Candy Christmas is a sweet treat

Hundreds attended the annual Christmas at Meadow Croft event this year over the Dec. 7 and 8 weekend.

This year's theme was a "Candy-Coated Christmas," and the Bayport-Blue Point Heritage Association triumphantly and sweetly carried out the spirit of the decorations.

A whimsical theme, different rooms had candy-inspired decorations filled with macarons, marshmallows, and gingerbread families.

"As soon as the summer tours finish, we get started on setting up for Christmas," said vice president, Leanne Berg, about the long-treasured tradition in the BBP community, which began with beloved founding member, Gene Horton.

The Roosevelts, who famously owned Meadow Croft as a summer home, spent Christmas in their Manhattan townhouse.

Islip Arts Council hosts Art & Craft Fair

BY MICHAELA MEDECK

With the holidays right around the corner, the South Shore Mall was full of eager shoppers in search of gifts for their loved ones or taking advantage of end-of-year sales. This past Sunday, the Islip Arts Council offered shoppers an opportunity to purchase all sorts of arts and crafts from local artists all in one place!

From 12 to 7 p.m., vendors displayed their wares outside The Islip Arts Council Gallery in Bay Shore. Artists sold a variety of items, from fashion accessories to photography. There was a variety of unique, beautiful, and even “one-of-a-kind” art to appreciate.

Upon walking into the area, TBQ Designs & Creations sold crewnecks that read “Coffee Weather” and white, brown, and beige knitted hats to match—perfect for the chilly weather to come.

Photographer and felt artist Jenn Brown turned felt into catnip toys shaped like hearts, paws, and different food items. Additionally, they used felt to make small wooden signs with fun patterns and designs. One sign with a

blue and yellow floral pattern, two coffee cups, and a yellow heart would be a fun addition to any kitchen.

Landscape photographers Bobby Alan and Whitney Bell used Long Island as their muse, taking stunning pictures of our beaches and all they have to offer. Similarly, photographer John Lazzaro displayed photos from his collection, “Vanishing New York,” which showcases abandoned ruins throughout New York City.

Many artists showcased all types of paintings. Fine artist Wendy Montoya’s paintings took inspiration from “an organic and holy human being”; her artwork was ethereal in both appearance and meaning.

Candido Crespo of Little Crespo Press made bookmarks, stickers, and block prints using a printing hand press. He even set up a station for people to try it out for themselves. He provided two ornament stencils with red and black ink to choose from. When all was said and done, you were left with a festive postcard and a fun experience.

It’s not uncommon to build up an

appetite after walking around the mall. Fortunately, My Town’s Café, in East Islip, offered sweet treats such as scones, muffins, and crumb cake. They also sold coffee and hot chocolate with a variety of holiday-themed syrups to add some extra flavor.

The Islip Arts Council hosted an ornament-counting contest. The winner who guessed the correct or closest to the correct number of ornaments in a plastic tube won a free session at one of the Islip Arts Council’s many art classes.

From left to right, Sebastian Osnard and Amanda Osnard of My Town’s Café in East Islip.

Photographer Bobby Alan sold prints of pictures he took along the South Shore, including the beaches, water, and lighthouses.

Artists displayed wares outside The Islip Arts Council Gallery in Bay Shore at the South Shore Mall. Shoppers could find paintings, clothing, accessories, photographs, and other homemade goods.

Artist Candido Crespo showcased artwork he created using a handheld print press, along with one-of-a-kind artwork from his son.

A Greater Sayville Hamlet pitch for inclusion in 360 Comprehensive Plan

BY LINDA LEUZZI

A Greater Sayville Hamlet Study petition for an overlay district was provided to Islip Town Council members on Oct. 22.

Sayville resident James Bertsch, who provided the petition to the town council members on Oct. 22, is hoping it will be included in the Town of Islip's-360 Comprehensive Plan (TOI-360) launched Nov. 7, to guide future growth.

"The town said it would be. My questions are when is the plan starting and how vigorous will it be? Are they coming to us to meet with the community?" Bertsch said.

