Someday We'll Find It, The Rainbow Connection

Individuals across Montgomery County were treated to an extra-special occurrence, a double rainbow, following the storms that traversed across the area on Sunday evening, Aug. 28. The rarest type of rainbows, double rainbows (also known as twin rainbows) share a base and are formed when sunlight is reflected twice within a raindrop. Twins, but not identical, the arcs of the secondary rainbow are opposite of the primary rainbow and move from violet, indigo, blue, green, yellow, orange and red. *Journal-News* reader Holly Lanthrip took the beautiful photo above of a full double rainbow at her home just outside Hillsboro. Eagle-eye viewers will notice the bolt of lightning across the middle of the photo as well. There may not have been a pot of gold at the end of this rainbow, but, gauging by the number of photos posted by residents that were lucky enough to spot the rainbows, Montgomery County is certainly full of lots of dreamers.

Nokomis Park Board Holds Meeting On Pool

by Ben Schwarm

A light crowd, but very engaged group of Nokomis residents participated in an open meeting held by the Nokomis Memorial Park Board to discuss the progress of rebuilding the park's public swimming pool.

The iconic pool, which has been in the city's Memorial Park for decades, has fallen into disrepair over the years and is in need of major reconstruction in order to meet the newer, more stringent requirements of the Illinois Department of Public Health (IDPH).

The board began planning for the pool work more than two years ago, pre-pandemic, receiving estimates on what a

new pool and other water features would cost. According to Park Board President Brad Janssen, the initial estimate for a new swimming pool, water slide, splash pad and diving board was approximately \$700,000. Now, after the COVID-related complications of inflated material costs, work shortages, and supply chain snags, the most recent bid was \$791,000 just for the swimming pool.

The board hired Benton and Associates out of Jacksonville to do the engineering, planning and permit work for the project. After COVID-related delays, the plans are moving again. The delay now is waiting for IDPH to grant the permit. According to Benton and Associates' Greg Hillis, all

of the paperwork has been submitted and several follow-up questions by IDPH have been answered. Receiving swimming pool permits from the department has been becoming a slower, much more deliberate process over the last few years, according to Hillis.

Due to the rising costs of the project, Janssen informed the group that decisions had to be made to be able to continue the work in a cost-efficient manner. The existing bid, submitted by Trotter and Associates out of Macomb, included costs of \$791,000 for the pool, \$275,000 for the splash pad, \$75,000 for the diving board, and \$59,000 for the water slide.

Sign Marks New Downtown Theatre

Hillsboro's re-invented downtown took a very visible step forward on Wednesday morning, Aug. 31, when the retro-neon Grand Theatre sign was installed high above the sidewalk to mark the soon-to-open theatre venue, which will be used for both live theater performances and on-screen entertainment. The sign was the dream work of Julie Eisentraut of The Orpheum family, brought to life by Judy Zumwalt of Toots Tubing in Hillsboro, and installed by ID Signs of Springfield. "Only a few weeks out," Jeff Eisentraut said of the new theatre's opening date. "Hillsboro now has a theatre district," remarked one passer-by as the sign was going up.

First Responders Get In Lincoln Library For Free On Sept. 11

The Abraham Lincoln Presidential Library and Museum in Springfield is inviting first responders and healthcare workers to visit the museum free of charge on Sunday, Sept. 11, in recognition of the important work they do.

Police and paramedics, soldiers and ER nurses, firefighters and dispatchers – they all work hard to keep people safe. On the anniversary of the Sept. 11 terrorist attacks,

they can visit a museum dedicated to a president who kept the nation safe. They simply need to present an employer ID.

The offer of free admission is one in a series of "Abe Appreciation" events where the ALPLM recognizes people and organizations that contribute to the community. Other groups honored include teachers and workers in the tourism and hospitality industry.

"Throughout the Civil War, President Lincoln offered the nation's thanks to soldiers for their 'skill, endurance and dauntless courage.' Those same words apply to today's first responders and medical personnel who step up to help others during times of crisis," said ALPLM Executive Director Christina Shutt. "I'm glad we can thank them in a small way by inviting them to learn more about President Lincoln's legacy."

The mission of the Abraham Lincoln Presidential Library and Museum is to inspire civic engagement through the diverse lens of Illinois history and sharing with the world the life and legacy of Abraham Lincoln. The library pursues this mission through a combination of rigorous scholarship and

high-tech showmanship built on the bedrock of the ALPLM's unparalleled collection of historical materials – some 13 million items from all eras of Illinois history.

For more information, visit www.PresidentLincoln.Illinois.gov or follow the ALPLM on Facebook, Twitter and Instagram.

Nokomis Pool Update

Continued from page 1A

The board has been able to reach a tentative agreement with the engineering firm to build just the pool and the slide for a cost of \$800,000. The design of the project will allow for the other features to be added later.

No other bids were received. Hillis said that for public swimming pools, IDPH requires all bidders to be pre-qualified by the state to perform public swimming pool work. This eliminates the vast majority of potential bidders, Hillis said.

The pool will be on the same site, using the existing base pit of the current pool. The design will feature a zero depth entry so it is easily accessible for chil-

dren and compliant with the American's with Disabilities Act (ADA). The deepest part will be the existing 12 foot section that will include one diving board.

The Memorial Park Board does not have its own taxing authority as it is not established as a park district. There is a levy within the City of Nokomis taxing authority that is earmarked for the park. The board was also successful in securing an Illinois Department of Natural Resources (IDNR) grant two years ago. The matching grant brought in \$350,000 from the state. Fundraising efforts from the community was able to garner the \$350,000 match.

With the new, higher bids, the board has been working

with the local banks about loan arrangements. According to Janssen, both the First National Bank of Nokomis and the Nokomis Savings Bank have tentatively agreed to set up loan programs for the board. Approximately \$177,000 will have to be borrowed. The loans will be paid back in installments over 15 years.

The hope is that the new pool can be open for next year, but this depends on when the permit is secured for the work. Hillis said that everything is ready to go and once the permit is granted, ground work will start. If the weather cooperates this fall and next spring, it could be possible for a new pool to welcome swimmers by the middle of summer 2023.

Hiltopper Students

Students who may be eligible have a grade point average of 3.5 or higher and have excelled on the PSAT/NMSQT or PSAT 10, or earned a score of 3 or higher on two or more AP exams; and are African American or Black, Hispanic American or Latinx, Indigenous, and/or attend school in a rural area or small town. Eligible students will be

invited to apply during their sophomore or junior year and will be awarded at the beginning of the next school year. Students will receive their awards in time to include them on their college and scholarship applications.

"We want to honor the hard work of these students through the College Board National Recognition Pro-

grams. This program creates a way for colleges and scholarship programs to connect directly with underrepresented students who they are hoping to reach," said Tarlin Ray, College Board senior vice president of BigFuture. "We hope the award winners and their families celebrate this prestigious honor and it helps them plan for their big future."

Cardiology Certified By Association

HSHS St. Francis Hospital in Litchfield is proud to announce the certification of its cardiovascular/pulmonary rehabilitation program by the American Association of Cardiovascular and Pulmonary Rehabilitation (AACVPR).

This certification is recognition of St. Francis Hospital's commitment to improving the quality of life of patients by enhancing standards of care.

Cardiovascular and pulmonary rehabilitation programs are designed to help people with cardiovascular problems (e.g., heart attacks, coronary artery bypass graft surgery) and pulmonary problems (e.g., chronic obstructive pulmonary disease (COPD), other chronic lung diseases, respiratory symptoms) recover faster and live healthier. Both programs include exercise, education, counseling and support for patients and their families.

"St. Francis Hospital's certification of our cardiovascular/pulmonary rehabilitation program by the AACVPR demonstrates our commitment to excellence in providing high-quality cardiac care," said cardiac rehab nurse Marilyn Pastrovich, RN, MSN, CCRP. "Walking through accreditation gives us the opportunity to review our processes and procedures to ensure that we are not only exceeding the standard of care, but also improving our patients' quality of life."

To earn accreditation, St. Francis Hospital's cardiovascular/pulmonary rehabilitation program participated in an application process that requires extensive documentation of the program's practices. AACVPR Program Certification is the only peer-

review accreditation process designed to review individual programs for adherence to standards and guidelines developed and published by AACVPR and other related professional societies.

