Hillsboro Council Votes Not To Open Central Park Pool

by Ron Deabenderfer

After much discussion about the longevity of the current pool in Central Park, a motion to not spend the funds necessary to reopen the facility for the 2024 season passed 3-2, with Fred Butler, Tommy Justison, and Kendra Wright voting yes to close the pool while Patrick Ward and Don Downs voted No.

Justison, who, once the discus-

sion following the motion to close the pool, began, said he had changed his mind since the Nov. 21 meeting when the motion was tabled to give council members time to investigate the matter in more depth.

Butler, who seconded the motion, said he wanted the city to have time to regroup financially and perhaps structurally.

He later said he feels the city deserves a better pool than the

one that is now 86 years old with expensive repairs needed, but a summer without putting money needed in other places would be beneficial to the future. The organizational change he mentioned as a possibility would involve formation of a park district.

Both Justison and Butler said it seemed to be financially unwise to pour upwards of \$30,000 into the pool for repairs for one summer

when a still-bad pool would be the result.

When asked for his opinion, Parks Superintendent Jim May, once a proponent of always having the pool open in the summer, said he too had changed his mind, particularly after the pool water level dropped three feet in three days once it was closed this past fall. That indicates a major leak.

He likened any repairs now to,

“... putting new tires on a vehicle with 400,000 thousand miles on the odometer.”

Wright said she knew all about one problem leading to another and then another and so on, based on the experiences she and husband John encountered while renovating the Red Rooster.

Hillsboro Tumbling Coach Buys HEAT Gym

by Mary (Galer) Herschelmann

"I've always kind of joked that I come with the building, said tumbling coach Caitlyn Voyles of Hillsboro. "And now I own the building."

Voyles, who has been coaching tumbling in Hillsboro since 2003, officially bought the Hiltop Elite Academy of Tumbling and Trampoline (HEAT) from Heather Greenwood and Amanda Cunningham in September. The gym currently serves more than 300 athletes from Montgomery County and the surrounding region, including Chatham and Highland.

Voyles' tumbling journey began when she was 11 years old, and her great-grandmother bought her tumbling lessons as a birthday present with Berdina Malloy at the Flip Flop Shop in Coffeen.

"There wasn't a lot to do in Coffeen at that time," Voyles said. "I didn't really do a lot of other sports because most of them were in Hillsboro,

and I didn't have a way to get there."

She credits Malloy with

helping her to grow and encouraging her to be the best version of herself both in and

Free Methodist Church To Host Christmas Pageant

The Hillsboro Free Methodist Church invites the community to its annual Christmas production Dec. 8 through Dec. 10.

This year's production of "The Best Christmas Pageant Ever" will be held on Friday, Dec. 8 and Saturday, Dec. 9, at 6 p.m. and Sun-

day, Dec. 10, at 2 p.m. All performances will be held at the church, located at 1400 Seymour Ave. in Hillsboro.

The Herdmans are the worst kids in the history of the world, so when they crash Sunday school and demand parts in the Christmas pageant, the whole town panics.

There's not supposed to be biting or cigar-smoking in Bethlehem, and while these kids have never even heard the Christmas story, they definitely have rewrites.

Soon, everyone is calling for reluctant director Grace Bradley to cancel the whole thing. It's up to the

Bradleys and the Reverend to help their community see the Christmas story and the Herdman kids through new eyes in this buoyant musical adaptation of the funny and touching holiday classic.

All performances are free and a dessert reception will be held during intermission.

Hosted by the St. Isidore chapter of the Knights of Columbus, the 37th Annual Irish Days Chili Cook-Off raised \$5,429.20 for the special education programs in the Panhandle School District this past year. At the check presentation are Jim Hester and event organizer Brad Whalen of the Knights of Columbus, along with Panhandle Special Education staff Alexis Hardy, Emily Grandchamp, Chris Lipe and Erica Watts.

Panhandle Special Ed Receives Donation From Farmersville KC Chili Cook-Off

The 37th Annual Irish Days Chili Cook-Off, organized by Farmersville KC Council 1152, raised \$5,429.20 for the Panhandle School District's Special Education Fund. The event is part of the annual Farmersville Irish Days celebration.

"We are really proud of the popularity of the chili cook-off and that it has been able to benefit the community, especially students," said Brad Whalen, one of the organizers. "It is such a fun day. 2023 was the most suc-

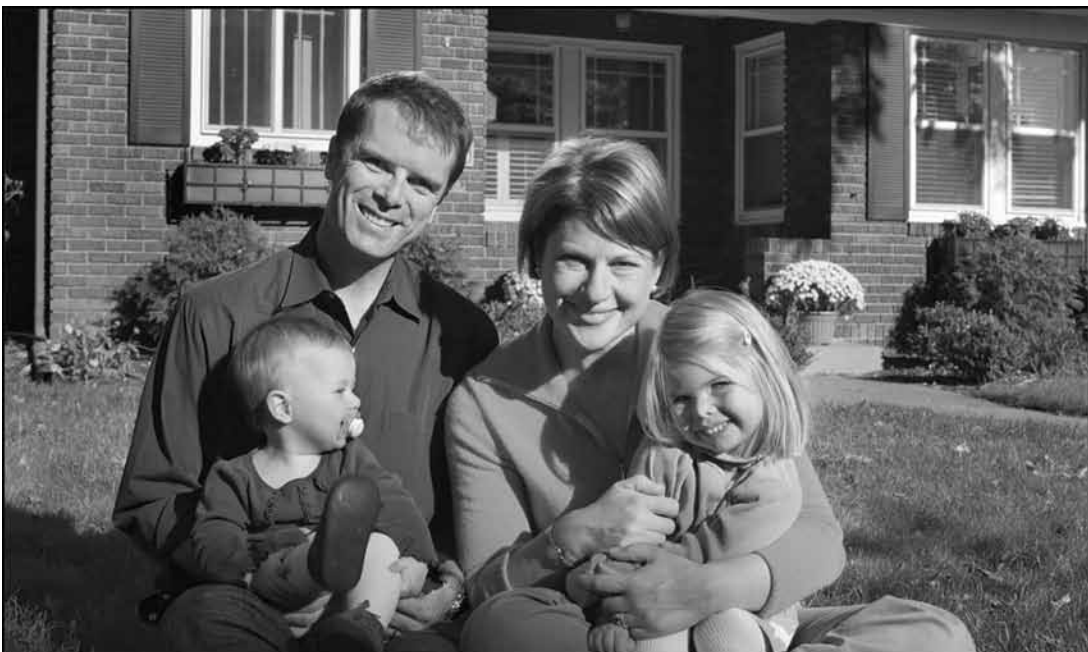

cessful year to date and in the past 37 years, we have raised more than \$80,000 for the special education program. I am already receiving queries about next year and promises of items for the auction."

The UKA Group sponsored the Chili Cook-Off with a \$1,200 donation. The UKA Group is a company that develops, owns and operates utility scale wind farms globally. They are currently developing a wind farm in the Farmersville area.

The chili cook-off had 25

participants and included a silent auction of several top shelf bourbons and other gifts. Similar plans are underway for 2024.

Irish Days is Farmersville's annual summer festival and will be held May 30, May 31 and June 1 in 2024. There is a full slate of events from Thursday through Saturday, including carnival rides, a parade Saturday afternoon, the KC Beer Tent with bands and many food vendors.

DRAGON BEAT • by Ella Schaaque at HJHS

Dragon Art Club Makes Cards For Military

Welcome back to another week of the Dragon Beat!

Hey Dragons! To start this week the HJHS Student Council and Builders Club are working together for the Battle over the Badges canned food drive for the firefighters and the policemen! All of the cans brought by students will be brought to the stations after the food drive concludes.

Of course, we had to make a twist on it! Students get tickets based on how many cans they bring, and with those tickets they can choose one of the eight employees at HJHS to possibly get pied in the face! Contestants are Mr. Lipe, Mr. Cunningham, Mr. Mattson, Mr. VanGiesen,

Mrs. Olson, Mrs. Hacke, Sheriff Kenny and Mr. Go-vaia. The teacher with the most tickets will get pied in the face on the last day of school before the holiday break. The drive will go on until Dec. 15! Any Builders Club members need to donate cans to get a point for their club!