TOI-360 asks residents to take part in a survey that focuses especially on housing, sustainability and resilience, parks, recreation, culture, neighborhood centers, economic development, transportation and mobility, public services and hamlets. The plan is intended to guide the community's sustainable growth and development for the next 20 years. The survey can be found at www.toi360.com. Residents are encouraged to send their comments in for consideration.

According to Town of Islip communications and media relations director Caroline Smith, the TOI-360 is not the only planned input vehicle. "The town-wide ideas and survey online and ideas will remain open until end of February. Results will be summarized in March." Smith was also asked what happens after the summary and when meetings would begin. "The preliminary findings will be shared at the hamlet meetings, also scheduled to start in March."

BFJ Planning for the Comprehensive Plan Update was authorized for the project, for an amount not to exceed \$469,000, she said; the Comprehensive Plan will be informed by the SEQRA findings of the applications under review.

"It's how much density can we tolerate and how can we change zoning to support local businesses," added Bertsch, who is currently leading the call for a push that began from another committee formed in 2020. "Long Island is being urbanized," he said. "We have to have a real discussion on preserving quality of life."

So far, 300 residents from Sayville, West Sayville, and Oakdale have signed Bertsch's petition; it was viewed by 8,179, he said.

Town of Islip map showing 461 parcels of publicly owned lands between 9 Montauk Place in Oakdale and the Islip Grange. A push is on for a Greater Sayville Hamlet Study for an overlay district.

At present, according to a Town of Islip map, there are 461 parcels of publicly owned lands between 9 Montauk Place in Oakdale and the Islip Grange. "They range from 1/8th of an acre to more than an acre," Bertsch said. Some are school districts, churches, Islip Town land.

Bertsch said the TOA-360 Comprehensive Plan is hopefully a conduit for what the Greater Sayville Hamlet Study is trying to do. "Our zoning is old and was developed in the 1920s," he said. "It was re-codified in 1967. If they truly want to engage, it will mean hosting meetings at sites. I'll press for the town to hold public meetings at good hours."

Bertsch said he was urged to get involved by two occurrences. The first was the Bayport Zoning Study approved by the town in December 2020, led by Bayport Civic Association president Bob Draffin. A Bayport Overlay District for non-residentially zoned properties along the Montauk Highway corridor was a main recommendation. It outlined permitted uses as well as Main Street characteristics for a unifying, more attractive design.

The second was the QuickCheck gas station application voted down by the town board, which was the big galvanizer. However, QuickCheck fought the ruling with a lawsuit and won. The change of

zone issue attracted 300 people to a Town Hall meeting. A petition with 1,000 signatures against it was submitted.

But the bottom line: a town zoning study wasn't completed.

One reason, Draffin said, was that the study required lengthy approvals and cost \$100,000.

"It's now a 7-Eleven with a gas station, which took over the application QuickCheck had," said Draffin of the location at the end of Snedecor Avenue and Montauk Highway that was an issue. "If we'd had that study, that never would have taken place."

Since Bayport's zoning study was approved, "We haven't had one contentious issue since the study has been in place. It serves both the town and community well and encourages good projects. I heard through the grapevine that the planning department got proposals and said, 'This won't fly here.'"

But the Island Hills development also gave Bertsch a big shove.

"They have listened to the community," he did say of the Rechlers. "But from a Sayville-centric standpoint, we need students and taxes."

"The school property taxes are the education taxes going to the Connetquot School District," said Rechler consultant Jim Margo. "The property is in the

Sayville, West Sayville Fire District. It's where the real estate lines are drawn. The Connetquot School District has Oakdale, West Sayville, Bohemia and not much, but some of Sayville."

Morgo pointed out South Bay Village's benefits for Sayville, especially the downtown and all other surrounding hamlets. "We'll have shuttles for the downtown. We've reduced the density by 35 percent; it will have a suburban look. The Rechlers said their wastewater treatment plant on the property has the capacity to take in Main Street businesses. And there's stormwater management on the site."