Each program's application is reviewed by the AACVPR Program Certification Committee, and certification is awarded by the AACVPR Board of Directors.

In 2018, AACVPR moved to an outcomes-based process with performance measure-

ments that represent more meaningful outcomes. Therefore, AACVPR-certified programs are leaders in the cardiovascular and pulmonary rehabilitation field because they offer the most advanced practices available and have proven track records of high-quality patient care. AACVPR Program Certification is valid for three years.

Benefit Aims To Strike Out Suicide

The "2022 Striking Out Suicide Memorial Benefit" will be held on Saturday, Sept. 10, at Walton Park, located at 10207 Niemanville Trail in Litchfield.

This marks the fourth year that the friends and family of Jeremie Pasqueno have organized the benefit tournament, which raises money for suicide prevention, mental illness awareness and local scholarships, in his memory. Pasqueno lost his battle to mental illness on Oct. 23, 2016.

Participation fees for "Striking Out Suicide Memorial Co-Ed Softball Tournament" set at \$150 per team. Only seven teams will be entered so those interested are encouraged to contact Rick Moulton at 618-660-9199 as soon as possible to

reserve a slot. The slow pitch softball tournament will begin at 9 a.m. on Saturday morning.

Spectators will find plenty to keep them entertained throughout the day, including food, drinks and kid-friendly activities. Rise and Grind Coffee, CO., will be set up slinging espresso drinks from 9 a.m. to 1 p.m., and Daiquiris on Demand, Off The Wall and Shine On BBQ food trucks will all be on-site beginning at 11 a.m. for those that want to grab a bite to eat during the event.

The memorial benefit will also include a cornhole tournament. Bags will fly at noon, with registration to begin at 11 a.m. Fees are set at \$40 per team. A minimum of six games is guaranteed, with four games of round robin. From the results of the round robin, the teams will be split into "A" and "B" brackets. Half of the payout from the corn-

hole tournament will benefit suicide awareness and the other half will be awarded to the top teams. Bags will be available, however players are also welcome to bring their own bags.

A silent auction and raffles will take place throughout the event. For more information on the benefit or to make a donation contact Allison Buzick at 217-851-6705 (leave a voice-mail) or email allisonbuzick@hotmail.com.

The "Striking Out Suicide Memorial Benefit" will also feature live entertainment. *P-Nut and the Shells* will perform from 3 to 6 p.m., and *Salmon Creek* will close out the event with a live performance from 7 to 11 p.m.

Follow the "Jeremie Pasqueno Memorial Benefit" event page on Facebook for updates.

Working at the Grocery Store

We all visit the grocery store to buy food and supplies for our homes. I like to take my own bags when I shop. There are lots of people working at the grocery store to make it run smoothly – from the baggers at the front to the workers behind the scenes in the warehouses.

Simmermaker Celebrates 35 Years

It's a celebration 35 years in the making, as Litchfield insurance agent Roy Simmermaker was honored by Farmers Insurance for 35 years of dedicated service to the company this summer.

District Manager Ryan Kelly presented Simmermaker with a certificate on Wednesday morning, Aug. 31. He also received a letter from the company president as well as his choice of a gift. Simmermaker selected a nice set of luggage.

Officially, he became an insurance agent on Aug. 6, 1987 with an office in Hillsboro. He remembers taking over some policies for agent Dick James, and that he had claims from two home lightning strikes that very first night.

"I didn't even have the policies yet," Simmermaker said. "I really didn't have anything yet, and wondered to myself, now what."

Adding to that, his father passed away the very next day, making his first week with Farmers Insurance a tough one.

But he persevered, and several plaques and awards from Farmers Insurance hang on the walls of his office.

Simmermaker moved his business to Litchfield just a

year or so after he opened in a building in front of The Gardens. In 1997, he moved to downtown Litchfield sharing office with two doctors on Monroe Street. His office is currently located at 303 N. Monroe.

"I would have to say it's the people I have enjoyed the most over the past 35 years," he said. "I've made so many friends and not too many enemies."

Simmermaker and his

wife, Judy, reside in Litchfield. They have two kids, Rex Simmermaker of Indianapolis, IN, and Jeanie (husband Austin) Towel of Cedar Rapids, IA, and two grandchildren, Marcus and Dathan Towel.

Outside of his work with Farmers Insurance, Simmermaker is part of Zion Lutheran Church in Litchfield and farms with his family in Carlinville.

TOPPER TALK • by Kamryn Kiper at Hillsboro High

Toppers To Enjoy Shortened Week

Happy September, Toppers! You already finished your first week of school and are approaching your first half-day! Tomorrow, Sept. 2, will be the first early dismissal of the school year! Students will be dismissed at 11:35 a.m. for school improvement. Monday, Sept. 5, there will be no school for Labor Day.

There is a senior meeting during FLEX in the multipurpose room for any senior who didn't attend yesterday's senior meeting.

Next Thursday, Sept. 8, there will be an Interact Club meeting during FLEX 1.

Attention seniors: There will be an informational meeting on Wednesday, Sept. 14, at 6 p.m. in the Hillsboro High School Multipurpose Room (main building) to learn all about the FAFSA. On Oct. 19, there will be someone in the Hillsboro High School Multipurpose Room to help individuals complete the FAFSA. Any questions, please email Jenny Cearlock at jcearlock@hillsboroschools.net.

If you are a part of the Student Council, Interact Club, National Honor Society or any other group that meets during FLEX, you must have FLEX privileges. Students will no longer be able to attend club meetings during the FLEX period if they are not on the privileges list posted in Schoology every week. To be eligible for the list, you must have perfect attendance that week, good grades and good behavior. However, many clubs will be hosting alternative meetings after school in case you are not able to attend

during FLEX.

Want to join an art club? There will be a meeting after school today for anyone interested from 3 to 3:30 p.m. in the new art room (G100). During the meeting, Ms. Kumlin will discuss with you officer nominations and T-shirt designs! Can't attend? Email Ms. Kumlin at akumlin@hillsboroschools.net.

Are you interested in a trip of a lifetime? A vacation to Greece and Italy is being planned for June 24 through July 3. It is called the "Cradle of Civilization" trip. If you're interested, please email Ms. Andrews at kandrews@hillsboroschools.net or Mrs. Cunningham at atacunningham@hillsboroschools.net.

Just like last year, there will be updated volunteer opportunities in a Schoology group. Whether you need community service hours for a class or club, or you just like to help out your community, please join the group. The access code is "8M4S-T5T4-MBXX3." There is no commitment if you join the group; it just allows you to view the opportunities available.

Our small, but mighty cross country team will be traveling to Piasa Southwestern this Tuesday, Sept. 6. Starting time is 6 p.m. Good luck, girls!

Our Topper football boys currently have a winning season as they won their first game last week against the Greenville Comets! Good work, boys! This Friday, the Toppers will be playing against the Pana Panthers in Pana. As always, the starting time is 7 p.m. Keep it up, boys!

The boys golf team will head to the Indian Springs Golf Club this Tuesday, Sept. 6, to compete against Greenville and North Mac. Starting

time is 4 p.m. A little busier than the boys this week, the girls will have both a home and an away meet to look forward to. Tomorrow, the girls will host at our Hillsboro Country Club. Competing against Auburn, Vandalia, and Taylorville, first tee is at 4 p.m. On Tuesday, Sept. 6 p.m., they'll travel to Timber Lakes Golf Course to play Staunton at 4 p.m., as well. Good luck, golfers!

The boys soccer team will play in Jerseyville tonight. Junior varsity will play at 4:30 p.m.; varsity boys will follow. On Saturday, the boys will play at the Sports Complex against St. Anthony School at 10 a.m. Playing at the sports complex again, the boys will play the Litchfield Panthers this Tuesday, Sept. 6, at 4:30 p.m. After each game, a "player of the game" is being announced. During the boys' first three games, Will Christian, Logan Murray and Adison Pollard were named player of the game.

The girls tennis team will play in East Alton-Wood River tonight at 4:30 p.m. Toppers will get a chance to support them this week, though, as they play at the Sports Complex this Tuesday, Sept. 6. Competing against Father McGivney, first matches will begin at 4:30 p.m. Good luck, Toppers!

