Hoff & Leigh Continues Growth with New Broker

Denver, CO: Hoff & Leigh Denver, a local commercial real estate company, is pleased to announce the addition of Chris Lindgren as Broker Associate. Lindgren earned degrees in Hospitality Management and Music and Entertainment Industry Studies from the University of Colorado Denver. He spent many years in the hospitality and entertainment industry as an entrepreneur and operations manager, while simultaneously managing several commercial investment properties. He spent the last 10 years as a commercial real estate broker, and is highly experienced with retail, office, and industrial transactions.

“We are excited bring on an experienced broker that shares the same values as Hoff and Leigh,” said Brandon Langiewicz, Hoff & Leigh Denver branch President.

Chris Lindgren can be reached at 303-946-3100 or CLindgren@hoffleigh.com. Hoff & Leigh Denver is located at 6454 S Quebec Street, Centennial, CO. Hoff & Leigh operates commercial real estate brokerage offices in Denver, Colorado Springs, and Northeast Ohio.

About Hoff & Leigh

Hoff & Leigh, headquartered in Colorado Springs, CO, is a full service commercial real estate company founded in 1987. Today, it operates a network of offices across the country dedicated to helping their clients list, lease, buy and sell commercial real estate properties. Hoff & Leigh holds its outstanding market position through strong business relationships, market expertise and professional knowledge. The company adds value for their partners by using the proprietary IMPACT Marketing™ process to increase occupancy, increase a property’s value and reduce property management burden.