While Sayville's Master Plan isn't the focus of Save the Great South Bay's mission, clean water and the environment is, said executive director Robyn Sylvestri.

"It must be at the forefront of development plans going forward," she said. Sylvestri said her group hadn't been in touch with the town yet, but intends to meet with officials.

"Using land management is key to protecting our waterways," she said. "What happens on the mainland affects what happens on the Great South Bay."

Sylvestri commented that the passing of Proposition 2, Suffolk County Water Quality Restoration (voters approved a new small sales tax for a fund to clean up Suffolk's waterways via expanding public sewers and through grants that encourage residents to replace polluting cesspools), shows residents are aware of the urgency of protecting drinking water and waterways.

"We're not antidevelopment, but any project has to have a net-zero environmental effect. Think about the \$6 billion tourist industry; people come here for our beaches. And home values on an island depend on healthy waterways."

According to the Islip Town website, the TOI-360 Plan will guide the community's growth for the next 20 years. As for its name, in two decades, it will be just over 360 years since William Nicoll purchased land from the Secatogue Nation in 1683. The number 360 also represents this full-circle opportunity to look back at Islip's history, thoroughly examine growth patterns and land-use trends, assess current community priorities, and collaboratively develop a shared vision for Islip's future. ■

Army-Navy game fundraiser at the Portly

There will be a community viewing of the Army-Navy football game at 3 p.m. on Saturday, Dec. 14 at the Portly Villager! One hundred percent of all proceeds benefit the Lt. Michael Murphy Navy SEAL Museum in West Sayville. Event hosts, the Sayville Michael Murphy Team, have two goals: to promote local devotion to the legacy of Medal of Honor recipient Michael Patrick Murphy, and to weave the Museum into the community's cultural tapestry. The Sayville Team also wants the community to remember all of our veterans. To achieve this goal, they are proud to share that they have brought an archive of local veterans' records online. This database was lovingly and painstakingly created by John and Caro-

Ann St. Lawrence to ensure that all veterans could be honored, as they should. The St. Lawrences received Congressional commendation by former U.S. congressman Peter King, thanks to the assistance of Sayville's own U.S. congressman Andrew Garbarino. Please search for the records of local veterans using the website address provided. Special thanks for the creation of the website goes to Sayville HS alumnus and Sayville Michael Murphy Team member, Tim Leigh-Manuel. The hope is that the whole community will participate in this spirited event. That is why entry remains \$20. Daniel Penny acquitted of charges

BY MARIANA OLIVA

West Islip native Daniel Penny was acquitted earlier this week on criminal negligence charges. Jury deliberations began last week for the WEST ISLIP Penny trial which was being held in a lower Manhattan courthouse. Penny faced second-degree manslaughter and criminal negligence charges for placing Jordan Neely in a fatal chokehold in May 2023.

Earlier this week on Dec. 9, the jury acquitted Penny of the charges, finding him not guilty in the death of Neely.

After boarding a northbound subway, Neely began acting erratically, becoming violent and shouting at passengers. Shortly after, Penny approached Neely from behind and placed him in a chokehold. Neely died after being placed in a minutes-long chokehold.

Jury selection began on Oct. 21. The anonymous jury for the trial consisted of five men and seven women. On Nov. 1, jurors heard opening statements for the trial before closing arguments began on Dec. 2.

The jury began its deliberations on Dec. 3, and couldn't come to an agreement on the charges against Penny. On Dec. 6, the judge dismissed the manslaughter count toward Penny after the jury couldn't reach a decision twice, and was deadlocked. Deadlocked means that the jury was unable to come to an agreement and reach a verdict.

As a result of the judge's motion to dismiss the manslaughter charge, the jury decided earlier this week on a less-

Courtesy photo

er charge of criminal negligence. If he had been convicted, Penny's punishment could range from probation to up to four years in prison.

"What that means is you are now free to consider count two. Whether that makes any difference or not, I have no idea," Judge Maxwell Wiley said according to ABC News.