To wrap up our fall sports for the week, the volleyball girls have an important game tonight. Heading to Litchfield, the first serve against the Panthers will be at 5 p.m. Good luck, girls!

Have a great week, Toppers! Enjoy the long weekend and shortened week next week!

ISP Announces Change Of Command

Illinois State Police (ISP) Director Brendan F. Kelly, today recently announced a change in command in the Division of Criminal Investigation (DCI). After more than 26 years of service, Colonel Sean M. Cormier is retiring from ISP, and Lieutenant Colonel Chris Trame will be promoted to colonel and appointed DCI Deputy Director on Thursday, Sept. 1.

"Congratulations to Colonel Cormier on his many years of distinguished service to the people of Illinois and thank him for his dedication," said Kelly. "Colonel Cormier has been a true leader at ISP and his impact will live on through the officers he led under his command. As we celebrate our centennial year at ISP, we welcome Lieutenant Colonel Trame into his new role as the Division of Criminal Investigation Deputy Director and look forward to his leadership as we enter our second century."

Colonel Cormier began his career with ISP in 1995, as a member of Cadet Class #92. As a trooper, he worked patrol in District #18, was a member of the Tactical Response Team (SWAT) and served in the Executive Protection Unit where he was promoted to sergeant. He held several positions at the Training Academy from 2003 to 2009, including physical fitness coordinator and cadet class coordinator, and was promoted to master sergeant as the assistant bureau chief, bureau of training.

Colonel Cormier served as chief of staff in the Division of Forensic Services from 2009 to 2011, was promoted to lieutenant, and returned to the Academy as training bureau chief. He attended FBI National Academy Session 250, served as commander of the Special Operations Command, then the Crime Scene Services Command where he was promoted to captain. He was appointed to the rank of lieutenant colonel in the Division of Administration in 2015 and appointed to the rank of colonel in the Division of Forensic Services in 2018. On Nov. 1, 2021, Colonel Cormier was appointed as deputy director of the Division of Criminal Investigation.

Retired Deputy Director of DCI Colonel Sean M. Cormier

Deputy Director of DCI Colonel Chris Trame

"I feel so fortunate to have had such a rewarding career at ISP and am proud to have been part of this outstanding agency," said Colonel Cormier.

Lt. Colonel Trame began his career with ISP in 1997, as a member of Cadet Class #94. As a trooper, he worked patrol in Districts #9 and #10 and was later assigned to Zone #4 Investigations. Lt. Colonel Trame returned to the Patrol in District #11 for several years. In 2014, he was promoted to major where he oversaw all patrol and investigative operations in southern Illinois. In 2015, he was appointed assistant deputy director of the Division of Operations. In 2019, Lt. Colonel Trame was appointed as assistant deputy director of the Division of Criminal Investigation.

This is the first change of command ceremony since Governor JB Pritzker reestablished DCI in 2019.

The history of criminal investigation within the ISP goes back over seven decades. In 1950, Governor Adlai E. Stevenson enacted an investigative arm of ISP dedicated to the suppression of gambling within the state. The unit grew and officers began working in plain clothes and conducting various criminal investigations, not only for ISP, but for local law enforcement as well, becoming the Criminal Investigation Bureau.

In 1977, Governor James R. Thompson reorganized ISP, known as the Department of Law Enforcement at that time, and combined the ISP Criminal Investiga-

tive Bureau with the Illinois Bureau of Investigation to create the Division of Criminal Investigation.

In 1993, Governor Jim Edgar combined the Division of State Troopers and the Division of Criminal Investigation into the Division of Operation, which existed until August 16, 2019, when Gov. Pritzker reestablished DCI to support the delivery of professional and specialized criminal investigative service to the citizens of Illinois. This reestablishment incorporated many specialty units like Special Weapons and Tactics (SWAT) Teams, Medicaid Fraud investigations, Air Operations, criminal intelligence, and gaming enforcement. DCI Special Agents investigate crimes such as homicide, sexual assault, crimes against children, public integrity crimes, gun crimes, human trafficking, and illegal drug trafficking.

"It's truly an honor to be appointed by Director Kelly to serve the men and women who make up the Division of Criminal Investigation," said Lt. Colonel Trame. "I look forward to continuing our efforts to provide professional investigative services to our law enforcement partners in the service of the people of Illinois."

ISP thanks Colonel Cormier for his years of service to the people of Illinois and his great leadership, and welcomes incoming DCI Deputy Director Colonel Trame and looks forward to his leadership as ISP moves into its next 100 years.

Good Things Come In Threes For Nokomis...

Things have come in threes for the Nokomis High School volleyball team since their opening night win on Aug. 23.

All three of the Redskins' last three games have gone to three sets, with two wins and one loss to give Nokomis, you guessed it, three wins on the season.

This week, Nokomis split their three-set thrillers, with a loss to St. Elmo/Brownstown in St. Elmo on Monday, Aug. 29, and a win over Gillespie at home on Tuesday, Aug. 30, when the school unveiled the new 12' by 19' Morgan Rolling Flag at the gym, which is dedicated to the memory of the late Camren Neisler.

In St. Elmo, the Redskins kept it close to the Eagles in game one, falling 25-21, then

smashed them in game two by a 25-16 final score. With the game on the line, the hosts came out firing and finished off the win, reversing the second set score with a 25-16 win of their own.

Audrey Sabol, Addison Glenn and Becca Hill all had five kills to lead the Nokomis attack, while Hailey Engelman (9) and Presley Mehochko (5) paced the team in assists.

Addison Dangbar added in nine service points for the Redskins, with Mehochko and Glenn contributing six points apiece.

Defensively, the Nokomis front line controlled the net with six blocks, two each for Sabol, Glenn and Reagan Jonas, while Emily Cress

had double digit digs in the back. Natalie Engelman and Presley Mehochko also had eight digs apiece, while Hailey Engelman and Lizzy Hill contributed 11 digs between them.

Gillespie

With Camren's flag flying, the Redskins looked to get off to a flying start of their own on Tuesday in Nokomis. Instead, it was Gillespie who jumped out in front of the home team, beating them 25-22 in the first set.

Be it the loss or something else, a reinvigorated Redskin squad battled back and took the next two sets by 19 combined points, winning 25-16, 25-15 to improve to 3-1 on the season.

The latest tribute to the late Camren Neisler will be hard to miss for Nokomis High School sports fans as the school unveiled its new Morgan Rolling Flag on Tuesday, Aug. 30, before the Redskins' game with Gillespie. The 12' by 19' flag was made possible through the proceeds of the Camren's On The Green Golf Outing, which pays tribute to the 2018 NHS grad who passed away in October 2018.

... But Not So Much For The Lady Hiltoppers

"The rule of three" principle suggests things that come in threes are inherently more humorous, satisfying and effective than any other number of things. The Hillsboro High School volleyball team, at least at this point, thinks that principle is stupid.

In their first three games, the Lady Hiltoppers are 0-3, with each of the games going three sets. Not only that, but all three games started with a Hillsboro victory in the opening set, only to have their opponents rally back for the win in the next two.

After their torturous close opener against Pana on Aug. 23, the Toppers suffered two more three-set thrillers on Monday and Tuesday, Aug. 29 and 30.

On Monday, Hillsboro traveled to Auburn and knocked off the Trojans 25-14 in game one, only to see the blue and white come back with a 25-21 win in game two and a 25-20 victory in game three.

Layne Rupert put down 15 kills in the loss, with Tatum Christian and Sophia Blankenship adding six and five

kills on the attack as well. Kinley Richardson handled setting duties, posting 25 assists.

Defensively, Rupert added 12 digs to her stat total, while Isabella White and Kenadie Carlock chipped in seven apiece. Kennady Clayton and Addison Lowe also had six and five digs, while Kinley Richardson finished with four.

In the serving game, Hillsboro posted four aces, with Blankenship, Christian, McCammack and Lowe picking up one apiece.

Carlyle

Tuesday's game against Carlyle was a fight to the finish in all three sets, with Hillsboro's 25-18 win in game one the largest margin of victory.

The Toppers led throughout in game one, but Carlyle hung with the home team, cutting the lead down to four at 21-17, before Hillsboro went on a 4-1 run to finish off the win.