This week and next, the HJHS Art Club will begin creating holiday cards for military veterans, troops and military families. If there is such a person in one of our reader's lives, please email art club sponsor Miss Fair (mfair@hillsboroschools.net) their name and address so a card can be sent out.

For sports, our boys basketball team had a game on Tuesday in Pana. The seventh grade took home a victory, unfortunately, our eighth grade suffered a loss.

Our volleyball girls have been practicing a lot preparing for their season that is going to come up in January, the first game for them will be Jan. 4, against Nokomis.

Friendly reminder to our eighth grade students! Next week on Dec. 14, we will take the constitution test for Mr. Mattson! So, my fellow eighth graders, please take some time out of your week to study! Good luck and study hard!

What makes a holiday season? Fun, family, food and festivities! To help our student body get ready for their break, Student Council will be hosting dress-up days the five days before we leave. Break out those ugly holiday sweaters on Thursday, Dec. 14. Friday, Dec 15 is Flannel Friday/Christmas Headwear. Monday, Dec. 18 is Christmas Jammies

and hot chocolate bar in the café; Tuesday, Dec. 19 is WhoVille Character Day and Wednesday, Dec. 20 is Christmas Explosion...everything Christmas!

That's a wrap for this week's Dragon Beat! Come back next week to hear about more exciting stuff happening at HJHS.

Remember to spread positivity, always try your hardest, and be yourself! Have a great rest of the week Dragons, see you next week!

'Put Together' a Special Gift for Someone

Have you ever "put together" a gift? It's easy. Just collect a few things that go well together and place them nicely in a container, such as a bag, box or basket. Use your imagination to decorate your gift: a bow, a flower or card would add a nice touch. If you want to be a little fancy, add a piece of tissue paper or make a nest of shredded paper in the bottom of your gift container. Very nice!

Here are some ideas to get you started, but you will have to fill in the blanks with vowels to read them:

HEAT Tumbling

Continued from page 1A

"For me, as an older athlete when I started, tumbling gave me sort of a reason to do better at things," Voyles said. While a student at the Flip Flop Shop, Voyles helped to coach some of the other athletes in Malloy's team of 75. She would later start coaching for Annette Blankenship at Hillsboro Tumbling in 2003. At that time, Blankenship's daughter, Amanda Cunningham and her husband, Ben, were working there and at their own gym in Greenville. Voyles said they taught her about how to properly spot athletes during tumbling passes. She worked for Hillsboro Tumbling for six years before Blankenship sold it to Robert Garrison of Vandalia and it became KMG Twisters. Voyles continued to work for Garrison, and stayed on once again when it was bought by Greenwood and Cunningham in 2017. "I didn't want to see the gym close, and it just made sense for me to be the next person to buy it," Voyles said. "It just made sense to keep it going." Another longtime coach, Hannah King, also stayed on with Voyles to continue building the program in this area. Voyles said the studio offers both competitive and recreational tumbling in tumbling, trampoline and double mini. "That's one of the biggest misconceptions we face," Voyles said. "People think they have to compete to tumble with us, and that's just not true. We have lots of students that participate at the recreational level." HEAT offers 13 classes every week Monday through Friday for students aged 18 months to 18 years. The program offers open enrollment throughout the year, so students can sign up at

any time. Voyles hopes that tumbling can continue to help build young athletes into great role models wherever life takes them. "Dena (Malloy) was so good at holding me accountable in and out of the gym," Voyles said. "It encouraged me to make better choices. When I had the opportunity to come and coach for Nettie (Blankenship) at a sport I loved so much, I jumped at the chance." Voyles said it was her chance to give back to what Malloy had given to her. "Without that in my life, I would have been a very different teenager," Voyles said. "Owning the gym here gives me the opportunity to create that safe space for other kids and be a mentor to push themselves." A former state champion in her own right, Voyles said it's not about the awards or the rankings or the medals. "I hope they take from their experience here a lot of great memories," Voyles said. "I hope they remember dancing to silly songs with their friends. And I hope they learn lessons that will be applicable to all areas of their lives." She added that she has helped to coach several athletes who went on to become nationally ranked athletes in other sports at the collegiate level. "We are helping to build that foundation here," she said. "Often this is their first introduction to sports. And we give them a chance to build work ethic and goal setting. We teach them about a sport they can love and use those lessons everywhere else." Hiltop Elite Academy of Tumbling and Trampoline is located at 130 E. Seward Street in Hillsboro. For more information, contact Voyles at 217-710-2495.

Hillsboro City Council

Continued from page 1A

Ward said as Financial Commissioner it was his opinion that the current city budget couldn't afford a new facility at this time, but he didn't want to see the people who depend upon the city pool for recreation in the summer to be left without an option. He also sees the need for a new pool, but he wanted more time to explore that idea. Once the roll call vote was taken (the affirmative votes to close for the summer had already been cast when Ward and Downs voted nay), questions arose as to what options were available to citizens this summer. On the agenda for discussion only was putting a referendum supporting a tax hike on the next public ballot; that's one possibility, and Ward said it would give the public a chance to vote on the issue. As a group the council wants to hear helpful suggestions from the public. One council member hoped aloud that a benefactor might appear with a huge donation. Perhaps co-operative alliances could be formed with Fusion or other existing groups, like CEFS. All members hoped a solution can be found that will give those used to a pool within walking or biking distance of those too young to drive can be found. Other on-the-agenda items calling for votes went more quickly. The mandated annual Tax Levy ordinance (with an increase of under 5%) and a requested lease transfer for city property on which a private house stands at 200 Lands End Road were unanimous votes; the house title has changed hands, so the lease also must have the same holders. Commissioner Wright, after a conversation with a Litchfield official concerning a way to collect unpaid debts, asked the council for approval to enroll the city in a Debt Recovery Program with the state. If a debtor leaves the city without paying for services (like water and

sewer bills), his or her name will be turned over to the state. Then, if the offender is due a tax refund or has lottery winnings, that debt will be deducted from the check and sent to the city to pay the indebtedness. Wright also moved the city buy three two-horsepower grinder pumps to replenish the city's back-up supply; the cost for three pumps plus shipping totalled \$11,280. Wright told the council that when those pumps fail, they are cheaper to replace than repair, so it's prudent to keep a supply on the shelf. City Engineer Jeremy Connor spoke to the council about motions Butler as Commissioner of Parks, Public Properties, and Street would make. Motor Fuel Tax maintenance costs must be approved by the council before funds can be spent; this approval for MFT funds covered \$241,871.50. Pay application #1 for work already done by Stutz Construction on the older lake's spillway totalling \$206,042.75 was approved. Also approved was the use of Rebuild Illinois Funds for the replacement of the Broad Street section directly in front of the Fire Department building on that street. That total was \$210,000; and it included engineering fees due Hurst-Rosche. Also approved was a motion by Butler to approve purchase of material for the walls of the Central Park restrooms (the park will need restrooms whether the pool is open or not). Carpenters in training on the Lincoln Land Apprentice Program will install the material, to be bought locally at RP; Bon-durant Plumbing will do the plumbing. May provided that information when Justison asked if the building would be compliant with state codes. Another discussion-only segment dealt with a problem of city workers having free access to city facilities (primarily Challacombe House and the Fireman's Club House). Problems arise when rules are violated (materials are taped to walls, for example) or when an employee signs up for a facility and then turns the keys over to a family member or a friend. A "City Bucks" policy was proposed as a system to better control who uses the buildings and when; Treasurer Bonnie Hefley would create a system to provide better control. No formal action was taken. One possible vote was