However, by Monday afternoon, the jury reached a verdict, releasing Penny of all charges.

Witnesses for the trial have consisted of police, witnesses, pathologists, who study human tissue and bodily fluids. Penny's friends and family members also testified, including a Marine Corps instructor who trained Penny and other Marines. Penny decided not to testify.

Prosecutors claimed that Penny used a prolonged amount of force, resulting in Neely's death. However, Penny's lawyers have claimed that Penny was protecting himself and those around him by apprehending Neely who was behaving violently. ■

Sunrise Drive’s LaPort named certified sustainable school librarian

The Sustainable Libraries Initiative recognized Kelsey LaPort.
Photo courtesy of Sayville Public Schools

Congratulations to Sunrise Drive school librarian Kelsey LaPort for her recent designation as a “Certified Sustainable School Librarian” through the Sustainable Libraries Initiative’s award-winning Sustainable Library Certification Program (SLCP).

This achievement makes LaPort the fourteenth school librarian to complete the Sustainable Library Certification Program, an award-winning community of practice designed to provide public libraries, academic libraries, library systems, and school librarians with exclusive resources and guidelines to help them shift toward a cleaner, greener, and more equitable future. Remarkably, LaPort completed the certification program in less than a year.

LaPort’s passion, persistence, and attention to detail shine through in every aspect of her work. Her deep dedication to social equity drove her to advocate tirelessly for over two years to secure eBooks and expand the library’s digital resources for her students. By paying close attention to the needs of her community, LaPort started an inter-elementary school book club to encourage a love for reading, foster friendships among her fifth-grade students and their future classmates, and ease the often challenging transition to middle school.

“When I began my journey as a librarian at Sunrise Drive Elementary, I shared with Dr. Foy two long-term goals: to make the library the heart of our school and to integrate sustainability into our library program,” LaPort said.

Making significant progress on these goals, and in partnership with her school’s S.T.E.A.M. teacher, Jennifer Horton, LaPort led research projects where students explored sustainability topics hands-on. She also introduced a TerraCycle recycling program, working with students to collect and sort recyclable materials while fostering a sense of environmental responsibility.

For LaPort, completing the Sustainable Library Certification Program is just the beginning. She aspires to continue shaping her students into informed, inspired, and engaged citizens. Reflecting on her achievement, LaPort shared: “I’m thrilled to have earned the Sustainable Libraries Certification, and I’m excited to continue finding fresh opportunities to move us toward a more sustainable future.” ■

This year, our Holiday Greeting Fund will be donated to the Greater Sayville Chamber of Commerce’s Main Street Fire Relief Fund and the Sayville Food Pantry.

A devastating fire tore through three Main Street businesses on Friday, Oct. 25, with the former Café Joelle, the Paper Doll Vintage Boutique, and Boris’s Barbershop in ashes and significant water and smoke damage to Crushed Olive, Sayville Running Company, Hammer & Stain and the upstairs offices of Adrian Fields, Counseling.

The chamber set a goal of \$150,000 and at the time of print has raised approximately \$90,000 towards that goal.

The Holiday Greeting Fund started as a way for readers to come together and support a community effort. This year’s fund has the additional gift of helping to make whole businesses that should be busy with holiday sales.

You can mail checks made payable to The Suffolk County News with a notation of the ‘Holiday Greeting Fund,’ and mail them to The Suffolk County News, P.O. Box 780, Patchogue, NY 11772. Warm winter scores from symphony orchestra

SCN/Desmond

The Bay Area Friends of Fine Arts (BAFFA) symphony orchestra performed a winter musical concert on Sun., Dec. 8, at the Congregational Church of Patchogue with a full audience.

Under the direction of Bruce Engel, a Juilliard alumnus who has performed with the Metropolitan Opera and New York Philharmonic and under the tutelage of Leonard Bernstein, Pierre Boulez, and James Levine among others and most recently retired as music director at Stony Brook University, the orchestra performed graciously and passionately with a wide variety of seasonal stories.