In game two, Carlyle jumped out to a 4-0 lead and never trailed. Hillsboro would try to claw their way back into the contest and got within

three at 22-19, but the Indians finished off the win 25-21, with an ace by Sydnee Smith.

Game three was a close one in the early going, with the two teams tying the score eight times leading up to when it read 13-13 on the scoreboard.

Again it would be Smith who came up big for Carlyle as she served up a pair of aces and turned the tie game into a 17-13 lead. Hillsboro would get the lead within one at 18-19, 21-20 and 21-22 before tying the game on a Carlyle hit into the net, but the Indians benefited from a late net call, a serve out of bounds and a hit into the net to finish off the 25-22 win.

The Toppers defense had five blocks on the night, with Addison Lowe contributing two and Ellie Miller, Tatum Christian and Sophia Blankenship adding one each.

Further back, Isabella White and Layne Rupert had 12 digs apiece, while Hannah Hughes added nine and Kinley Richardson and Tatum Christian contributed seven apiece.

Nokomis libero Emily Cress lunges for a ball before it can find an empty spot on the court during the Redskins' home game against Gillespie on Tuesday, Aug. 30. Cress had a team-best 13 digs for the Redskins, who defeated the Miners in three games to improve to 3-1 on the season.

Lancers Hand Athens First Loss

The Lincolnwood High School volleyball team faced a tough early season test on Monday, Aug. 29, as they traveled to Athens to face the undefeated Warriors. The hosts scored a win in the first set of the match, but Lincolnwood rallied to hand Athens their first loss in three sets.

Athens entered the game with a 10-set winning streak, which increased to 11 when they jumped out in front of the Lancers and took a 25-14 win. The loss marked the first time the Lancers had dropped a set on the young season.

While Lincolnwood had their win streak come to an end in the first set, Athens saw theirs fall in the second as the Lancers rallied back for a 25-19 win to send the game to a deciding third set. The two clubs needed a little extra time in the rubber match, with Lincolnwood eventually claiming a 26-24 victory to improve to 3-0 on the year.

Hailee Belsher put down a team best 12 kills for Lincolnwood, with Avery Pope leading the team in assists with 21. Belsher's Morrisonville classmate Tessa Funderburk had seven kills, while Haelee Damm and Pope added four and three respectively.

Morgan Cowdrey had the hot hand serving, putting up 12 points, including three off aces. Haelee Damm added nine service points, while Hailee Belsher had four points with an ace.

Belsher also impacted the game on the defensive side. She finished with four digs and an impressive five solo blocks. Funderburk and Jazmin Seaton-Hobson also had three combined blocks in the win.

As they did in the serving game, Cowdrey and Damm led the way in digs, with Damm posting a team-high 11 digs and Cowdrey adding nine. Jasmine Vickery and Avery

Pope also had six digs apiece, with Tessa Funderburk adding five.

Greenfield-NW

The momentum from Monday's win over the Warriors carried over to the Lancers' game against Greenfield-Northwestern on Tuesday, Aug. 30. The Tigers and Lancers have had some close matches over the last three or four years and Tuesday was no different as Lincolnwood won a pair of 25-20 sets.

Belsher stayed hot on the attack as she led the team in kills, posting 13 on the night. After putting down 14 kills in Lincolnwood's first two games, the Morrisonville senior has dropped 25 against Athens and Greenville and is now just 29 kills away from 1,000 for her career, a milestone she will most like attain during the Montgomery County Invitational.

Sundown, You Better Take Care

As the sun sets over Don Dobrino Field in Gillespie, Litchfield's A.J. Sypherd hauls down a Gillespie ball carrier during the Panthers' home opener on Aug. 26, against the Miners. On the other side of the ball, Sypherd had 105 yards rushing and two touchdowns in Litchfield's 24-18 loss. The Panthers will play Staunton this Friday, Sept. 2, in Litchfield.

Panthers Rebound Against Lions

After dropping their season opener at Nokomis on Aug. 25, a new week dawned for Coach Kari Dragoo's Lady Panthers, a new opponent came calling and there was a new outcome that was a welcome sight to coaches, players and fans as Litchfield sailed to a 25-9, 25-14 straight set home win over Maryville Christian School, a

private preK-12 facility with a high school enrollment of 117.

While the starting lineup for Coach Jill Harrison's Maryville Lions includes five seniors, two of whom were tall orders, the Lady Panthers nullified the Lions' attack, scrambled for loose balls, served well and got back to playing "team" ball

in securing their first win of the season.

Maryville served first, but it was quickly returned back to Litchfield and three successive attacks by Kendall Stewart (1) and Annika Rhodes (2) boosted the score to 4-0 Litchfield.

Tie Sends Lancers To Title Game Redskins Dealt A Stark Reminder

Two-point-three. That's the average number of goals Lincolnwood and Hillsboro have scored in the last 10 times they have played one another in soccer.

Of those 10, the outcome has been about as even as you can get, with five Hillsboro wins, three Lincolnwood wins and two ties. With a spot in the championship game of the Kickoff Classic on Route 66 on the line, that latter number moved up one on Tuesday, Aug. 30.

The Toppers and Lancers entered the game with identical 4-0 records, with the final score of those games nearly the same as well. In their four games, Lincolnwood scored 32 goals and gave up just three, while Hillsboro scored 30 times and allowed the same number.

All of that offense dissipated on Tuesday, though, as the two Montgomery County rivals saw their contest end in a 1-1 draw, with Lincolnwood advancing to Wednesday's championship game by virtue of fewest goals allowed. The Lancers gave up just one goal (to Hillsboro) in their three pool play games, while the Toppers gave up two, with Litchfield scoring the other in Hillsboro's 6-1 win on Saturday, making the Panthers' Drake Gasperson (the goal scorer) one of Lincolnwood's most valuable players.

The Toppers played five in the back for the majority of the game, trying to ensure

that they weren't beaten by Elijah Aumann, who had 16 goals in four games for the Lancers to start the season.

The Lancers had a solid chance 12 minutes into the game, but a shot to the far post hit the corner and bounced right to Hillsboro keeper Mitchell Lowe. Two minutes later another opportunity arose on a corner kick, but the header on the other end skied over the crossbar and out of play.

A Hillsboro corner kick would lead to the game's first goal, but not one for the Toppers. With just over 16 minutes to play in the half, Hillsboro sent a ball to the middle of the box. The Lancers were able to gain possession and rushed back the other way, before being met by the Topper defense.

Lincolnwood regained control at midfield and worked the ball in to Elijah Aumann, who scored his 17th goal of the season with 15:48 to play.

Both teams would have chances down the stretch, but neither would come up with anything before the break as Lincolnwood led 1-0 with 40 minutes to play.

Twelve minutes into the second half, Hillsboro broke through. A long ball found its way through the Lincolnwood defense and to the foot of Will Christian, who got the equalizer with 28:01 to play.

Lincolnwood had a pair of solid chances after that on two corner kicks within

two minutes of one another, but Hillsboro goalie Mitchell Lowe came out to stop the threat.

Christian also had an opportunity to put Hillsboro on top with a wonder strike from 25 yards out, but the shot grazed the top of the crossbar and went out of play to keep things knotted at 1-1.

And that's how it would stay as Lincolnwood advanced to the championship game by a razor thin margin.

Their opponents in the title match on Wednesday, Aug. 31, would be Carlinville, who defeated Staunton 1-0 on Tuesday to maintain their perfect Kickoff Classic record.

Hillsboro's opponent would be Springfield Lutheran, who defeated Athens 3-1 to earn their spot in the third place match.

Unfortunately, both Montgomery County teams would fall in their final games, with Hillsboro losing 2-0 and Lincolnwood falling 3-2 in overtime.

Nokomis is known to be hard hitting in football, but the hardest hit the Redskins took since last season came in May, when 13 seniors from last year's 7-3 squad walked across the stage.

Those 13 included the top five rushers, nine of the top 10 tacklers and anyone who had thrown or caught a ball for the Redskins in the fall of 2021. All told, the group accounted for 326 of Nokomis's 352 points, meaning that Coach Paul Watson and his staff were in need of production from other avenues going into the 2022 season opener on Friday, Aug. 26, against Stark County.

