BLACKBEARD'S TREASURE

Did you know that Blackbeard the pirate once haunted the shores of North Carolina? Legend has it that he left behind a great treasure. A ghost guards the treasure, though, and scares off anyone who tries to find it. This is one of history's mysteries.

Look through the advertisements and "for sale" in the Classifieds section of your print and online newspaper and choose items to include in a treasure chest. Write or cut and paste the items in the treasure chest.

SHARE a description of the item in your chest that you consider most valuable. Explain what makes the item valuable.
