FINE CRAFT SHOW RETURNS TO AOY
ART CENTER NOV 18-19

The Fine Crafts Show returns to the AOY Art Center Nov 18 and 19th. Saturday til 5 PM, Sunday til 4 PM.

Give something worth giving from our passionate, accessible and insanely skilled artists with the one-of-a-kind, unique products. You will also be supporting artisans who retain knowledge of traditional art forms, many of higher quality than their mass produced counterparts. They are authentic and exclusive and embody the spirit of design excellence.

We are excited to invite the public to our Fine Crafts Show in the historic and warm Janney House on the Patterson Farm. Visit our equally crafty Bake Sale in time for Thanksgiving. This year, proceeds from the Bake Sale support the Emerging Artists of Lower Bucks High School awards.

There are complimentary door prize tickets and you can purchase chance tickets to win crafts from each artisan! This event is rain or shine.

The AOY Art Center is conveniently located on the Patterson Farm in Lower Makefield (Yardley) just off Route 295 and 332 interchange at 949 Mirror Lake Rd. (GPS - put in Morrisville).