And for a while, it seemed like the Redskins never lost a step as they led 14-0 in the first six minutes. Then, as they sometimes do in week one, the wheels fell off. Nearly every bit of bad luck that could fall Nokomis' way did so over the next 10 minutes of game play as Stark County scored 49 straight points en route to a 49-21 win.

The Rebels, who were making the program's furthest trip south from Toulon in its 30-year history, have had a lot of success over the years with 22 consecutive playoff appearances and three runner-up finishes in Class 1A. But with an eight-game losing streak nipping on their heels, it was unclear just what the Redskins were facing when Stark County made the two and a half hour trip south.

From the opening kickoff, Nokomis went to doing what has made them successful the last few years, running the ball, with Craig Bertolino, Zaylon Sisk and Brenton Lyons replacing the graduated four-some of Landon Engelman, Matt Hill, Jake Watson and Jake Johnson, who rushed for almost 2,800 yards last year.

Five plays after the kickoff, Lyons got through the defense and sprinted 35 yards into the endzone.

Nokomis got the ball back quickly after Stark County was forced to punt and scored for the second time at the 6:37 mark on a two-yard Craig

Bertolino run that was set up by Zaylon Sisk's 28-yard rush play before.

With Bertolino adding the two-point conversion, Nokomis led 14-0 before the half way mark of the first quarter.

Then things started to happen. Bad things. The Redskins smothered Rebel quarterback Luke Rewerts when he fumbled on second down and seemed to have the junior QB dead to rights on the next play when he bobbled another snap.

Instead, Rewerts regained control and broke a 48-yard run that moved the ball to the Nokomis 20-yard line. The Rebels picked up their first score seconds later on a 20-yard run by Nolan Orwig to make it 14-6 with 4:44 to play in the first.

Things got worse on Nokomis' first play after the kickoff. Quarterback Brody Steele tried to dump a short pass off to senior tight end Ryan Eisenbarth, only to have Daniel Keiser snatch it from midair and sprint 35-yards to paydirt. The ensuing two-point conversion made it 14-14 before Nokomis could catch their breath after the Rebels' first touchdown.

Stark County wasn't done yet. It took them less than a minute to get the ball back on a fumble and just one more play for Rewerts to run it in from 11 yards out.

Three plays and a punt later, the Rebels got the ball back, with Orwig carrying in his second touchdown, this one from four yards out on the first play of the second quarter.

In just seven minutes, the Redskins had their world turned upside down, going from up 14-0 to down 28-14. The Rebels would pour salt in the wound four minutes later as they forced a fumble on a punt, which Ryan Hillan scooped up and ran with for 30-yards and another Stark County touchdown.

Nokomis would end the half with some momentum, getting three straight first downs on runs that brought the ball inside the Stark County 40, but time ran out before the Redskins could chip into the

lead.

The Rebels got the ball first to start the second half and scored at the 9:07 mark on a 15-yard pass from Rewerts to Daniel Keiser. Rewerts would throw his second touchdown pass of the game after Stark County got the ball back on a fumble by the Redskins, finding Connor Wagenbach sprinting toward the corner for a 36-yard score.

Nokomis got one of those scores back in the fourth quarter on an 11-yard run by Ryan Quinn, but the Rebels held off anything else and made the long trip home with a victory.

The big question is how much of Friday's woes can be chalked up to week one rust or jitters. The answer to that may come next Friday, Sept. 2, when Nokomis hosts Sullivan.

Back-To-Back Wins Send Panthers To Fifth Place

The start of the Kickoff Classic on Route 66 may not have been what the Litchfield/Gillespie boys soccer team was hoping for, but the finish was definitely more to their liking.

The Purple Panthers finished off pool play on Tuesday, Aug. 30, with a win over co-host North Mac, then carried on that momentum with a victory over Staunton the next night in the fifth place game in Carlinville.

In Tuesday's final game of pool play, Litchfield peppered North Mac on the offensive end, outshooting the other Panthers 14 to five. The aggressiveness on offense paid off as the visitors led 2-1 at halftime on a pair of goals by Drake Gasperson, with Brayden Ronco and Jaiden Johnson getting assists.

Things got even better for Litchfield in the second halves they netted two more goals to take a commanding 4-1 lead. Joey Reid made it 3-1 on an assist by Kenden Longwell, while Brayden Robbins added the fourth, with Ean Davis getting the assist.

The Litchfield defense and goalkeeper Traegen Madeline would take it from there, holding North Mac scoreless in the

second half for the win.

One good win deserved another as the Purple Panthers created a win streak with a 2-1 victory over Staunton on Wednesday, Aug. 30, in Carlinville. The appetizer for the tournament's championship game, Litchfield got goals from Kenden Longwell, on an assist from Drake Gasperson, and from Nate Fetter.

The victory not only secured fifth place for Litchfield in the eight-team tourney, but it also edged them closer to the .500 mark for the season with a record of 2-3. Their first chance to move to level on the season is on Saturday, Sept. 3, when they travel to Maryville Christian to play the Lions at 10 a.m.

Panthers Ahead Of Pace After Opening Race

Last year, Camden Quarton ran a 19:43.9 at the first meet of the season, but cut more than four minutes off that time by the end of the year, running a 15:33.2 to finish 23rd in the IHSA Class 1A Cross Country State Championships. Through no fault of his own, the Litchfield High School junior may have a hard time cutting that much time this season.

With the Panthers once again at the Carlinville Early Meet to start the season, Quarton stopped the clocks at 16:40.42 to earn the win in Macoupin County. While that's a ways from his personal best (the state time), it puts Quarton well ahead of where he was a year ago.

Quarton's time helped the Panthers to a fifth place finish in the team standings, 30 points behind fourth place Auburn. Lincoln ran away with the top spot with 30 points, while Rochester and Carlinville were second and third with 92 points apiece.

Sam Horn, another top returnee for the Panthers, finished in 16th place with a time of 18:36.33. Like Quarton, that time is much quicker than his finish in 2021, where he ran a 20:20.8.

Horn's fellow senior, Peyton

Baughner followed the trend as he finished 62nd in a time of 22:30.7, almost five minutes faster than his 27:20.9 a year ago.

In addition to the three returning runners, Litchfield also had two who made their prep debut on Tuesday. Junior Mitchel Floyd ran a 20:33.64 to finish 40th in his first high school race, while freshman Lucien Quarton ran a 22:58.55 to finish 66th.

The team will have a little over a week to gear up for their next event, the PORTA Invite in Petersburg on Sept. 10.

Lady Panthers Put Five In Top 15 At Carlinville

The Litchfield girls cross country team put five runners in the top 15 and finished second at the Carlinville Early Meet on Tuesday, Aug. 30, as they started their 2022 campaign.

The Lady Panthers received a boost from freshman Darby Braasch and sophomore Emma Diveley, who are new faces to the roster, but not to those who follow Litchfield track at the high school and middle school level.

Braasch was an IESA state qualifier in the 800 and 1600 last year, placing 13th and 15th respectively, while Diveley was a key contributor to the LHS conference champion track team and a member of the 4x800 relay team that qualified for state.

The pair held the top two spots for Litchfield, with Braasch finishing in a time of 21:47.21 to take fifth and Diveley running a 22:45.52 to place 10th.

Two returnees from last year's conference runner-up team, Delanie Ulrich and Myka Fenton, were the first of three Panthers to snag the 13th through 15th spots. Ulrich finished with a time of 22:56.49, while Fenton ran a 22:58.39. Both times are faster than what the duo ran last year in their season openers, with Fenton running a 23:25.4 at Carlinville and Ulrich running a 25:30.9 at the PORTA Invite after missing the Macoupin County meet.

Another newcomer, sophomore Caitlyn Travis, rounded out the scoring for the Panthers with a 15th place finish in a time of 23:03.70.

In addition to the top five, sophomore Alex Gasperson had a strong showing in her first high school meet, running a 24:05.74 to finish 23rd, while sophomore Joelle Hughes finished 47th, almost 10 minutes faster than her opening time last year at the

PORTA Invite.

Many times, with that many in the top 15, the Panthers would have been a shoo-in for the team title, but Rochester put six runners in the top nine to run away with the crown.

Hillsboro

In addition to the Panthers, Hillsboro also represented Montgomery County in Cavie Country, with three runners competing at Loveless Park.

