FURNISH Your ROOM

Pretend your bedroom is empty. Not knowing your budget, price both new and used furniture and other items that you would like to have in your room.

Shop the newspaper's retail and classified ads for items that you would choose for a room. List any prices that you find.

Number the items in the order that you would buy them. Choose from either list. How much money do you need to purchase your top five choices? If you had only enough money to purchase two items, what would you buy?

SHARE top choices that you found that were available at low cost.
