

## **Cannabis Nation Dispensaries Hosts a Halloweed Extravaganja this 2019 Halloween**

Enjoy A New Cannabis Culture With An Adult Trick or Treat Celebration

**Portland, Oreg.** (October 25, 2019) – Cannabis Nation dispensaries, a leading dispensary in Oregon, is excited to announce their Halloweed Extravaganja event held this Halloween, Thursday October 31, 2019.

The brand is offering a range of interactive activities to excite cannabis and CBD-curious customers to bring the community together for an adult celebration of a new cannabis culture. “Customers were asking about fun ways to celebrate with cannabis, so our team got together to collaborate on how we could explore more ways for customers to enjoy their cannabis adventures,” said Cannabis Nation brand’s Marketing Coordinator Madeline Bombardi. “There is a growing desire and need in the cannabis community to connect with others in social atmospheres where cannabis is a shared interest. We are taking a new, innovative approach to celebrating the holidays with cannabis by incorporating more social experiences for customers to enhance the civic engagement of our amazing community.”

During the Halloweed Extravaganja event, customers have a range of trick or treat opportunities to take part in:

- Vote on a carved pumpkin designed by our creative budtender team
- Enter Our Raffle to Win a Sherlock Pipe, no purchase necessary
- Win a \$250 Halloweed Gift Basket on Social Media! Instagram @cannabis.nation.inc
- Savings on Wyld Confection edibles, including their iconic gummies and chocolate products
- Cannabis Nation 10 Piece Pre-roll Pack of a new Featured Hybrid Strain called Zombie Venom
- Bespoke Zombie Venom T-shirts for sale, a perfect last-minute Halloween costume

### **ABOUT CANNABIS NATION DISPENSARIES**

Cannabis Nation dispensaries is top-tier retail dispensary and cultivation that produces and distributes quality, craft cannabis throughout Oregon. Since 2015, the brand has been serving Oregon’s cannabis connoisseurs with flavorful flower, live resin cartridges, cannabis extracts and pre-rolls. Our in-house cultivation ensures a consistent and reliable crop-to-table delivery.