Presley Smith finished 59th in a time of 30:10.86, while Meagan White was 61st, with a time of 30:19.55. Alexandra Kuhns rounded out the trio with a time of 34:31.67, good for 73rd place overall. Both Smith and White improved on their times from last year, with Smith cutting seven minutes off the clock.

The Toppers' next meet is on Tuesday, Sept. 6, at 6 p.m. at Southwestern High School, while Litchfield will have a little over a week to gear

up for their next event, the PORTA Invite in Petersburg on Sept. 10.

The Litchfield boys golf team remain undefeated on the season after posting a victory over Vandalia, Lincolnwood, Gillespie and Taylorville on Tuesday, Aug. 30, at the Litchfield Country Club.

The Panthers shot a 164 as a team as they beat Vandalia by 11 strokes and Lincolnwood by 15. Gillespie finished fourth with a 192, while Taylorville was fifth with a 230.

As a team, Litchfield had 14 pars and four birdies, with all four 1-under scores going to either Tug Schwab or Ian Otto. Schwab had birdies on number two and number seven and shared medalist honors for the match with Vandalia's Conner McCall, who also shot a 37.

Otto birdied number three and number five and shot a 39, tying Nate Brockmeyer of Lincolnwood with the fourth best score. Vandalia's Jonah Beasley finished in between the two ties, shooting a 38 to place third.

Only one stroke separated

the other four golfers in the Litchfield line-up as Sam Schwab and Zach Boston shot a pair of 44s, while Brawly Jacobs and A.J. Odle both finished with a 45. Tucker McGwire also played an extra round for the Panthers and shot a 44 as well.

The Lancers finished with 12 pars on the day, five of which came from Brockmeyer, who was under 40 for the fourth time in five matches.

In addition to Norris' 60, Jenna Matli added a 63 and Kaylee Gerlach finished with a 65. Thacker Takes Top Spot For Hillsboro

Tycen Thacker shot a 1-over-par 37 to lead Hillsboro to a pair of victories over Pana and Altamont on Tuesday, Aug. 30, at Oak Terrace Golf Course in Pana.

Thacker parred the first two holes but went bogey-double bogey on holes three and four to put himself at plus-three near the halfway point. The Hillsboro sophomore caught fire after that, though, with three pars and birdies on the par-4 sixth hole and the par-5 ninth hole to end his round. Only one other player, Altamont's Avery Jahraus, finished in the 30s, with

Jahraus shooting a 2-over 38.

Thacker didn't do it alone though. All four Hillsboro players posted rounds that would have been in the top four on either of the other two teams.

Austin Loskot parred both par threes at Oak Terrace and was just nine strokes behind Thacker for first. Colton Weiss matched Loskot, posting three of his four pars in the first four holes for a good start to his round. Carson Walker added in two pars and a 51 for his nine holes as Hillsboro picked up their first two wins of the tournament-heavy season.

The Toppers will be off until Tuesday, Sept. 6, when they travel to their home away from home, Indian Springs Golf Course in Fillmore, to face Greenville and North Mac.

Litchfield Volleybal

Continued from 1B

The Panther lead ballooned to 16-4 before Coach Harrison signaled for a time-out in an attempt to stem the tide, but Emma Walch and Gina Painter's tandem block at the net added point 17 with Kendall Stewart at the service line. Litchfield would out-score their guests 8-5 to lock up the first set win. Annika Rhodes finished the set with three kills and was supported by Stewart with a solo kill.

The Lions played with more confidence in the second set, and quickly zipped to a 4-0 lead, but it was short lived as Litchfield tied the score at five before a Johnson kill locked up a point and returned possession to the Panthers. With Annika Rhodes at the service line, the Panthers reeled off the next five points prior to a return of possession to Maryville from a Panther attack that landed out of bounds.

Trailing 6-11 with Maryville's Kiley McBride at the service line, the Panthers owned the next six points by virtue of power hitting from Johnson, blocking at the net by Johnson and Gina Painter and service return errors from the Lions. After a quick Lion time-out and a long rally won by Maryville, another Johnson kill returned possession and added point 18.

The Lions were unsuccessful in returning Johnson's serve and Litchfield led 19-8 and never looked back as Carlee Harmon, Stewart and Johnson all helped seal the 25-14 deal.

Hitting from the outside, Johnson finished the set with seven kills and Stewart added a solo, but the match was not only won with timely

and effective hitting, there were outstanding saves by Amy Frerichs, playing in the libero position, accuracy at the service line and hustle for loose balls.

Annika Rhodes was a perfect seven for seven in serves followed by Emma Walch who went six for six and both Carlee Harmon and Kendall Stewart served eight balls inbounds with just one astray. Harmon recorded two service aces while Emma Walch, Blair Johnson and Gina Painter each had an ace.

Emma Frerichs and Blair Johnson were the dig leaders with 12 apiece while Annika Rhodes chased down seven. Gina Painter had four blocks followed by Emma Walch and Blair Johnson with two apiece and Carlee Harmon was credited with one.

With one win and one loss under their belt, the Lady Panthers host the Hillsboro Hiltoppers this evening. The Toppers are in search of their first win of season after losing to Pana, Auburn and Carlyle. Tonight's match begins with the freshman at 5 p.m. followed by the junior varsity and varsity contests.

TEAM An Ace For Lincolnwood

Over the last eight years, the TEAM Play Day at Shoal Creek Golf Course in Raymond has raised \$197,000 for Lincolnwood Junior High and High School athletics. With the 2022 edition of the annual golf outing now in the books, that number will be much higher.

With another large field of teams, the 2022 TEAM Play Day had sunny skies as it raised money for this year's crop of Lancers and Mohawks.

"Thanks to all that golfed, cooked, served beverages, watched holes, took pictures, donated prizes or auction items or did anything else to help us have another great golf outing," a post on the TEAM Play Day Facebook page read. "We look forward to seeing you all again in 2023!"

Last year, TEAM funds were used for a shooting machine for the boys and girls basketball teams, banquet meals for the boys basketball and soccer teams, warm-ups for the volleyball and soccer teams, new speakers and safety equipment for the baseball team and practice rounds for the regional and sectional for the golf teams.

Some of those who benefitted from last year's event returned as players in this year's tournament, including one member of the winning team. Will Jenkins, who played golf, soccer, basketball and baseball for the Lancers before graduating in May 2021, teamed up with fellow alumni Bill Krager, Sam Herman and Devin Brown to take first place in this year's A Flight.

More alums finished second and third, with the Snyder family, Kendall Snyder and his sons Kyle, Cameron and Reese, taking second, and Korey Brockmeyer and daughter Abby finishing third, with the help of Korey's nephew Jack McKinney and Abby's fiancé Brad Harrison. Abby Brockmeyer also won the morning

Few people have spent more time around Lincolnwood athletics than Verne Pinkston, above teeing off at this year's TEAM Play Day on Saturday, Aug. 27, at Shoal Creek Golf Course in Raymond. Pinkston's team took second in this year's C Flight.

50/50 drawing and donated \$100 back to the cause.

In the B Flight, the team of Shane Matli, Steve Matli, Gred Matli and Heather (Matli) Cohen were first, followed by the team of Josh Stone, John Popejoy, Brenda Popejoy and Kyle Williams in second and the team of Ferrin Colvin (who won the afternoon 50/50 drawing), Steve Mainwaring, Rory Eliason and Wes Clark in third.

In the C Flight, Phil Wentzel, Alex Wentzel, Evan Duff and Brian Keagy took the top spot. Second place went to Verne Pinkston, Tina Welke, Phillip Pinkston and Stephanie Pinkston, while the team

of Matt Millburg, Mallory Millburg, Josh Johnson and Jenny Johnson were third.

In addition to winning the C Flight, the Wentzels, Duff and Keagy also won half of the AM skins game, with Leonard Rovey, Dave Fuchs, Dave Krager and Rick Wagahoff taking the other half. The PM skins winner was the team of Bev Crawford, Dave Crawford, Kendall Crawford and Kayla Atkins. Bev Crawford was also the big \$500 winner in the Lancer Loot Lottery initial drawing.

Eight of the nine holes on the day featured special games, ranging from longest drive to longest putt to closest to the hole. Katie Kauffman and Heather Millburg took the prize for longest drive in the fairway on hole number one, while on hole two, Trevor Riggs and John Martin were closest to the line.