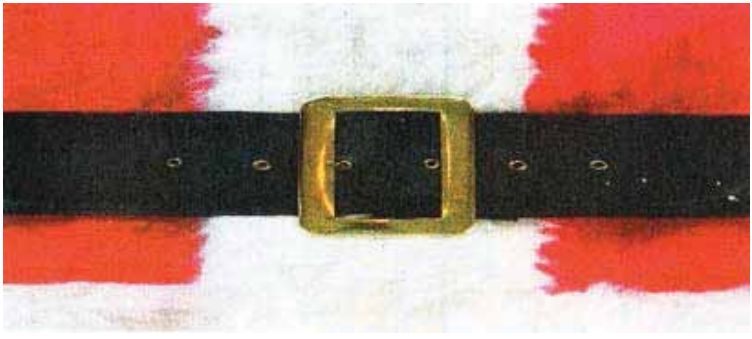

tabled until the Dec. 19 meeting. The Challacombe House has been supported, at least in part, by income from a mineral rights lease covering land in Texas. Finance Commissioner Patrick Ward said the 68 shares inherited by the city has yielded \$3,800 since 2017, and a firm has offered \$55,000 for the city's shares. Commissioner Justison said he's wary about selling the shares, saying he's had experience with agencies buying mineral rights at seemingly high prices and then selling them for a big profit as a speculative venture. Ward said the Hillsboro Hospital board has already sold their inherited-from-the-Challacombe-estate shares. Mayor Downs suggested tabling the decision so further investigation of the offer can be conducted. The final vote of the meeting came after a short closed session to discuss the hiring of a new police officer. After the session, Cody Collins was hired for the job by a unanimous vote; he was not at the meeting. The council reports always begin with the person sitting at the left end of the table, then move to the right, skipping the mayor sitting in the middle; the mayor gives his comments before calling on the city planner and then the city engineer. Thus Parks and Public Properties Commissioner Fred Butler gives the first report. This time he said: pouring the spillway floor at Hillsboro Lake will start this week; eighty yards of rip rap was installed near the bridge on Miceheimer Avenue (the city paid for the fabric and rip rap, and the adjacent landowner paid for the installation by a private company); work on the Central Park Building continued, including rewiring; and the demolition continues of the now-city-owned houses on Taylorville Road near the new sewer plant site. Butler's Street Department is preparing for bad weather by cleaning storm drains, vacuuming leaves from street gutters, and preparing the salt spreaders and snow plows for use. The repairs needed by the fire hydrant on Ice Plant Road are delayed until parts arrive; no delay was involved in removing the dead deer from West Tremont Street. Public Safety Commissioner Justison reported three fire calls since the last meeting and that with a new hire in the Police De-

partment, both departments would be fully staffed after Jan. 1 of 2024. He also asked citizens to 1.) Call the police if they see suspicious activity, and 2.) Lock vehicles before leaving them. Water and Sewer Commissioner Wright said water quality remains good. The long-awaited six inch meter needed to service the new high school building has arrived. Woodard & Curran personnel are working on the necessary forms needed before construction of the new sewer plant begins, and she said the recent gentle rains haven't caused any problems with the storm water collection system. She also asked that individuals with complaints about the utility departments call her rather than badgering the staff in city hall. Finance Commissioner Ward asked his fellow commissioners and department supervisors to list any major expenditures which they anticipate before he meets with them individually to begin budget preparations for the next fiscal year. Mayor Downs asked that residents call police dispatch when they suspect illegal activities rather than relying on Facebook to ease their frustrations. It's the "See it, report it" responses that keep law-abiding citizens secure. He said the city will help with problems in any way they can, but notification of, not whining about, the problem is the first step. A relieved community planner, economic development specialist Sarah McConnell (relieved because David Jenkins has begun duties as city clerk, relieving her of her temporary clerk status), said she has been working with the person appointed by the state agency (DCEO) to oversee the grant application for the trail project. Also in progress are the Capital Improvement Plan and Redevelopment Agreement paperwork. Connor concluded the reports segment by informing the council that the audit of two MFT projects had been completed. Design work for street improvements on Tremont and Jefferson Streets is ongoing. Also, the permitting process for the Helston Street sewer project is complete; now funding must be secured before the project can be put out for bid. The council next meets on Tuesday, Dec. 19, at 7 p.m. in city hall on South Main Street. Visitors are welcome.

Panther Wrestlers Get Taylorville, MacArthur

The Litchfield-Mt. Olive wrestling team picked up a pair of victories in Taylorville on Monday, Dec. 4, beating the host Tornados 42-27 and Decatur MacArthur 42-34.

In the match with MacArthur, both teams gave up 18 points in forfeits and won four contested matches, meaning that how those matches were won would determine the winner.

Vincent Moore (113), Isaiah Johnson (138), Clayton Hauter (157) and Devin Hansel (190) all won their matches by fall, giving Litchfield the maximum 24 points they could have earned. MacArthur picked up one pin in their four wins,

but Litchfield held them to decision victories at 165 and 175 and a major decision win at 144.

In the Taylorville match, Litchfield picked up free points from Rilynn Younker (106), Nicholas Adam (150) and Clayton Hauter (157) due to forfeits, with double forfeits at 113 and 132 pounds. The Tornados also benefitted from two forfeits at 215 and 285 pounds, respectively.

Of the contested matches, Litchfield held a 4-3 edge, collecting four wins by fall. Charlie Bono pinned Hayden Molohon with five seconds to go in the first period of the 126-pound match, while Keaton Morgan (165), Jayden El-

linger (175) and Devin Hansel (190) peeled off three straight wins for the Panthers. Morgan and Ellinger earned their pins in 56 and 89 seconds respectively, while Hansel pinned Aiden Schott in his match 12 seconds into the second period.

Litchfield will be back in action this Saturday, Dec. 9, at the Rex Avery Invitational at PORTA High School in Petersburg.

Hillsboro' Jace Stewart tries to get a shot off over the outstretched hand of Lincolnwood's Gabe Armentrout during the Toppers' home game against the Lancers on Dec. 5. Stewart had 15 points and helped Hillsboro come back from two double digit deficits, but Lincolnwood escaped with a 60-57 win.

Lincolnwood Gets Rivalry Win In Hillsboro

by Kyle Herschelmann

It doesn't have conference or postseason implications, but the early season match-up between the Hillsboro and Lincolnwood-Morrisonville boys basketball teams may fit into the "must see" category if the Toppers and Lancers keep this up.

For the second year in a row, Lincolnwood escaped with a three-point win over the Toppers as Hillsboro fought their way back from a double digit deficit twice before falling 60-57. Since 2006, the two teams have played 17 times, with Lincolnwood winning nine and Hillsboro winning eight, with the game

decided by single digits nine of those 17 times.

Tuesday's game looked at times like it would be one of those that didn't fit that category, but Hillsboro erased two 10-point deficits, one in each half.

The two teams were dead even at 6-6 midway through the first quarter, but Lincolnwood went on a 12-4 run to end the quarter, getting threes from Brady Schmede and Gabe Armentrout, plus four free throws from Jared Klein to make it 18-10 after one.

After trading points to begin the second quarter, Tucker Armentrout gave the Lancers their biggest lead

of the game at 22-10 with a basket at the 5:40 mark of the period. But after that, it was Hillsboro's turn to go on a run of their own as they caught fire from three-point range and outscored Lincolnwood 16-3 over the next three minutes. The streak started with a three-point play of a different kind as Jace Stewart converted his free throw after being fouled on a successful drive to the hoop. That dropped the Lincolnwood lead to seven, which shrank to five after Mark Mattson hit a three following a free throw by Lincolnwood's Jonah Elvidge.

Mattson hit another three a minute later and the

Lancers were on the ropes. Hillsboro struggled with unforced turnovers earlier in the game, but turned the tables on Lincolnwood as the Lancers turned the ball over three times, with Hillsboro eventually capitalizing. With 2:29 to play in the first half, Nathan Matoush drained a three-pointer that gave Hillsboro their first lead since the 4:24 mark of the first quarter.

The lead lasted less than a minute as Lincolnwood closed out the quarter with a basket by Jared Klein and two free throws from Gabe Armentrout, but down 29-26, Hillsboro was very much still in the game at halftime.

Lady Panthers Come Up Short Against Riverton

by Kyle Herschelmann

The middle quarters were the difference makers on Monday, Dec. 4, in Litchfield as the Lady Panthers hosted Riverton. A 9-2 second quarter run gave Litchfield an 18-11 lead at halftime, but the Hawks returned the favor with a 14-2 third quarter streak en route to a 29-26 victory for the visitors.

