beta Center will be on the left, about a half-mile past the mall. There is a median on Glenwood. Drive past the building and make a U-Turn to come back east to turn into the parking lot.