On the speed hole, hole number three, Dane Merkel, Kyra Bishop, Steven Krager and Gilbert Merkel won in the morning, while Bill Krager, Sam Herman, Devin Brown and Will Jenkins won in the afternoon. Hole number five was closest to the pond on your first shot, with Kasey Schuster and Bev Crawford taking the prize, while hole six was the longest putt, which was won by Mark Krager and Tom Kavanagh.

On hole seven, Korey Brockmeyer and Kayla Atkins were closest to the tee, Dayne Merkel and Brett Jaeger had the longest drives on hole eight and Brad Whalen and Wes Smith rounded things out with the closest third shot on hole number nine.

The final amount raised will be announced during basketball season, but the TEAM Committee's work is far from over. On Saturday, Sept. 24, the group will host Glow Golf at Shoal Creek Golf Course for the night owls wishing to give back to Lincolnwood Athletics.

This year's winning team at the Nokomis Athletic Club's Arrowhead Open, from the left, were Brandt Wernsing, Tyler Bramley, Jason Arndt and Tate Clark. The foursome shot a 54 on the day to win by six strokes.

Signs Point To Another Successful Arrowhead Open For Nokomis

A little rain did nothing to dampen the spirits of the ninth annual Arrowhead open on Saturday, Aug. 20, as the Nokomis Athletic club welcomed a full slate of 40 four-person teams to this year's event.

Proceeds from the tournament go toward the Nokomis High School and Junior High athletic programs for things such as camp entry fees, equipment for the volleyball team, uniforms for the football, junior high girls basketball and high school girls basketball teams and scholarships for student athletes. The group also partners with the school to provide video capabilities to live stream home sporting events.

"The Arrowhead Open committee wants to say thank you to the golfers and volunteers who joined us today," the Nokomis Athletic Club posted on Facebook after the event. "Thank you to all of the sponsors this year at all of the levels. Your support is greatly appreciated! Thanks to Lakeshore Golf Course for letting us hold our scramble there and working with us! You were fabulous! Last but not least a huge shoutout to the committee. Your teamwork and dedication is awesome!"

As for the tournament itself, first place and \$360 went to the team of Jason Arndt, Brandt Wernsing, Tate Clark, and Tyler Bramley, who shot a 54 to beat the second place team of Larry Seifert, Mike Haenchen, Mike Wentz and John Grawe by six strokes.

The first place team was also one of two teams who split \$560 in skins money, with Greg Lipe, Steve Pearse, Ryan Follis and Derek Nestrack tak-

Nokomis school board member and assistant football coach extraordinaire Ben Tarter was one of the 160 golfers who teed off at Lakeshore Golf Course in Taylorville on Saturday, Aug. 20. While Tarter's team didn't win, his sister, Beth King, did win the women's longest drive.

ing the other half.

Other winners on the day were the team of Eric and Bonnie Brownback and Caleb and Jennie Wright, who finished 24th and won four rounds of golf at Oak Terrace. The longest drive winners were John Grawe for the men and Beth King for the women, while Jay DeWerff and Aaron Bertolino took closest to the pin and longest putt honors.

Lady Hiltoppers Take On Spencer T. Olin

The Hillsboro girls golf team faced some tough competition on a tough course on Tuesday, Aug. 30, as they played Marquette, Jerseyville and Civic Memorial at Spencer T. Olin Golf Course in Alton.

The Toppers were a player short due to a school commitment for sophomore Emma Bell, but put in some solid rounds despite not factoring into the team results.

Alex Frailey just barely missed a round in the 40s as she shot a 53 on the day, with pars on the first and ninth holes. Just two tough holes (quadruple on three and a

triple on four) kept the Topper senior from climbing further up the ladder individually.

Sam Frailey matched her sister with another 53, with four bogies in her nine holes. Like her sister, a bad hole kept the Topper junior out of the 40s, with an eight coming on the par-4 seventh hole. Aurelie Granito also hit the links for the Toppers and shot a 67 on the day.

Hillsboro will be back at home on Friday, Sept. 2, for a match at the Hillsboro Country Club versus Auburn, Vandalia, Taylorville and Gillespie.

Litchfield Third At Panther Golf Classic

The Litchfield boys and girls golf teams added some 18-hole experience to their knowledge base on Saturday, Aug. 27, as they hosted the Litchfield Panther Classic at Indian Springs Golf Course in Fillmore.

The tournament featured six teams on the girls' side and seven more on the boys' end, with the Litchfield JV team also teeing off at the inaugural event.

Both LHS varsity teams would play well at the event, finishing third in both the boys and girls team results.

In the girls' tournament, Litchfield shot a 382 to finish 12 strokes behind Effingham St. Anthony for second place and 27 strokes behind a stand out Effingham squad that shot a 355.

Laura Boston led Litchfield at Indian Springs, shooting an 8-over-par 80 to take second individually behind medalist Addie Krouse of Effingham St. Anthony.

Lauren Monke was second for the Panthers with a 96, while Charlotte Gardner was third, six strokes back with a 102. Hailey Rentz added the fourth scoring round with a 105, one stroke better than her teammate Olivia Fleming. Addison Monke rounded out

the scoring for the LHS girls, shooting at 120 on the day.

The boys team had similar results, with a third place finish as a team and a second place finish for their ace.

The Panthers shot a 331 on the day, 10 strokes better than fourth place Teutopolis and six strokes behind Salem for second. Effingham St. Anthony took the boys' title, shooting a 19-over-par 307.

Jairen Stroud of Salem took medalist honors with a 2-under 70, but Litchfield's Tug Schwab was on his heels. Schwab tied for second on the day, shooting an even-par 72.

All six Litchfield varsity players shot under 100 for the tournament, with A.J. Odle also finishing in the top 10 individually. Odle carded an 11-over-par 83 on the day to finish ninth on the boys' side.

Sam Schwab was just a stroke back of Odle with an 84, while Brawly Jacobs added a 92 to the score line. Ian Otto and Zach Boston stair-stepped down from there, finishing with a 93 and a 94 in the fifth and sixth spots.

Two of the six JV players to hit the links also broke 100 for Litchfield as Tucker Maguire shot a 14-over-par 86 and Zach Leitschuh finished with a 96.

Tucker Pastrovich and Keenan Logan had the other two scoring rounds with a 107 and a 111, while Jackson Painter and Will Cress were fifth and sixth with matching 116.

The tournament not only gave Litchfield more 18-hole experience, but it also gave the Panthers more rounds at the site of the South Central Conference Tournament, which will be held Sept. 26, at Indian Springs.

Taylor Springs Man Arrested After Manhunt

A Taylor Springs man who police believe may have been armed was arrested early Sunday, Aug. 28, after a four-and-a-half-hour manhunt.

Nicholas Mohr, 32, of Taylor Springs, faces three charges of aggravated domestic battery, according to Taylor Springs Police. He was arrested with his brother, Larry R. Mohr, 37, of Imperial, MO, who faces charges of obstructing justice and driving on a revoked license.

Police were notified just before midnight on Saturday, Aug. 27, of a possible domestic battery involving a woman and two pre-school-age children. The victims had fled the scene, and police learned that the suspect had also fled the scene

in a car and was potentially armed.

The Hillsboro Police Department and Montgomery County Sheriff's Office were notified to assist in the search for the suspect, and the long-term care facility in Taylor Springs and correctional facility in Hillsboro were asked to secure.

Both Hillsboro and Litchfield Police Department K9 units assisted, as well as the Montgomery County EMA thermal imaging drone.

According to Taylor Springs police, the suspect was found at 4:30 a.m. on Route 127 with his brother, who had arrived from Missouri to allegedly help him escape. No firearm was discovered during the arrest.

Local Firefighters Train On Technical Rescue

Members of the Raymond-Harvel, Coffeen and Nokomis fire departments have recently been engaged in technical rescue training to ensure they're ready when an incident occurs. "With lots of grain bins and other confined space areas in our response areas, this will be very valuable training. No, Rescue Randy was not harmed in the training evolutions," the Raymond-Harvel Fire Department wrote in a Facebook post.