Among the selections included “The

Magic Flute,” “Fantasia on Greenleeves,” “The Nutcracker,” “Op. 71a,” “The Ascension from the Divine Comedy,” “Silver Bells” and “The Sound of Music.”

Children were given individual silver bells to accompany the performers.

With jocular and heartfelt introductions from Engel and BAFFA president Donna Smosky, who spoke of Carole Sheppard, a longtime BAFFA president whose memory was honored at the concert, the performance was anchored in deep veneration for the organization and audience in attendance.

Local Emergency Order:

Allowing the County to Quickly Respond to the Potential Arrival of Asylum Seekers

I, Edward P. Romaine, Suffolk County Executive, in accordance with a Proclamation of a Local State of Emergency issued on January 5, 2024, February 4, 2024, March 5, 2024, April 4, 2024, May 3, 2024, May 31, 2024, June 28, 2024, July 26, 2024, August 23, 2024, September 20, 2024, October 18, 2024 and November 15, 2024 do hereby find and order as follows:

Whereas, on August 2, 2021 the Federal Government issued an Order pursuant to 42 U.S.C. secs. 362 and 365 (the "Title 42 Order") prohibiting migration into the United States by "covered noncitizens" traveling from Canada or Mexico; and Whereas, the Title 42 Order expired on May 11, 2023 and upon its expiration, an anticipated surge of migration into the United States commenced resulting with the imminent arrival of individuals into New York State at an increased rate; and Whereas, Suffolk County recognizes that the anticipated uncoordinated moving of people into the County of Suffolk will result in a severe housing crisis as a result of the limited number of temporary and permanent housing available in the County.

Now, therefore, I, Edward P. Romaine, Suffolk County Executive by the power vested in me by the Suffolk County Charter and the Laws of the State of New York and pursuant to Section 24 of Article 2-B of the New York State Executive Law, do hereby temporarily suspend or modify any statute, local law, resolution, order, rule or regulation or parts thereof, if compliance with such statute, local law, resolution, order, rule or regulation would prevent, hinder or delay action necessary to assist, aid or cope with the aforementioned State of Emergency, and I hereby order the following:
A. The formation of an intergovernmental team (the "intergovernmental team") that includes the Chief Deputy County Executive, which shall coordinate to assist in meeting the needs of the County as a result of any potential housing crisis in the County.

B. All County Departments are required to work with the County Executive's office to effectuate any emergency measures that need to be addressed as a result of this Order.

C. No hotel, motel, owner of a multiple dwelling, or shelter in Suffolk County is permitted to contract or otherwise engage in business with any other municipality (an "external municipality") for the purpose of providing housing or accommodations for asylum seekers without the permission or coordination of Suffolk County. This prohibition extends to any person or entity participating in an external municipality's government program, or a contract or service funded by an external municipality or acting on behalf of any external municipality or the State of New York.

D. In order to effectuate Suffolk County's role in this emergency, all procurement policies for the purchase of equipment, supplies or contracts, relating to this emergency, are suspended, specifically: Suffolk County Code Chapters 1065 and 189; Article IV sections A 4-13 and 14; Article V section A5-1; Charter section C5-2 (C) and (L); and Section A5-8, Chap. 575, Chap. 803, Chap. 353 and Local Law 41-2013 to the extent that they require execution of documentation of compliance; and all related procurement laws, rules, and regulations required to comply with this Emergency Order.

E. Regardless of any other remedy or relief brought by the County for any violation, the County Executive is authorized to direct the County Attorney to commence actions or proceedings in the name of the County, in a court of competent jurisdiction, to abate any violation of, or to enforce any provision of this Emergency Order.