The Hawks got on the board first in the game, scoring two transition baskets to lead 4-0 two minutes in. Litchfield got their first point on a free throw by Amanda Sypherd, who assisted on the Panthers' first field goal less than 30 seconds later on a shot by Bella Reyes.

With 4:33 to play, Kyndal Law gave Litchfield its first lead of the game with a two and after a free throw by the Hawks, Chloe Law scored four quick points on drives to the basket to stretch the lead out to four. Riverton managed to close that gap in the final two minutes of the quarter on baskets by Jordyn Durham and Abby Churchill as the score stood knotted at nine after eight minutes.

Durham, who had four points in the first quarter,

found the bottom of the net on the Hawks' first possession of the second frame, but Riverton wouldn't score again in the first half.

Instead, Litchfield went on a 9-0 run, with a steal and score by Chloe Law, a three from Kyndal Law and back-to-back jumpers from the right elbow by Daphney Hartel. The streak helped Litchfield build up an 18-11 lead at halftime as they looked to score their second victory of the season.

Unfortunately, the Hawks had other plans and Durham scored the first six points of the third quarter before two minutes ticked off the clock on four free throws and a steal and score. Once the Panthers got Durham under control, Riverton switched gears and got a pair of threes from Katelyn Truesdale. Truesdale also hit a two during the stretch as the Hawks went from down 18-11 to up 25-18 in less than seven minutes.

Litchfield did manage to avoid being shutout in the quarter as Amanda Sypherd scored with four seconds left to make it 25-20 going into the fourth.

Lady Redskins Defeat Lady Rams On Monday

The Nokomis Lady Redskins used a 20-6 scoring advantage in the second quarter to roll to a 47-27 win over Ramsey on Monday, Dec. 4, their sixth victory in their first seven games.

The Rams entered the game with a 2-5 record, but playing on their home court, they kept it close against the Redskins early on. Jeni Mezo hit a three and a two as Ramsey trailed by just one after eight minutes, 10-9, with Mackenzie Mehochko leading the Redskins with four points, while Grace DeWerff added in a three.

In the second, Nokomis began to put some distance between themselves and the

home team. Camryn Engelman found her range from three-point land and hit a pair of threes for six of her team-high 10 points in the quarter, while Mehochko added another six to her total as well. Defensively, Nokomis held Ramsey to just six points on a pair of field goals and two free throws as they led 30-15 at halftime.

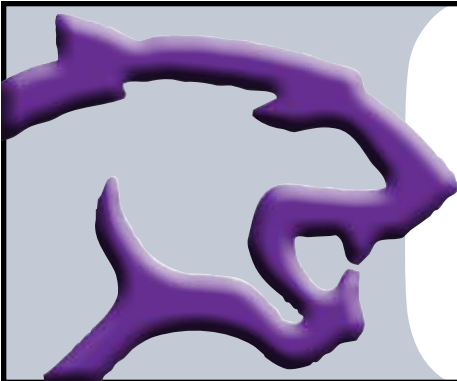

The Redskins' offense slowed, but their defense replicated the effort from the second quarter. The Rams were held to six points in both the third and fourth quarters, with four two-point field goals and four free throws accounting for all of their scoring.

Camryn Engelman added her third three of the game in the third quarter and finished with a team-high 13. Mackenzie Mehochko also had two points in the second half and finished with 12 for the game. The freshman forward also had eight rebounds, tying Cydney Bertolino for the second most in the game.

Natalie Brownback finished with seven points and six assists, while Grace DeWerff had six points on the day off a pair threes. Alivia Sabol and Kinley Stolte rounded out the scoring with five and four points respectively, with Stolte leading the team in rebounds with 10.

Nokomis will face off against Altamont on Thursday, Dec. 7, on the Indians' home court, before playing Hillsboro on Saturday, Dec. 9, at 9:30 a.m. in the opening game of the T. Todt Shootout.

Hillsboro/Lincolnwood

Continued from page 1B

As impressive as the Toppers' first half comeback was, in order to give themselves a chance at a win, they would have to do it again as the Lancers outscored them 17-10 in the third quarter. Jonah Elvidge opened the quarter with a three-pointer and he and Jared Klein worked an inside-outside game that paid off multiple times. Klein also hit a three in the quarter, but the Lancers had their most success on quick cuts to hoop through gaps in the Hillsboro defense, which yielded six more points for Elvidge and three more for Klein.

Despite Lincolnwood's success on the offensive side, Hillsboro was able to keep it fairly close as they worked Mitchell Lowe underneath. The senior forward had six of his 10 points in the third quarter and had the Lincolnwood lead down to four with 4:10 to play, before the Lancers closed out the third quarter with a 10-4 run.

Lowe continued to score in the final frame as he got an offensive putback to start the fourth quarter. Jace Stewart and Jared Klein traded baskets before Lowe increased his total to 10 and made it a 48-42 ball game with 5:55 to play.

Hillsboro nearly had it down to four, but were called for a charge 20 seconds later. The play could have been a momentum swing, but Nathan Matoush made sure that didn't happen as he picked up seven straight points to keep things close.

Matoush's basket with 2:41 to play cut the lead to 53-49 and after a miss by the Lancers, Jace Stewart got the game within two on a basket with 2:17 to play.

Rather than panic, Lincolnwood kept doing what had got them the lead in the first place. Kennady Cook scored his first points of the season to make it 55-51, then Elvidge added two to that margin with a pair of free throws following a toppler miss. Just to add a little drama, Stewart knocked down a three with one minute to play to make it 57-54, then hit one of two free throws with 33 seconds to play after Lincolnwood lost the ball out of bounds.

Jared Klein increased the Lincolnwood lead to 59-55 in the next possession with a pair of free throws, but a putback by Tony White with 8.4 seconds made it a one

possession game as Hillsboro now trailed 59-57. The Toppers fouled Elvidge with 6.5 second on the clock and the junior guard made the second of his two free throw chances. Hillsboro got the ball in bounds to Nathan Matoush, but Lincolnwood defended the Topper sharpshooter well and Hillsboro wasn't able to get a good shot off as the final horn sounded.

Matoush finished the game with 23 points, with three threes on the night. Jace Stewart finished with 15, while Mitchell Lowe added 10. Mark Mattson (6), Tony White (2) and Caleb Greenwood (1) rounded out the scoring for Hillsboro.

Jared Klein led Lincolnwood in scoring with 22 points, going 9-for-11 from the free-throw line. Klein is the fourth different player to lead Lincolnwood in scoring in their first seven games as he, Jonah Elvidge, Brady Schmedeke and Gabe Armentrout are all averaging between nine and 12 points per game.

Elvidge finished Tuesday's game with 14 points, going 7-for-10 from the foul line, while Schmedeke had another solid night from the field with 11 points on 5-for-6 shooting. Gabe Armentrout (5), Tucker Armentrout (4), Donny Daugherty (2) and Kennady Cook (2) rounded out the scoring for the Lancers.

Another Montgomery County foe awaits the Lancers on Saturday, Dec. 9, as Lincolnwood plays Litchfield at 8 p.m. in the finale of the T. Todt Shootout in Litchfield. The Toppers also play in the eight-game extravaganza that raises money for the Montgomery County Cancer Association in honor of the late Terry Todt, as they play Bunker Hill at 11 a.m. Hillsboro also has a key conference test the night before as they host Pana in their South Central Conference opener.

Litchfield/Riverton

Continued from page 1B

Riverton extended their lead to seven with a basket by Brandy Petitt, but Litchfield got two-pointers from Emma Diveley and Daphney Hartel to cut the lead to 27-24 with 2:31 to play. Abby Churchill scored in the Hawks' next possession, but Hartel answered with her fourth basket of the game for a team-high eight points.

Hartel's basket made it 29-26 with 1:47 to play. Neither team was able to score after that as the Hawks missed six free throws down the stretch, but played well enough on defense to secure the win.

Jordyn Durham led Riverton with 12 points, while Katelyn Truesdale added eight.

