HEAR the SOUNDS

WHAT SOUNDS DO THE INSTRUMENTS MAKE?

Speak and/or write down the names of the instruments.

1. Underline in or write down words in your print and/or online newspaper that start with the same beginning sounds as the instruments.
2. Circle or write down words in your print and/or online newspaper that end with the same ending sounds as the names of the instruments.
3. Highlight or write down words in the newspaper that relate to music.

Use the names of the instruments and some of the words you find in the newspaper to write a story about making music.

SHARE with friends any instrument that you play or are interested in learning to play.
