

# Investigate the News

## BUILD a NEIGHBORHOOD

If you could choose, what would you name your neighborhood and who would be your neighbors? Write the name of your neighborhood in the center. Choose eight people from your newspaper. In the ovals, identify the people and explain what they contribute to the neighborhood.

Vary the activity by choosing eight people to lead your town or county, state or nation and explain your choices.

**SHARE** and discuss what you value in friendship. How do friends encourage you to make positive choices? Write friendship in the center of the diagram, and choose eight actions from your newspaper that demonstrate friendship.