In addition to her team-high eight points, Daphney Hartel also had seven rebounds in the nail-biter. Chloe Law added six points and five steals, while Kyndal

Law had five points and four assists. Amanda Sypherd finished with three points, while Bella Reyes and Emma Diveley had two each.

Litchfield opens up their conference season on the road tonight, Dec. 7, when they play at Vandalia. On Saturday, Dec. 9, the Lady Panthers play the 6:30 p.m. game against Lincolnwood at the T. Todt Shootout, with the Lincolnwood and Litchfield boys playing immediately after.

Lincolnwood Improves To 1-0 In MSM Conference

The Lincolnwood-Morrisonville boys basketball team held Mt. Olive to two points in the first quarter on Friday, Dec. 1, as they rolled to a 59-16 win over the Wildcats in MSM Conference play.

Six different players combined for 15 points in the opening quarter and started the game on a 13-0 run that lasted the first six minutes of the game. The Wildcats finally got on the board with a Matthew Bywater steal and score with 1:51 to play, but Jonah Elvidge answered seconds later for the Lancers giving them a 13-point lead at the end of the period.

Mt. Olive had more success on the offensive end in the second quarter, scoring six points, but so did the Lancers. Brady Schmedeke was one of the six to score in

the first quarter and exploded for 10 points in the second quarter as the Lancers led 34-8 at halftime. Schmedeke scored in almost every way possible in the quarter, in the post, in transition and off the boards as he put the game out of reach.

The Morrisonville senior added four more points in the third quarter as Lincolnwood replicated their 19-6 second quarter. Jared Klein and Drew Gilpin had four in the quarter, while Gabe Armentrout had five as the Lancers led 53-14 going into the final frame.

With Lincolnwood up 39, the clock ran continuously in the fourth quarter. The Lancers outscored the Wildcats 6-2 in the quarter, with Cooper Poggenpohl scoring four points and Jonah Elvidge adding two.

Lady Wilcats Outlast Lady Lancers Monday

The Lincolnwood-Morrisonville girls basketball team outscored Mt. Olive in three of the four quarters in their game on Monday, Dec. 4, but that one exception was enough to push the Wildcats past the Lancers 49-45 on their home court.

Mt. Olive was down 22-13 at halftime after the Lancers outscored them 11-9 in the first and 11-4 in the second, with Taryn Millburg leading Lincolnwood with eight points in the first half. Lauren Bailey had six points to lead Mt. Olive in the first half, but really turned up her game in the third quarter.

The sophomore more than doubled her point total with nine points in the quarter as the Wildcats went on a 22-7

run that resulted in them taking a six point lead going into the fourth, 49-45.

Lincolnwood fought to get their lead back as they hit four threes in the fourth quarter, with Millburg knocking down two and Jolee Downs and Leah Anderson adding one each. They would also hold Mt. Olive to just two field goals in the fourth quarter, but the Wildcats made 10 free throws to keep ahead of the Lancers and pick up the win.

Free throws were a big factor in the game, especially in the second half as the Wildcats went 15-for-34 from the foul line in the second half and 18-for-40 in the game. By comparison, Lincolnwood went 7-for-13 from the charity stripe.

Brady Schmedeke led the Lancers with 16 points, going 8-for-8 from the field. As a team, Lincolnwood shot 62 percent from the field, hitting 28 of their 45 shots, including 3-of-6 from three-point range.

Schmedeke was the only Lincolnwood player in double figures but eight others scored in the win. Jonah Elvidge and Gabe Armentrout had eight points apiece, while Drew Gilpin had seven. Armentrout and Gilpin accounted for the three-pointers in the game, with Armentrout hitting two, one in the first and another in the third.

Jared Klein added in six points, followed by Cooper Poggenpohl, Tucker Armentrout and Karson Hayes all with four and Brayden Morris with two.

Mt. Olive was led by Matthew Bywater, who had half of the Wildcats' 16 points. Dexter Frizzo, Jake Frizzo, Carter Brunnworth and

Landon Tooley all had two points for the Wildcats, who are 0-6 on the season.

Lincolnwood improved to 2-4 with the win and have two road games left before their first home game on Dec. 12, against Gillespie. The two away games are both against Montgomery County competition as the Lancers play at Hillsboro on Tuesday, Dec. 5, followed by a trip to Litchfield to play the Purple Panthers in the fifth annual T. Todt Shootout.

The Lancers did have two more field goals and five more three-pointers than the Wildcats, with Taryn Millburg accounting for half of Lincolnwood's baskets behind the arc. Olive with 21 points, going 8-for-14 from the free throw line.

The loss was Lincolnwood's first in MSM Conference play as they moved to 1-1 in the conference and 3-6 overall. They'll have another shot to pick up a conference win tonight when they host South County. On Saturday,

the Lancers will play at 6:30 p.m. in Litchfield at the T. Todt Shootout, against the host Lady Panthers. The Litchfield and Lincolnwood boys follow that game in the eighth and final game of the day.

Litchfield Panthers Get Big Win Over Ramsey

Simmons Gym would be once again rocking boys hoops as the Purple Panthers entertained the Ramsey Rams in Litchfield's home opener on Tuesday, Dec. 5.

The Purple Panthers dominated the Rams from the tip to the final buzzer, holding Ramsey to only three points in a 20 minute stretch. The efforts by the Purple Panthers would allow them to walk away with a 88-23 victory.

While Litchfield entered the contest with a 3-3 record, Ramsey carried a record of one win with six losses. The Rams' defense has not been a strong point for them as they have given up an average of 65 points per game. Throughout this contest the Purple Panthers were able to pick apart the Rams' defense as they piled on 34 points in the opening quarter.

It would not take long for Litchfield to control the contest as they jumped out to a 13-2 lead in the first three and half minutes of action. Making the most of second chance points, the Rams responded to the early Purple Panther run as they narrowed the lead back to single digits with just over three minutes to play in the quarter. The push by the Rams would not last long as Litchfield doubled their point total in the final three minutes, ending the quarter on a 17-4 run.

Throughout the quarter, the Purple Panthers showed an organized offense as they focused on running their offense and getting open looks. Many times, though, Litchfield would not have to set up their offense as they earned fast breaks and uncontested

layups to put points on the board. Either way, Litchfield had success on the offense side of the court and held a commanding 34-14 lead after one, with Tate Dobrinich having the hot hand with 15 points for the Panthers.

In the first half of the second quarter the two teams exchanged blows as both opened the quarter with six points a piece. Leading 40-20, Litchfield used the final four minutes of the quarter to build an even bigger advantage as they closed out the half by outscoring Ramsey 12-1 to give themselves a 52-21 lead at the half. Dobrinich's 15 first quarter points led all scorers at the half. Victor McGill would follow with 14 points and A.J. Odle connected on 10 points, going 4-for-4 from the charity stripe and draining two treys.

Starting the season off with five Class 1A teams in their first seven games, Litchfield would have to up their game against these opponents to prepare for their rugged South Central Conference schedule. Litchfield's defense would do just that in this contest.

After only allowing a point in the final four minutes of the first half, Litchfield's defense continued to dominate in the second half. Litchfield put the first five points on the board in the third quarter, extending their lead to 57-21, before Ramsey picked

up their first points of the period. These would be the last points Ramsey would score in the contest.

Litchfield outscored Ramsey in the final minutes of the third frame 20-0 as the Panthers now led 78-23 after three quarters of action.

In the final frame, the clock ran continuously as the Purple Panthers held a 40-plus point lead. With the running clock, Litchfield continued to find ways to put points on the board, as they tallied 10 points in the final frame.

Will Cress would get involved in the scoring as he connected on his first varsity points, as a big shot from behind the arc would tickle the net. Cress' three was the icing on the cake for Litchfield's performance as they continued to shutout Ramsey in the fourth quarter and came away with a 88-23 victory. Harrison Thomas helped Litchfield in the second half as he put nine points on the board.

Litchfield ended the game with three players in double digits. Victor McGill led all scorers with 20, followed by 17 from Dobrinich and 12 from Odle. The win moved Litchfield to 4-3 overall while Ramsey would drop to 1-7.

