Let them know you've got their back.

As inner-city students head back to school this year, give them the peace of mind that they'll be heading back next year, too. By donating to **Inner-City Scholarship Fund (Inner-City)**, you're giving New York's disadvantaged children the opportunity to continue receiving a first-class Catholic education. And our students make the most of that opportunity: **99%** of our high school seniors graduate and **98%** of them are accepted to post-secondary education at some of the country's best universities.

But these amazing percentages won't stay this high without your continued support. Our students need your help.