IAA Scholarship Helps Drive Ag Forward

Truck drivers are critical for transporting farm commodities, inputs and food throughout Illinois and the nation. The IAA Foundation is pleased to administer the Driving Agriculture Forward Scholarship to help offset the cost of needed commercial truck driver training and ensure more well-trained, safe drivers are available.

"We are pleased to diversify the types of scholarships available through our program," said Jennifer Smith, development manager, IAA Foundation. "We are encouraged by the insightfulness of

donors who choose to support all facets of agriculture."

In late 2021, the Illinois Farm Bureau committed to funding the Driving Agriculture Forward Scholarship. This donor agreement will continue for the next five years.

Applicants enrolled, or planning to enroll, in a commercial driver training program at a community college in Illinois are encouraged to apply. Five \$1,000 scholarships will be awarded every three months and are based on the Illinois Farm Bureau region where the applicant

resides.

All applicants must be Illinois residents and must provide proof of enrollment for the corresponding award cycle. Additionally, an endorsement is required from a farmer, County Farm Bureau leader, agribusiness or food processing business.

Full eligibility guidelines and the application can be found online at www.iaafoundation.org. For more information contact the Montgomery County Farm Bureau, the IAA Foundation at 309-557-2232 or e-mail Jennifer Smith at jsmith@ilfb.org.

USDA Supports Underserved Producers

The U.S. Department of Agriculture (USDA) recently announced up to \$550 million to support projects that help ensure underserved producers have the resources, tools, programs and technical support they need to succeed, through funding provided in the American Rescue Plan Act (ARPA).

"These funding opportunities are historic and part of the USDA's unwavering commitment to advancing equity for all, including people who have been underserved, marginalized and adversely affected by persistent poverty and inequality. When we address longstanding inequities, our entire country benefits," said Agriculture Secretary Tom Vilsack. "Land access, heirs' property, affordable credit and access to reliable markets, along with consistent access to help from well-trained experts, are essential to strengthening our communities. The USDA is equally committed to partnering with minority-serving institutions to establish exciting and fulfilling pathways for next generation leaders to have careers in agriculture, nutrition, food, development and in the federal government."

To date, the USDA has implemented provisions within Section #1006 of the American Rescue Plan Act, including standing up an independent Equity Commission. The USDA also has provided \$75 million for partnership agreements with 20 organizations that will deliver technical

assistance and support for underserved producers, including veterans, limited resources producers, beginning farmers and ranchers, and/or producers living in high poverty areas on topics ranging from business development to heirs' property.

The USDA has already received applications for at least another \$25 million in partnership agreements for technical assistance and will announce awardees by fall.

Additional initiatives taken on by the USDA include offering to \$300 million in funding for projects that increase access to land, capital and markets. Projects should help move underserved producers from surviving to thriving and must focus on strengthening land access with at least one of the following related areas of concern: capital access concerns that affect the ability to access land; market access concerns that affect the ability to access land; or a combination of one or more of land, capital and market access concerns.

Applications are available online at grants.gov and must be submitted by Friday, Oct. 28.

The USDA has also made \$250 million in funding available through the "From Learning to Leading: Cultivating the Next Generation of Diverse Food and Agriculture Professionals" program to create career development opportunities for students at

minority-serving institutions. The need for growing the next generation of professionals is both timely and important.

This competitive funding opportunity is aimed at attracting, inspiring and retaining diverse and talented students at eligible minority-serving institutions for careers in food, agriculture and related disciplines, with an emphasis on federal government sector employment.

Eligible applicants are 1890 land-grant institutions, 1994 land-grant institutions, Alaska Native-serving institutions, Native Hawaiian-serving institutions, certified Hispanic-serving institutions and Insular Area institutions of higher education located in the U.S. territories.

Applications are available online at grants.gov and must be submitted by Tuesday, Oct. 25.

LANCER LINES • by Avery Pope at Lincolnwood

Lancer Students Ready To Tape The Teacher

Lancers, congratulations for making it through almost three weeks of school.

Sports and homework have really started to kick in, but time flies when you are having fun because it is already September! And to end the week, we have a half day tomorrow.

Instead of working on schoolwork, Lincolnwood has decided to have games and activities for our half days. Our incentives tomorrow include having a kickball tournament and playing other games outside. We will also be out of school on Monday, Sept. 5 due to Labor Day.

Speaking of the weekend, the Raymond Celebration is taking place today through Saturday, Sept. 3, so be sure to come out and support your favorite Lancer competing in the pageant. Of course, everyone should also go try some lemonade shake ups, play Bingo and watch the fireworks Saturday night!

To start off with sports, the soccer team's game against Lanphier has been changed, but they did start their Route 66 Kickoff Classic Tournament in Virden on Saturday, Aug. 27. The Lancers beat North Mac 7-0 and Litchfield 9-0.

On Tuesday, Aug. 30, the team played Hillsboro at Carlinville and tied 1-1. Lincolnwood ended up with the most points, so they played yesterday against Carlinville for championship. Their next game is Sept. 6 at home versus Staunton.

Girls golf placed fourth out of five teams on Thursday, Aug. 25, and second on Monday, Aug. 29 against Hillsboro.

Boys golf played Tuesday, Aug. 30 against Litchfield, Vandalia, Gillespie and Taylorville placing third out of five teams. The girls and boys next matches are today at home starting at 4 p.m.

Volleyball girls beat Bunker Hill 25-7 and 25-10 on Thursday, Aug. 25. On Monday, the junior varsity team beat Athens, along with the varsity team having a three-match, nail-biting win that night too. While the junior varsity had their first loss, varsity still beat Greenfield 25-20 both sets on Tuesday, Aug. 30. Their next game is at Calvary on Tuesday, Sept. 6.

Three Lincolnwood boys have also been traveling to Pawnee for football practices with their season just starting. Their first game and first win were Saturday, Aug. 27 against South Fork 28-6, and the junior varsity played the same team on Tuesday, Aug. 30, but took the loss.

During our incentives tomorrow, the Lincolnwood staff also put together something new called Tape the Teacher Day. Starting tomorrow morning, you can pay \$1 for two feet of tape, to tape either Mr. Shuster's, Mr. Webb's or Mr. Kirkpatrick's face to the wall. All the money collected is being given to Panhandle Project Third Day which helps provide extra food to kids on three-day weekends.

Way to start off the sports seasons, Lancers, and have a fun, exciting Labor Day weekend!

DRAGON BEAT • by Albany Kindernay at HJHS

Dragon Students Start New RISE Program

Welcome back to the Dragon Beat! New year, new Dragon Beat writer.

Hello, My name is Albany Kindernay. I am an eighth grader at HJHS. Some of the things I enjoy in school are writing (obviously) and math. I also play school basketball and volleyball. In my free time, out of school, I like to golf. My parents are Andy and Elise Kindernay. I like to write freely about things I choose rather than having to write about an article or a book.

Girls basketball practice started this Monday. Practices are from 3:30 to 5:30 p.m. Monday, Tuesday and Thursday and 3:30-5 p.m. on Wednesday and Friday.

The seventh and eighth grade boys were supposed to have two baseball games this week, but they ended up only having one. The first game was on Monday, which was Hillsboro versus Morrisonville in Morrisonville. The boys lost 10-0. The second game was supposed to be on Tuesday against Piasa at the Sports Complex but, sadly, it was rained out.

The girls were also supposed to have two softball games, but also ended up only having one. The first game was at home versus Carlinville.

They won 20-4. Their second game that was supposed to be Tuesday was also rained out.

On the bright side, the girls still celebrated their eighth grade players. Those acknowledged for their first season of HJHS dragon softball were Briley Kirby, Peyton Chapellear, Kenley Hefley, Natalie Atkins and Madelyn Payne.

This Friday is going to be a half day; dismissal time will be at 11:45 a.m. Girls basketball practice will be right after school.

On Friday morning, a guest speaker named Heidi Lafluer will speak to the HJHS students at 8:30 a.m. in the old gym. The announcement was made that a new program called RISE will be used this year at the junior High. They shared this information with the students during grade level assemblies.

The RISE program stands for respect, integrity, service and excellence. We will be using these positive words to help inspire our student body to follow a positive path during the day including appropriate behavior and responses to situations in every area of the school building.

Enjoy your Monday off, as we won't have school due to the Labor Day holiday.

Albany Kindernay signing off, always remember be original and be a nice human.