Litchfield will begin South Central Conference action on Friday, Dec. 8, as the Purple Panthers will welcome the Greenville Comets to Simmons Gymnasium. On pa-

per, this contest may be the conference title game, but the Purple Panthers will have to overcome the thorn in their side, beating a team with a winning record. The Comets enter the contest with a 4-1 record, and Litchfield has yet to beat a winning record team this season. The Purple Panthers four wins have come against teams with a combined record of 5-23, while their three losses have come against teams with a combined record of 17-2. A win Friday would be the staple win the Purple Panthers are looking for and would show they are coming together for a big South Central Conference run.

The Panthers also host the fifth annual T. Todt Shootout on Saturday, Dec. 9, and play in the final game of the day at 8 p.m. against Lincolnwood. The full schedule for the games is below.

Late Redskin Comeback Not Enough For Victory

A fourth quarter comeback nearly gave Nokomis their second win of the season on Tuesday, Dec. 5, as the Redskins almost handed Sullivan their first loss.

Sullivan was up 29-21 in the battle of the Redskins going into the fourth quarter and barely hung on for a 40-38 win, their sixth in as many games.

Brett Bushue scored nine of his game-high 22 points in the fourth quarter, but the Sullivan guard also made an impact in the first as he hit a pair of threes to give his team an 11-6 advantage. Nokomis was able to pick a point off that lead in the second quarter as they outscored Sullivan 7-6, with Mason Stauder hitting a three and Reece Lohman going for four points.

The defense continued to

win out in the second quarter as Sullivan held Nokomis to single digits for the third straight quarter. The home team was limited to just three field goals in the quarter, but

Sullivan went 5-for-6 from the free-throw line to take a 29-21 lead into the fourth quarter. Nokomis began to chip away at the Sullivan advantage at the 6:40 mark, with Kennedy DeWerff getting three points the hard way with a layup and a free throw after he was fouled. A steal and score by Lohman in the next possession made it a three-point game before two minutes ticked off the clock, with Sullivan still up 29-26.

The hosts re-upped their lead to five with a layup, but the next six points went to the Redskins as Saint Newman (4) and Drake Taylor (2) gave Nokomis a 32-31 lead. The advantage would be short-lived

as Bushue scored 13 seconds later on a drive to the basket, then hit a three to make it 36-32 with 2:14 to play.

Nokomis got within one on a free throw by Newman and a layup by Mason Stauder, but Sullivan chewed up 70 seconds of clock in their next possession before Bushue went to the free-throw line. The senior guard was perfect from the stripe and Sullivan led 38-35 inside a minute.

Stauder made it a two-point game four seconds later as he made the second of two free throws after being fouled, but Sullivan put the nail in the game on the in-bounds as Bushue streaked to the hoop for a layup and a 40-36 lead with less than 10 seconds to play.

Nokomis managed to get one last basket by Saint Newman in the final seconds, but didn't have enough time to get another attempt.

Reece Lohman led Nokomis in scoring with 14 points, while Mason Stauder had eight and Saint Newman

finished with seven. Kennedy DeWerff and Drake Taylor rounded out the scoring with five and four respectively.

Brett Bushue led all scorers with 22 points, while Kyle Corkill added eight and Dirk Lane finished with seven. Sullivan outrebounded Nokomis 23-16 in the game and forced 18 turnovers.

Nokomis will be back on the court on Dec. 8 and 9 as they travel to Williamsville on Friday to face the Bullets, followed by the T. Todd Shootout in Litchfield on Saturday. The Redskins play the 5 p.m. game against North Mac.

Dec. 5 at Sullivan
Nokomis 6 7 8 17 --- 38
Sullivan 11 6 12 11 --- 40
Nokomis (38) - Reece Lohman 14, Mason Stauder 8, Saint Newman 7, Kennedy DeWerff 5, Drake Taylor 4. Totals: 16 5-7 38.
Sullivan (40) - Brett Bushue 22, Kyle Corkill 8, Dirk Lane 7, Aiden Ballinger 2, Camden Watkins 1. Totals: 14 8-14 40.
Three-point field goals: Nokomis 1 (Stauder 1); Sullivan 4 (Bushue 4).
Records: Nokomis (1-3); Sullivan (6-0).

Sportsmanship Can Make A Big Difference

The Lincolnwood Lancers are getting their groove back into the basketball season! As

teams are looking at busy weeks, they are keeping their heads up and are determined to add some wins to their records.

The boys basketball team has had two big wins so far this season. The first win was against the Mt. Olive Wildcats on Dec. 1, and then they fought their way to a victory against the Hillsboro Hiltoppers on Dec. 5.

For the upcoming week in basketball, you can find the boys team traveling to Litchfield to play in the Terry Todt vs. Cancer Shootout at 8 p.m. on Saturday, Dec. 9, against the Litchfield Panthers. The Shootout is in honor Terry Todt, whose voice was a familiar part of our area's sports teams.

Terry was also the sports director of local radio station WSMI, but sadly lost his battle against cancer in 2019. His WSMI career is a legacy that will be remembered for years to come.

The Lancers will have their first home game in the Woodshed against the Gillespie Miners on Tuesday, Dec. 12. Both the Lincolnwood cheerleaders and basketball players are ready for another exciting

week!

Please come out and support our teams!

The Lady Lancers basketball team will also play at the Woodshed on Thursday, Dec. 7 against the South County Vipers. The girls will also be playing in the Terry Todt vs. Cancer Shootout against the Litchfield Lady Panthers at 6:30 p.m. on Saturday, Dec. 9.

To continue their busy week, the Lady Lancers will be playing against Sangamon Valley at home on Dec. 11, then will travel to Greenville to play on Tuesday, Dec. 12. Best of luck to the girls basketball team as they have a busy week ahead!

In other news around Lincolnwood, Christmas Spirit Week will be held December 11-15, for junior high and high school students. Details of the week will be coming soon!

Since it is December, that can only mean one thing! Winter break is right around the corner.

Wednesday, Dec. 13, there will be a school collaboration day and we will have a 2 p.m. dismissal. Then on Wednesday, Dec. 20, we will have another 2 p.m. dismissal. On Thursday, Dec. 21, we will get out of school at 11:25 a.m., which will be the start of our break.

There will be a Teachers' Institute Day on Wednesday, Jan. 3, and students will return for the spring

2024 semester on Thursday, Jan. 4. The seniors will then be counting down the days until graduation, which has been set for Friday, May 17.

For our seniors, this semester will be a time to reflect on the things that we've learned throughout our high school careers. One of the values that is taught is sportsmanship. Sportsmanship not only plays a crucial role within our athletics at LHS, but it also has a place in the classroom and in our personal lives.

The Merriam-Webster definition of sportsmanship is: "Conduct such as fairness, respect for one's opponent, and graciousness in winning or losing."

Having good sportsmanship can make a difference in our lives and in the lives of others. Growing up, my parents taught me and my sister the importance of good sportsmanship on and off the court, at home, and in the classroom. As I got older, I continued to be taught these same values. I also believe that having courtesy and treating others with kindness will leave the world a better place.

For example, knowing how to represent our school when we go on field trips, or when the FFA goes to compete in a contest, is also important. When people see Lincolnwood Jr./Sr. High School students out and about within the community, we should be proud of

the way we represent our school.

For example, do you think it is good manners to open the door for someone even when you're not asked to? Do you say "Hi" or "Good Morning" to your classmates, teachers, or friends? As students, being respectful and considerate to others is important because it shows that we care about them.

Being truthful and doing the right thing can also be challenging. It's hard for students in certain situations because they may be experiencing peer pressure from their classmates, teammates or friends. It's important to understand how our decisions and actions can impact others.

Even as we leave high school, we can use these lessons in the real world. Learning sportsmanship can help us make a difference in someone else's life in the future. Let's all make it a goal to have good sportsmanship, show courtesy and practice kindness.

If we all do this a little bit each day, we can make a huge difference in someone else's life.

Today's quote is by Mary Herschelmann, editor of *The Journal-News*: "Choose Joy, Choose Kindness and Choose Grace, each and every day."

I hope everyone has an amazing rest of the week! Thank you for reading Lancer Lines!