F. Remedies Not Exclusive.

- No remedy or penalty specified in this Emergency Order shall be the exclusive remedy or remedy available to address any violation described in this Executive Order.
- Each remedy or penalty specified in the Emergency Order shall be in addition to, and not in substitution for or limitation of, the other remedies or penalties specified in this Emergency Order or in any other applicable law.
- Any remedy or penalty specified in this section may be pursued at any time, whether prior to, simultaneously with, or after the pursuit of any other remedy or penalty specified in the Emergency Order or in any other applicable law.
- In particular, but not by way of limitation, each remedy and penalty specified in this section shall be in addition to, and not in substitution for or limitation of, the penalties specified in New York Executive Law Section 24, and any remedy or penalty specified in this section may be pursued at any time, whether prior to, simultaneously with, or after the pursuit of any penalty specified in New York Executive Law Section 24.

G. Effective Date

This Executive Order shall take effect immediately.

And I further order, that all Suffolk County Departments, Agencies, and Divisions or other duly authorized law enforcement agencies take whatever steps are necessary to assist in performing such emergency measures as deemed necessary; and further order that

This order shall cease to be in effect five (5) days after promulgation or upon declaration by the County Executive that the state of emergency no longer exists, whichever occurs sooner. The County Executive nevertheless, may extend such orders for additional periods not to exceed five (5) days each during the pendency of the local state of emergency. Failure to obey this order is a criminal offense, punishable by law under New York State Executive Law § 24(5).

SUFFOLK COUNTY TAX LIEN SALE

OFFICIAL ANNOUNCEMENT
SALE OF 2023/2024
SUFFOLK COUNTY
TAX LIEN SALE
SUFFOLK COUNTY
COMPTROLLER'S OFFICE

WHEREAS ARREARS of taxes on the following several tracts, lots, pieces or parcels of land arising from the tax levy of 2023/24 and thereby charged and imposed pursuant to law remain due and unpaid;
(The names given being those of the reputed owners or occupants as the same appear on the assessment rolls for said tax year, followed by the Suffolk County Tax Map Number ascribed to the parcel as the same appears on the said assessment rolls and amounts including the taxes, penalty, interest, expenses and other charges against the properties for such year.) Outstanding balances may be affected by acceptance of any partial payments made pursuant to Suffolk County Code Chapter 820 and/or the Suffolk County Tax Act §47-a.
NOW, THEREFORE, under the authority given by law, notice is hereby given that, I, as Suffolk County Comptroller, shall on the 6th day of December, 2024, commence the taking of a tax lien on the following lots, tracts, pieces or parcels of land. The amount of such tax liens taken shall be for the amount of unpaid taxes, as shall be sufficient to pay all County, Town, Highway, School, District or other taxes assessed thereon, according to or arising from the tax levy of 2023/24 that may then remain due on each thereof, respectively, together with the applicable interest, costs and charges which have arisen or accrued thereon. Such Tax Lien Sale is subject to the right of Suffolk County, pursuant to the provisions of Sections 45 and 46 of the Suffolk County Tax Act. Tax liens are subject to redemption pursuant to law, by paying to the County Comptroller for the use of the purchaser, his heirs, legal representatives or assigns the sums mentioned, together with interest and any other amount to which the purchaser may be entitled pursuant to law, and the respective charge of the expense of the publication of the notice to redeem the real estate for unpaid taxes as apportioned by the County Comptroller to the real estate so redeemed. All parcels must be redeemed within twelve months after the date of such Tax Lien Sale except residential properties, which are defined as properties improved by a one, two or three family dwelling unit. The period of redemption for said residential properties shall be thirty-six months after the date of such Tax Lien Sale. The final date for tax payments without advertisement charges and publications was August 31, 2024. Parcels appearing in this list upon which the taxes and other charges were paid after August 31, 2024, will not be taken for the Tax Lien Sale.
NOTICE IS FURTHER GIVEN that the County Legislature has passed a resolution pursuant to the authority contained in Sections 45 and 46 of the Suffolk County Tax

Act which grants the County the option to reject any or all bids, and has authorized and directed the undersigned County Comptroller to bid in and purchase all of the tax liens. Accordingly, all bids on parcels will be rejected at the lien sale and all tax liens will be sold to Suffolk County at that time.