County Delegates Attend Farm Bureau Meeting

Illinois Farm Bureau (IFB) announced the election of Brian Duncan, a grain and livestock farmer from Polo in Ogle County, as the organization's 16th president, and Evan Hultine, a grain farmer from Princeton in Bureau County, as vice president. They will each serve a two-year term at the helm of the organization.

Four new members were also elected to serve two-year terms on the IFB board of directors. IFB is a non-profit, membership organization directed by farmers who join through their county Farm Bureau. IFB's 329 voting delegates elected these new leaders during the organization's annual meeting in Chicago in December.

"This organization stands on the shoulders of giants, our farmer members who have come before and plotted a course for this organization," said Duncan. "I look forward to navigating and charting that course along with them, our county Farm Bureaus and our board of directors into the next chapter. It is an incredible privilege to work alongside the team we have at IFB."

In his capacity as IFB president, Duncan is also president of Country Financial, Illinois Agricultural Service Company and chair of the IAA Foundation.

Previously, Duncan served as IFB vice president. He also served as president of the Ogle County Farm Bureau (CFB) from 2004-2017, and on the American Farm Bureau Federation's (AFBF) Swine Advisory Committee 2003-2006, National Pork Producers Council Price Discovery Task Force, Ogle County Pork Producers board of directors and the IFB Young Leaders Committee from 1990-1994. He was the IFB Discussion Meet winner in 1990 and Young Leader Achievement Award winner in 1999.

Duncan is a graduate of Sauk Valley Community College and an active member of Forrester Grove Presbyterian Church. He and his wife, Kelly, raise corn, soybeans, wheat, pigs and cattle on their farm near Polo; they have four children. Their son, Levi, and daughters, Sarah and Emma, are all part of the farming operation. Their youngest daughter, Molly, is a technician and crew leader for the Nature Conservancy Nachusa grasslands near Rochelle.

Hultine has served as Bureau CFB president since 2017. He previously served as Bureau CFB Young Leader chair, IFB Young Leader Committee member 2013-2016, IFB Young Leader chair

Montgomery County voting delegates for the Illinois Farm Bureau annual meeting, from the left are Jay Niemann, Dennis Hand, Kenny Folkerts, Brad Young and Kris Reynolds.

2016-2017 and AFBF Issues Advisory Committee member 2017-2021. He is a recipient of the 2022 IFB Young Leader Achievement Award. In 2023, he placed third in the AFBF Young Farmers and Ranchers Achievement Award competition. He holds a bachelor's degree in horticulture from University of Illinois.

Hultine is a sixth-generation farmer in Princeton, where he grows corn, soybeans and seed corn.

"For just as our crops flourish with proper care, so does an organization thrive when it nurtures and invests in its members," Hultine said during his candidate speech to the delegate body. "Whether you know it or not, you've been investing in me for many years now. Now you're cashing in on your investment in me to see the policies, the values and the vision that resonate with each of you and to create the Illinois Farm Bureau that you want to be a partner with."

New IFB Board directors are LuAnn Matejak of Will County, Rick Edwards III of Adams County, Paul Beisie-

gel of St. Clair County and John Howard of Jefferson County.

The Illinois Farm Bureau is a member of the American Farm Bureau Federation, a national organization of farmers and ranchers. Founded in 1916, IFB is a non-profit, membership organization directed by farmers who join through their county Farm

Bureau. IFB has a total membership of more than 364,452 and a farmer membership of 75,959. IFB represents three out of four Illinois farmers.

Music Programs Ready For Christmas

Hello, Toppers! The end of the year is here! Unfortunately, this means finals are quickly approaching. Make sure you are prepared for these big tests! But, tokens will be given out on Dec. 14, hopefully giving students some peace of mind about their workload.

There are free vintage HHS Hilltopper ornaments in the office. These ornaments first come first serve, so get them while you can! They would make a great Christmas gift for any HHS alumni!

On Sunday, Dec. 10, the National Honor Society is holding a gift wrapping fundraiser. From 1 to 6 p.m. at Beckemeyer Elementary School, a group of students will lend a helping hand this holiday season by helping you wrap all of your gifts. It is all free-will donations, and any money made will go directly to the NHS Scholarship fund. Present forms are available to print and fill before the date, but they will also be available on the day of. If you have a crazy busy holiday season coming up and need a hand getting all of your gifts prepared, this is a great opportunity to save time and energy!

As the semester comes to a close, the HHS music programs are getting busy! The combined HHS band, concert choir and Chamber Choir concert will take place in the HHS gym on Monday, Dec. 11, at 6 p.m. In addition to this, the Chamber Choir has their own concert at St. Agnes church on Friday, Dec. 15. All of these students have worked hard all semester to prepare for these events, so if you have the time, support them by attending!

There is a food drive currently underway at HHS! But, there's a little twist to it that adds some friendly competition. The drive is a competition between the Hillsboro Volunteer Fire Department and the Hillsboro Police Department. There are blue and red tote bags available by the main office that can be filled with canned goods to donate on behalf of either team. All of the donations need to be sent in by Dec. 15!

And now, onto sports! This week is a busy week for sports! The gym has been filled up all week, and the buses are in motion.

The girls basketball team starts off this cycle with a home game against Carl-inville on Thursday, Dec. 7. Over the weekend, the Terry Todt Shootout is taking place, with our individual game being played against Nokomis High School.

On Monday, Dec. 11, these girls will start off the week with an away game in Litchfield. This game is the perfect opportunity to add some excitement to your Monday, given the strong rivalry our town has with the Panthers and the short drive it will be to attend.

The boys basketball team has just as busy of a week, starting off with a home game against Pana on Friday, Dec. 8. Similarly to the ladies, they have the Terry Todt Shootout on Saturday, Dec. 9. Their game will be played against Bunker Hill. Next, they will come in strong next week with the St Elmo Tournament spanning Tuesday through Thursday. Good luck, boys!

The wrestling team has a lot of traveling to do this week. They start off their matches with an away match on Thursday, Dec. 7, at Roxana High School against Roxana and Vandallia. On Saturday, Dec. 9, they travel to Porta High School for the Porta Invite.

To start off the next week, on Tuesday, Dec. 12, at Mt. Zion High School, against Mt. Zion and Litchfield.

Talk to you next week!

NOTICE TO AUDUBON TOWNSHIP TAXPAYERS:
ASSESSED VALUES FOR 2023

Valuation date (35 ILCS 200/9-95): January 1, 2023

Required level of assessment (35 ILCS 200/9-145): 33.33%

Valuation based on sales from (35 ILCS 200/1-155): 2020, 2021 & 2022

Publication is hereby made for equalized assessed valuations for real property in this township in accordance with 35 ILCS 200/12-10. As required by 35 ILCS 200/9-210 and 35 ILCS 200/10-115, the following equalization factors have been applied to bring the assessments to the statutorily required three year median level of 33.33%.

Farm Home site and Dwelling: 1.0435

Residential: 1.0435

Other Land and Other Improvements: 1.0435

Commercial: 1.0435

Industrial: 1.0435

Property in this Township, other than farmland and coal, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review. If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

1. Contact the Montgomery County Supervisor of Assessments
1 Courthouse Square Room 201
Hillsboro, IL 62049
(217)-532-9595 assessor@montgomerycountylil.gov

2. If not satisfied with the assessor review, taxpayers may file a complaint with the Montgomery County Board of Review. For complaint forms, instructions, and the Rules and Procedures of the Board of Review, call (217) 532-9622 or visit Supervisor of Assessments Office. Forms are also available online at www.montgomerycountylil.gov under the Board of Review tab on the Supervisor of Assessments page.

3. The final filing deadline for your township is generally 30 days from this publication date. After this date, the Board of Review is prohibited by law from accepting assessment complaints for properties in this township. For more information on complaint deadlines, call (217) 532-9595.

Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions call (217) 532-9595 or visit Montgomery County Supervisor of Assessments Office.

Your property tax bill will be calculated as follows:
Final Equalized Assessed Value – Exemptions = Taxable Assessment;
Taxable Assessment x Current Tax Rate = Total Tax Bill.

All equalized assessed valuations are subject to further equalization and revision by the Montgomery County Board of Review as well as equalization by the Illinois Department of Revenue.
A complete list of assessment changes for this township for the current assessment year, except for those assessments that were changed solely by equalization as noted above, is as follows:

Property in this Township, other than farmland and coal, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review. If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

- Contact the Montgomery County Supervisor of Assessments
1 Courthouse Square Room 201
Hillsboro, IL 62049
(217)-532-9595 assessor@montgomerycountyl.gov
Office Hours are: 8:00 AM -4:00 PM Monday through Friday
- If not satisfied with the assessor review, taxpayers may file a complaint with the Montgomery County Board of Review. For complaint forms, instructions, and the Rules and Procedures of the Board of Review, call (217) 532-9622 or visit Supervisor of Assessments Office. Forms are also available online at www.montgomerycountyl.gov under the Board of Review tab on the Supervisor of Assessments page.
- The final filing deadline for your township is generally 30 days from this publication date. After this date, the Board of Review is prohibited by law from accepting assessment complaints for properties in this township. For more information on complaint deadlines, call (217) 532-9595.

Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions call (217) 532-9595 or visit Montgomery County Supervisor of Assessments Office.

Your property tax bill will be calculated as follows:
Final Equalized Assessed Value – Exemptions = Taxable Assessment;
Taxable Assessment x Current Tax Rate = Total Tax Bill.

All equalized assessed valuations are subject to further equalization and revision by the Montgomery County Board of Review as well as equalization by the Illinois Department of Revenue.
A complete list of assessment changes for this township for the current assessment year, except for those assessments that were changed solely by equalization as noted above, is as follows:

NOTICE TO NOKOMIS TOWNSHIP TAXPAYERS: ASSESSED VALUES FOR 2023		
Valuation date (35 ILCS 200/9-95): January 1, 2023		
Required level of assessment (35 ILCS 200/9-145): 33.33%		
Valuation based on sales from (35 ILCS 200/1-155): 2020, 2021 & 2022		
Publication is hereby made for equalized assessed valuations for real property in this township in accordance with 35 ILCS 200/12-10. As required by 35 ILCS 200/9-210 and 35 ILCS 200/10-115, the following equalization factors have been applied to bring the assessments to the statutorily required three year median level of 33.33%.		
Farm Home site and Dwelling: 1.0406		
Residential: 1.0406		
Other Land and Other Improvements: 1.0406		
Commercial: 1.0406		
Industrial: 1.0406		
Property in this Township, other than farmland and coal, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review. If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:		
1. Contact the Montgomery County Supervisor of Assessments 1 Courthouse Square Room 201 Hillsboro, IL 62049 (217)-532-9595 assessor@montgomerycountyl.gov Office Hours are: 8:00 AM -4:00 PM Monday through Friday		
2. If not satisfied with the assessor review, taxpayers may file a complaint with the Montgomery County Board of Review. For complaint forms, instructions, and the Rules and Procedures of the Board of Review, call (217) 532-9622 or visit Supervisor of Assessments Office. Forms are also available online at www.montgomerycountyl.gov under the Board of Review tab on the Supervisor of Assessments page.		
3. The final filing deadline for your township is generally 30 days from this publication date. After this date, the Board of Review is prohibited by law from accepting assessment complaints for properties in this township. For more information on complaint deadlines, call (217) 532-9595.		
Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions call (217) 532-9595 or visit Montgomery County Supervisor of Assessments Office.		
Your property tax bill will be calculated as follows: <i>Final Equalized Assessed Value – Exemptions = Taxable Assessment;</i> <i>Taxable Assessment x Current Tax Rate = Total Tax Bill.</i>		
All equalized assessed valuations are subject to further equalization and revision by the Montgomery County Board of Review as well as equalization by the Illinois Department of Revenue. A complete list of assessment changes for this township for the current assessment year, except for those assessments that were changed solely by equalization as noted above, is as follows:

NOTICE TO ROUNTREE TOWNSHIP TAXPAYERS:
ASSESSED VALUES FOR 2023

Valuation date (35 ILCS 200/9-95): January 1, 2023
Required level of assessment (35 ILCS 200/9-145): 33.33%
Valuation based on sales from (35 ILCS 200/1-155): 2020, 2021 & 2022
Publication is hereby made for equalized assessed valuations for real property in this township in accordance with 35 ILCS 200/12-10. As required by 35 ILCS 200/9-210 and 35 ILCS 200/10-115, the following equalization factors have been applied to bring the assessments to the statutorily required three year median level of 33.33%.

Farm Home site and Dwelling: 1.0558

Residential: 1.0558

Other Land and Other Improvements: 1.0558

Commercial: 1.0558

Industrial: 1.0558

Property in this Township, other than farmland and coal, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review. If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

1. Contact the Montgomery County Supervisor of Assessments
1 Courthouse Square Room 201
Hillsboro, IL 62049
(217)-532-9595 assessor@montgomerycountyil.gov
Office Hours are: 8:00 AM -4:00 PM Monday through Friday

2. If not satisfied with the assessor review, taxpayers may file a complaint with the Montgomery County Board of Review. For complaint forms, instructions, and the Rules and Procedures of the Board of Review, call (217) 532-9622 or visit Supervisor of Assessments Office. Forms are also available online at www.montgomerycountyil.gov under the Board of Review tab on the Supervisor of Assessments page.

3. The final filing deadline for your township is generally 30 days from this publication date. After this date, the Board of Review is prohibited by law from accepting assessment complaints for properties in this township. For more information on complaint deadlines, call (217) 532-9595.

Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions call (217) 532-9595 or visit Montgomery County Supervisor of Assessments Office.

Your property tax bill will be calculated as follows:
Final Equalized Assessed Value – Exemptions = Taxable Assessment;
Taxable Assessment x Current Tax Rate = Total Tax Bill.

All equalized assessed valuations are subject to further equalization and revision by the Montgomery County Board of Review as well as equalization by the Illinois Department of Revenue.

NOTICE TO WITT TOWNSHIP TAXPAYERS: ASSESSED
VALUES FOR 2023

Valuation date (35 ILCS 200/9-95): January 1, 2023

Required level of assessment (35 ILCS 200/9-145): 33.33%

Valuation based on sales from (35 ILCS 200/1-155): 2020, 2021 & 2022

Publication is hereby made for equalized assessed valuations for real property in this township in accordance with 35 ILCS 200/12-10. As required by 35 ILCS 200/9-210 and 35 ILCS 200/10-115, the following equalization factors have been applied to bring the assessments to the statutory required three year median level of 33.33%.

Farm Home site and Dwelling: 1.0701

Residential: 1.0701

Other Land and Other Improvements: 1.0701

Commercial: 1.0701

Industrial: 1.0701

Property in this Township, other than farmland and coal, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review. If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

1. Contact the Montgomery County Supervisor of Assessments
1 Courthouse Square Room 201
Hillsboro, IL 62049
(217)-532-9595 assessor@montgomerycountyil.gov
Office Hours are: 8:00 AM -4:00 PM Monday through Friday

2. If not satisfied with the assessor review, taxpayers may file a complaint with the Montgomery County Board of Review. For complaint forms, instructions, and the Rules and Procedures of the Board of Review, call (217) 532-9622 or visit Supervisor of Assessments Office. Forms are also available online at www.montgomerycountyil.gov under the Board of Review tab on the Supervisor of Assessments page.

3. The final filing deadline for your township is generally 30 days from this publication date. After this date, the Board of Review is prohibited by law from accepting assessment complaints for properties in this township. For more information on complaint deadlines, call (217) 532-9595.

Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions call (217) 532-9595 or visit Montgomery County Supervisor of Assessments Office.

Your property tax bill will be calculated as follows:
Final Equalized Assessed Value – Exemptions = Taxable Assessment;
Taxable Assessment x Current Tax Rate = Total Tax Bill.

All equalized assessed valuations are subject to further equalization and revision by the Montgomery County Board of Review as well as equalization by the Illinois Department of Revenue.
A complete list of assessment changes for this township for the current assessment year, except for those assessments that were changed solely by equalization as noted above, is as follows:
