Suffolk Democrats make midterm gains

Reps keep most South Shore seats

BY NICOLE ALLEGREZZA, SAM DESMOND, AND CONNOR PATTON

A blue wave struck most of the country during this week's midterm elections, and in Suffolk County, Democrats flipped a few state legislature seats, with Republicans holding most of their incumbencies.

Democrats and Republicans eagerly awaited results on election night Nov. 3 at their county committees respective parties in Holtsville and Patchogue, with Democrats dancing into the early morning as their party gained majorities in both Congressional chambers, and flipped two state legislature seats locally.

"The tide has turned," said Suffolk County Democratic Committee chair, Rich Schaffer. "Voters have returned to Democrats to bring [them] back [to] the issues that matter."

At the Republican's election night gathering, county chair Jessie Garcia countered the Democrat's enthusiasm.

"We will make sure if there is a national blue wave, we will stop it here in Suffolk County and we will be victorious," Garcia said.

Republicans held all of their federal, state, and county seats in Suffolk County except the east end's First State Assembly District, where Christopher Murrary defeated Republican incumbent Anthony Palumbo by a margin of 51.66 to 48.3 percent, and in the Third State Assembly District, which includes Bellport, Medford, Mastic, Shirley, and Yaphank.

The big winners of the republican party stood on stage to celebrate their wins: DawnMarie D. Kuhn, Dennis M. Smith, fifth assembly district, Jarett C. Gandolfo, Dean Murray, Andrew Garbarino and Jodi Giglio, second assembly district. SCN/Allegrezza

In that district, Democrat Joshua Slaughter defeated incumbent Republican Joseph DeStefano, who held the seat since 2019, by winning 51.13 percent to DeStefano's 48.80 percent, an 11.5 percent Democratic swing.

"I feel great, we worked hard, this was a race that from the beginning was grassroots," Slaughter said. "It was about putting working people back at the center of our politics. When middle-class families are struggling, they want a fighter who is going to focus on the economic issues that they're struggling with."

Slaughter said his day-one priorities include removing the railroad crossing on the William Floyd Parkway through an over or underpass, cleaning up the Brookhaven Landfill, and "cracking down on insurance companies ripping people off."

Both U.S. House races in Suffolk County remained close into Wednesday morning, with U.S. Rep. Nicholas LaLota winning the First District, and U.S. Rep winning reelection to the Second District, each between two-to-three percent.

Garbarino defeated Democratic challenger Pat Halpin with 49.67 percent of the vote, to Halpin's 47.43 percent, or about 5,600 votes.

Assemblyman Douglas Smith introduced Garbarino for his victory speech emphasizing he was a "returning" congressman (Garbarino has served the second congressional district since 2021). "Anytime they talk about a blue wave,

Sayville Fire Department Open House heats up the night

Families learn safety through demonstrations

BY CONNOR PATTON

Rapturous shouts filled the air as Sayville Fire Department members extinguished a mock living room fire outside their headquarters, wrapping up an open house featuring demonstrations that taught residents of all ages about fire and smoke safety.

A few hundred people attended the Sayville Fire Department's inaugural open house on Friday, Oct. 25, where firefighters, through demonstrations like dissembling a wrecked vehicle and extinguishing small fires, taught residents about their work and how to prevent and handle fire emergencies.

"It was a blast, we had a really good turnout," said Sayville Fire Department second assistant chief, and fire prevention coordinator, Donald Marra, after the event. "As fun as it was, there was a fire safety lesson behind everything we did."

FIRE DEPARTMENT: Open house draws hundreds

FROM PAGE 1

Children learned how to stop, drop, and roll in smokey conditions, extinguish small fires, and more through demonstration areas located around the Sayville Fire Department headquarters' parking lot. Free food and refreshments were provided by Chick-Fil-A, Taco Bell, and Uncle Giuseppe's.

As the night began, a ladder firetruck lowered a tethered "Spider Man," in Sayville Fire Department apparel, down from the firehouse roof, to the delight of children, some of whom came dressed as the web-slinging hero.

Sayville Fire Department Station 1 first lieutenant Andrew Dinkel, who played "Spider Man" credited assistant chief Marra for making the whole open house possible. Months went into planning the open house, and other outreach initiatives through Fire Prevention Safety Month.

Sayville Fire Department members visited every school in the Sayville area to teach children about fire safety, and recruit teenagers into its Junior Firefighter Cadets program. Teenagers 14-16 who join the cadets, after one year, are eligible to join the Sayville Fire Department when they turn 17.

Another part of that outreach included a fire safety poster contest, in which hundreds of students from Lincoln and Sunrise Drive Elementary Schools submitted designs that decorated the fire department's truck room.

Along with the posters, one of the most eye-catching moments of the open house night was a living room fire demonstration, in which a small ignition completely engulfed a mock living room in flames after just a few minutes. A display bed-

room, joined to the living room, didn't light up immediately, though, since a connecting door stayed closed- teaching attendees the importance of containing a fire.

Assistant chief Marra, who narrated the firefighting procedures over a microphone, hyped up the waiting crowds before the big fire. After giving the microphone to one child, who said "I want to be a firefighter!" the dozens of kids circling around the mock living room eagerly repeated the phrase until ignition.

The desire to fight fires at any age or ability isn't just a phrase to Marra.

ELECTION DAY: Democrats gain two state legislature seats in Suffolk

FROM PAGE 1

Suffolk just pushes back," said Garbarino. "Things got closer than we wanted, but we still came out on top." Garbarino's speech was at approximately 11:00 pm and major news outlets like News12 and NBC had declared the race too close to call as late as 8 am Wednesday morning, but ultimately declared Garbarino the winner.

Halpin did not immediately concede the race, even after Garbarino declared victory.

"This is much closer than any of the so-called political experts thought it would ever be," Halpin, who was the closest Democrat to win the district since Tim Bishop in 2012, said. "I gave it my best because this is the most important election in our lifetime."

Republican incumbent Dean Murray took the win with 53.94 percent of the vote in the Third State Senate District to Democrat Antonio Vargas-Ayala, who did not actively campaign.

"Thank you, I'd like to say a very special thank you to one group in particular that was out every day knocking on doors and talking to voters getting out there for all of us," Murray said. "We have the greatest team here in Suffolk County. [...] We will continue to fight for you."

Jarett C. Gandolfo, Republican, Conservative, took the win in the Eighth State Senate District with 58.95 percent of the vote to Democrat Joshua James Taveras. After serving in the state assembly for nearly six years, Gandolfo said he sought higher office so his work can have greater impacts for Long Islanders.

"It's not the night we wanted, but we do have some victories in Suffolk County. We will build this up and we will come back stronger and take back seats in the next two years," Gandolfo said.

Republican DawnMarie D. Kuhn defeated Democrat Trish Kopp with a total of 54.18 percent of the vote in the vacant Seventh State Assembly District.

"Running for New York State Assembly is something I never imagined my trajectory of my life would be on but I am so honored to be your next New York State Assembly woman," Kuhn said, also thanking her team. "It's so humbling to see how many people came out to support me."

Currently an Islip Town Council Member, Kuhn will likely resign from her council seat effective Jan. 1, according to State Assembly member and Town of Islip Republican Committee chair, Doug Smith. Under Islip Town Code, Smith said Kuhn's vacant position will be up for election next November, but that the Town Board might appoint someone to fill the vacancy before then.

In the Sixth State Assembly District, and Fourth State Senate District, senator and assembly person Philip Ramos and Monica Martinez both won reelection, with 76.36 percent, and 66.23 percent of the vote, respectively.

For Suffolk County Comptroller, Daniel Losquadro, current Brookhaven Town Highway Department superintendent, narrowly defeated Democrat Jonathan Estreich with 50.57 percent of the vote.

Incumbent statewide Democratic leaders, Gov. Kathy Hochul, Attorney General Letitia James, and Comptroller Thomas DiNapoli, each defeated their Republican opponents by at least 20 percent. In Suffolk County, Hochul won a majority of votes, with 50.31 percent of the vote, alongside DiNapoli and James.

With Democratic swings nationwide, party leaders in Suffolk County feel confident looking to the future.

"This is just the start of the beginning," Schaffer said. "For '27, we're gonna go after the county executive's race. [In] 2028, we go after the Suffolk County Legislature… Stay tuned."

All vote tallies are as of early Wednesday, Nov. 4. ■

SCHOOL NEWS

Phantom Day at Bayport-Blue Point

Bayport-Blue Point High School students traded their usual routine for a day of fun activities and friendly competition during this year's Phantom Day.

The day began with PSATs for underclassmen, while seniors enjoyed a celebration of their own. The Class of 2027 kicked back with a cereal bar, photos and nostalgic movies, giving them a chance to relax and spend time together during their final year at Bayport-Blue Point.

Once testing wrapped up, Phantom Day got underway. Students each chose from a wide variety of staff-led activities, with options ranging from making friendship bracelets and charcuterie boards to a video game tournament, slot car racing and kickball. With something for just about every interest, the activities gave students a fun way to connect with classmates and staff.

The biggest competition of the day was still to come as Phantom Day debuted an all-new event: the first Clash of the Classes, organized by BBP Connects.

Freshmen, sophomores, juniors and seniors faced off for bragging rights in a seriesof challenges, including mattress relays, dizzy bat races, tug-of-war and "Name That Song: TikTok Edition." Students cheered on their classmates as each grade battled for the inaugural title. When the final challenge was complete, the freshmen came out on top, making Bayport-Blue Point history as the school's first Clash of the Classes champions.

Bayport-Blue Point welcomes local heroes for First Responders Day

The Bayport-Blue Point School District marked National First Responders Day on Oct. 28 with its third annual celebration, welcoming local emergency personnel into schools across the district.

Representatives from the Suffolk County Police Department's fifth precinct, Bayport Fire Department, Blue Point Fire Department and Community Ambulance visited with students and staff throughout the day. The visits gave students an opportunity to meet the individuals who serve their community and learn more about the roles they play in keeping residents safe.

Students personally showed their appreciation by presenting first responders with handmade cards and messages of thanks during their visits. The district also recognized its school security personnel for their continued commitment to maintaining a safe environment for students and staff.

Sayville STRIDES hosts Glow Run

Students of all ages across the Sayville School District showed up in their brightest attire for the STRIDES Glow Run at Sayville Middle School on October 21. The Glow Run demonstrated the connection between physical and mental health, showing students that taking care of their bodies also helps to take care of their minds. Students, faculty, staff, and community members enthusiastically dressed for the occasion, wearing neon outfits, glow sticks, stickers, temporary tattoos, ribbons, and even reflective face paint.

The event was a partnership between Jillian Makris, assistant superintendent for pupil personnel services, and Dr. Ryan Cox, director of physical education, health and interscholastic athletics. Student athletes, teams, and coaches joined in the run and served as role models for their younger peers.

Upon arrival, attendees signed a Glow Run banner. Inflatable arches marked milestones in the run, the finish line arch decorated with bright streamers and lit with black lights. After the run, the event resembled a block party—older students handed out glow sticks to younger children. Attendees enjoyed shaved ices from a Kona Ice truck and snacks from the SEPTA table. Dominic Armano, principal of Lincoln Avenue Elementary school, served as DJ for the night. Dressed in a light-up hoodie and pants, he invited students to a dance floor decorated with balloons.

STRIDES (Self-esteem, Trust, Resiliency, Independence, Diversity, Empathy, Strength) is Sayville School District's Social and Emotional Wellness initiative aiming to foster these core attributes which are "integral to personal happiness and success." First launched by Ms. Makris in the 2019-2020 school year, the program's success in helping students has made it a mainstay for the Sayville School District.

Pragmatic Civics

BY LUKA PHILIP-IKPO

In 2023, Molloy University published a piece on the cost-of-living crisis rapidly taking hold on Long Island.

At the time, they found that the federal poverty rate was roughly 6 percent on Long Island. Local legislators went deeper into these numbers and found that 20 percent of Long Islanders are considered "structurally poor," with 19 percent of households in Nassau and 26 percent of households in Suffolk being completely unable to keep up with the pace of basic living necessities.

Since then, these conditions have continued to worsen.

The estimated comfortable income needed for a single adult to live comfortably on Long Island is now $120,000-plus a year, for a family of four, that number hovers around $320,000. The truth is, Long Island is becoming rapidly unlivable, especially for the younger generation, and passivity is no longer an option.

What is being done?

Connect Long Island, Suffolk County's regional transportation and economic development plan, has focused heavily on Transit-Oriented Development (TOD) to address these major issues. TOD is defined as a "mixed-use residential and commercial area designed to maximize access to public transportation."

By implementing features that encourage public transit use and deter dependence on private automobiles by locating various uses within walkable distances, TOD is believed to address issues such as high cost of living, lack of affordable housing, etc.

Developments are underway in Patchogue, East Farmingdale, Copiague, Port Jefferson, Riverhead, and many more. These projects are an amazing step in local infrastructure policy as they build multi-family apartments near LIRR stations, allowing young workers to commute easily.

Upon research, it becomes apparent that young workers are the target of this project, but will this be effective long term? Possibly, but to fix a major problem like this, it has to be prioritized and not just pushed down the line.

There needs to be stricter enforcement of housing quotas for private real estate developers to create these housing projects at scale for low-to moderate-income residents at below-market rates; furthermore, I would argue that there needs to be reform in actual legislative policy.

Under New York's Long Island Workforce Housing Act, there is an affordable-housing requirement for qualifying residential developments. However, they can satisfy this requirement by making a payment instead of building the units. This may sound reasonable; however, money doesn't immediately translate into houses built.

What Can Actually Be Done?

After the midterm elections, many people are going to look towards 2028 to get involved politically; however, I argue that is simply too late. There are many actionable steps that young citizens can take to address these issues and be informed, well before going to the voting booths.

Attending town board meetings is one of the most accessible ways to make an impact. These meetings make decisions involving zoning changes, Residential development approvals,

Affordable housing requirements, and much more. I recommend that next time you have free time, stop by a public meeting and prepare intentional questions about local infrastructure policy and the cost of living.

In addition, New Yorkers are actually given direct access to these files and government records. Under New York's Freedom of Information Law, members of the public are allowed to request existing government records. So next time you have a question or concern, file one of these requests.

Furthermore, audits of developments in Suffolk County are accessible to the public; in fact, many of them were used in the making of this week's article. In my opinion, the first course of action is simply getting informed.

Town of Islip Zoning - Made When Jimmy Carter Was President

Re-Release of Petition to Update Town of Islip Zoning

BY JAMES BERTSCH

Jimmy Carter was President the last time the Town of Islip updated its zoning. That is why I am calling on the Town of Islip to finish what they promised by updating our master plan: https://c.org/FsmvNfSSwJ

Last summer, just as were poised to do better, the town walked away from Town of Islip 360, or TOI 360 (TOI-360 | Comprehensive Plan | Town of Islip, N.Y.). The town pledged $400,000 to update our zoning in 2024. They abandoned that pledge when they took the unusual step of walking on a new member onto the planning board. Importantly, no TOI 360 meetings have taken place since then.

I published this petition last year when this happened. Nearly 300 people signed, 100 shared it and 2500 people have viewed it.

Why relaunch now? On July 16, Amazon requested a zone change to build a $1 billion, 4.2-million-square-foot distribution site in Holbrook. It's the same problem except much bigger. For perspective, it'll be as large as nearly 80 football fields, a seven to eight-story building and one of the biggest plants in the world. They want to build it on a pristine 140-acre wooded lot that feeds out waterways.

This forest is at the headwaters of a creek (San Souci). Were the project approved, according to Pine Barrens fire management plans, between 15,000 to 40,000 trees would be felled.

These trees provide oxygen, clean our drinking water, cool our neighborhoods and clean our waterways. That forest feeds San Souci County Park and flows through Sayville and Bayport into the Great South Bay.

Why must we develop every green space in site? Because it's cheaper for developers to destroy nature rather than better utilize commercial spaces by building up? Nonsense.

Were the town to deny Amazon's zone change request, they are saying our zoning meets modern needs. How can we say that when our masterplan hasn't updated since Jimmy Carter? Just ask Bayport how much easier it is to push back against developers with current zoning. They're using their hamlet study to do that right now.

And Brookhaven has been meeting with the public for the past seven months to update their master plan. Their zoning was updated in 1996. They are in a better position to maintain a balance between often competing needs: employment, taxable revenue and resident quality of life.

Meanwhile, the individual the Town of Islip "walked on" was serving in the TOI Parks Department when 64,000,000 pounds of building materials laced with Cobalt, Dieldrin and asbestos—all cancer causing—were dumped at Roberto Clemente Park. He was fired and pled guilty to disorderly conduct for being aware of the dumping and taking no action to stop it.

Even if he seems blameless, why walk anyone on in such tumultuous times? And why that individual? Isn't it reasonable to conclude it's due to future elections and party politics? That is unacceptable.

The view from on high is no better. New York State developed guardrails against poor planning and reckless overdevelopment via the environmental review process. Those rules appear pitted against the State's "Let Them Build" agenda. We need more affordable housing. Yet, environmental experts assert the new budget conflicts with existing environmental processes and rules.

The success of the community's demand for "No Zone Change" at the former Island Hills Golf Course partially explains why people aren't clamoring for current zoning. Rechler Equities, the property owner, is now conceding hard-fought negotiated items. Perhaps they want to extricate themselves from the fight taking shape over Amazon.

Former Island Hills Golf Course – Rechler Equity's Three Different Plans

	2017	2025	2026
Units	1365	890	568
Rental	100%	65%	20%
Benefits	Sewage Plant	Sewage Plant	Sewage Plant Fire House Sub-Station Business District ($250,000)
Greenspace *114 Total Acres*	25 acres	22.4 acres	**Unknown** **(and IMPORTANT)**

Above is a table I created from public sources on Rechler Equity's three plans.

Why is the town ceding responsibility for updating our planning to a private company? I'm glad Rechler is offering this community benefit. But didn't the Town create this leadership void in the first place?

For my part, I will be advocating for the Town of Islip to create a Community Preservation Fund (or CPF) once TOI 360 is back on track. Like the Peconic Bay Community Preservation Fund Act in the Town of Southold, we need a fund that raises capital through a property tax transfer. Preserving open spaces is worth fighting for. Our community shows up for the environment. It will take time, but I believe we will succeed in creating such a fund.

I will deliver our petition and speak at a Town of Islip Council meeting when I reach my goal of 500 signatures. In advance of that meeting, I will share that date and the recording after (https://www.facebook.com/james.bertsch.33). Readers are encouraged to call or text me (516.987.6453) for a copy of the town's recording of my public comment. Share your email via text if you'd like to be on my listserv as well so that I can notify you when I'm speaking.

Raising awareness for guide dog reform

Organization continues fight for better access

BY CONNOR PATTON

SAYVILLE When a blind disability awareness advocate heard about the death of a three-year-old black Lab, Milton, at a guide dog school in 2022, he became enraged, not just at the tragedy, but at the lack of oversight into guide dogs and disability rights he's lobbied decades for.

Recently, Frank Perino educated the public about Milton's story, and the fight for stronger provisions to the Americans with Disabilities Act (ADA), to help vision impaired people navigate the world through better guide dog access and public accommodations, in downtown Sayville.

Milton was the guide dog to Michelle Krupa, who was losing her vision and hearing due to the genetic disorder Usher syndrome. In July 2022, Krupa dropped Milton off at the Guide Dog Foundation in Smithtown, where he first trained, and he died after a worker allegedly left him in a van for over five hours.

"He was a pile of mush and a big goofball, and a very good worker," Krupa told *The Suffolk County News* at the time.

Krupa shared her story with the press, including Perino on a podcast he hosted, to raise awareness for better guide dog accountability.

"If it helps save one dog, or one child, then it's worth it," Krupa said at the time. "That's one of the most important things that I'm trying to get out with this message: how important guide dogs are. They are not a robot. They're not a toy. They are very important to people like me. When they're trained to help, they're really incredible."

Blind disability rights advocate Frank Perino (right) and one of his supporters, John Schoenfeld (left), raised awareness for better guide dog access and accountability last month in Sayville. SCN/Patton

The Guide Dog Foundation chief marketing officer Mike Rosen told *The Suffolk County News* at the time "Our team has been in regular contact with them [the Krupas], and we are providing our complete support, including, at a time when they are ready, matching Michelle with another guide dog, so she can continue to live her life without boundaries."

Rosen did not immediately respond to a followup request for comment.

Perino said it took over two-and-a-half years for Krupa to receive a replacement, highlighting an issue he's advocated decades for- allowing disabled people to receive service dogs quicker, and more affordably. If they can get Congress or the state's attention, Perino said it would benefit both the blind, and schools that provide service dogs.

"The whole thing of what happened would have been avoided if there was a law to protect them, protect Milton, protect Michelle, [and] protect the school," Perinos said. "It's two-sided. We're not [trying] to hurt anybody. We're looking to make it better."

While the ADA helped enshrine disability rights into law, Perino said it doesn't go far enough, and provides no funding for guide dog training or public accommodations. Guide dog training can sometimes cost up to $100,000, according to Perino, who has trained guide dogs like his Akita Starlight, himself.

"It took me four years to get one of those talking lights put up there," Perino said, gesturing towards Sayville's pedestrian crossings. "We need enforcement."

To accomplish this, InnerSight created a Change.org petition to call on Congress to allow blind people fairer, quicker hearings to receive a service dog. Perino's daughter Mary, who inadvertently sparked InnerSight in 1986 when Perino was refused to bring his guide dog into the delivery room during her birth, helps run the team's digital campaign.

In 13 years, InnerSight's petition has received over 75,000 signatures, and can be found at: https://c.org/Fxcn7x4LdF.

"We've gotten a great response," Perino said.

Bell Street Artists presents 'In Tune With the Season'

Exhibit on display at BAFFA Gallery

BY CONNOR PATTON

From autumn leaves to winter landscapes, with a musical twist on top, The Bell Street Artists are "In Tune With the Season" at the Bay Area Friends of the Fine Arts Gallery in Sayville this month.

The ten-person arts group is showcasing its members' pieces, which take unique approaches and mediums to the show's subject, from acrylic paintings, to charcoal drawings, and nature photography. "In Tune With the Season" is open to the public on weekends in November from 1-4 pm.

Nancy Ruth Cronin, head representative and president of the Bell Street Artists, said the group is small by-design, and meets monthly at each other's homes, where they can bounce inspiration and seek help from one another-while preserving an individual's style and preferences.

"Everything is different, and we're always amazed when we all come together and have a show and that it works," Cronin said about their current show. "[Everyone] kind of plays off of each other."

Cronin's pieces, which are on display on the right wall of the gallery's first room, include mixed-media work that feature warm tones of cut out papers that make up figures like a beautiful bird of paradise, and a humble bumble bee roaming on a bed of bright sunflowers. Most of her pieces are positioned before a background of torn sheet music, bringing her autumnally-colored imagery "In tune" with music she received from her grandmother, who encouraged her to shred them for her art.

Other artists like Doris Rueger also feature autumn scenery in their pieces. Rueger's watercolor still lifes of pumpkins, gourds, and flowers all grown inside her Bellport home's garden, line the left wall across from Cronin's pieces.

An assortment of mixed-media sculptures created by artist Peter Montemurro.

Rueger also showcases wildlife watercolors, like a hedgehog relaxing in a leaf pile, and a hummingbird feeding her babies. The German-born painter calls The Bell Street Artists "a family" which has kept close with one another in its roughly 50-year history.

"Depending on whose house you go to, that's the food you eat. So it's always something special," Rueger said. "We paint and be creative, and then we entertain."

Fellow artist Bernice Corbin, like Rueger, also features birds in some of her pieces, like a giclee house sparrow, but is also "In Tune" with the looming season of winter in her snowy landscapes. In "Warm Glow" a distant acrylic village glows across a white meadow, broken off by a flowing river. And in "Colorado Snow" another river rapidly passes below a towering Rocky Mountain.

But not all artists work with paint. Sculptor Peter Montemurro is displaying welded steel pieces crafted from objects he's found or repurposed from larger mechanical or electronic equipment. For the first time, Montemurro, inspired by his fellow Bell Street Artists, dabbled in paint for the background of his woodland and seascape pieces "A Walk in the Woods" and "Under the Sea."

"These are old-fashioned electronics from before solid-state days that I found in my father's workshop," Montemurro said, pointing to transistors used for coral reefs. "I like using recycled stuff, old stuff that has one purpose or one idea, but when you put it together with other things, it creates something that represents something else."

Like the components making up Montemurro's art, The Bell Street Artists, on occasion, sees new life in its tight-knit group. The organization recently welcomed new member Mike Braun, who is displaying his work in an art show for the first time.

Braun is showing 13 pieces, including charcoal and mixed media charcoal and pastel portraits of people and animals. In creating his pieces, Braun said he'll usually sketch from pictures and figure out what each subject's energy is, capturing that in a facial expression. Some portraits include familiar figures like Bob Marley, while other, more recent ones, feature abstract imaginations that came into Braun's mind, without a reference point.

With it being his first ever show, Braun's friends and family, including his wife Erin and two kids Adam and Rachel, crowded the exhibition space in support.

Braun joined the group through a connection with founding member Will Ryder, who is displaying his brightly-colored acrylic and mixed-media pieces that each tell a story, at the show. Geometric torn-paper pieces like "Falling Leaves" are "In Tune" with autumn, while others like "Cellist with Yellow Dog," play more into the musical component of being "In Tune" with a season.

Ryder said the group looks for new members, like Braun, not merely on their artistic merits, but on whether they have a non-competitive mindset that's compatible with the organization.

Ryder has been with The Bell Street Artists since around the group's beginning almost 50 years ago at late member Gerry Grace's home on Bell Street in Bellport.

"We've known each other for a long time," Ryder said "It's a very nice group." ■

Simple Little Detail expands to Sayville

Craft and boutique goods store opens

BY CONNOR PATTON

The Bellport-based custom woodworking and home decor store, Simple Little Detail, is opening a new location in Sayville, with a focus on apparel and decorations for every season.

Simple Little Detail Off Main soft-launched two weeks ago at 22 Railroad Avenue in Sayville, giving both new and loyal customers a sneak-preview at the store's new merchandise, and is fully opening this weekend.

Danielle DeMelfi, who owns Simple Little Detail Off Main with her husband Dan, said the new Sayville location will focus more on the store's clothing and take-home decor offerings, while their current location in the Bellport Outlets will feature more of their custom wood furniture.

"We'll keep our popular stuff in both stores, but we're trying to keep this store different than the other," Danielle DeMelfi said. "So you want to still shop at both of them."

Some of those popular items include seasonal house decor, like bell ornaments, candy, and Amish crafts arriving later this month. At Simple Little Detail Off Main in Sayville, items already trending include holiday pillows reading "Santa Claus is Coming to…" followed by neighborhoods like Sayville, West Sayville, and Oakdale.

Fall-themed decorations like table-top turkey statues, pumpkin-shaped dishes, and mugs reading "Cozy sweater weather," are also neatly curated on display tables throughout the store.

Apparel including Melie Bianco handbags and shirts from brands like Bluivy and SugarLips are also beginning to line the racks towards the back of the store, which has two dressing rooms. Another display room in the back is also being curated.

Opening a new location in a walkable downtown, where she can grab lunch next door and be present for community events, is a happy change for Danielle DeMelfi.

"I love the whole town," Danielle DeMelfi said about opening in Sayville. "This has been my dream, because once I hit Sayville, I knew that I was where I wanted to be."

DeMelfi then joked she's already eyeing the next downtown to expand to. Local businesses are just as happy to welcome the new home decor store, as DeMelfi is to join them.

"The Greater Sayville Chamber is so excited to welcome Danielle and Simple Little Detail Off Main as one of our newest members on Railroad Avenue!" said Eileen Tyznar, administrator/president emeritus of the Greater Sayville Chamber of Commerce. "The craftsmanship, unique decor pieces, and friendly in-person shopping experience will surely be a great addition to the Downtown Sayville area."

Simple Little Detail began purely as a craft business in Mastic after Danielle DeMelfi asked her husband Dan to build her a table.

"Then a couple of customers saw that and started asking us to refinish or add a bench or build an actual table, and that just kind of took off," Danielle DeMelfi said.

Dan DeMelfi started refinishing kitchens and cabinets and the store moved to Brookhaven Hamlet, where they still operate workshops, and the Bellport Outlet Stores.

"As we went in, the clothes came in, the jewelry, the bags, the decor," Danielle DeMelfi said. "It all started trickling in [at] different times because we wanted to be able to offer our customers everything, kind of like a one-stop shop."

At Simple Little Detail Off Main, merchandise will always be rolling, with new items for each season. Keeping things different, while maintaining popular items, and delivering unique hand-crafted furniture has helped Simple Little Detail build a devoted customer base, with over 23,000 followers on Facebook, and 7,000 on Instagram. And the store is already making new fans, who perused the store during its soft-launch.

"The community's been very excited and welcoming," DeMelfi said.

Simple Little Detail Off Main will be open Mondays through Saturdays from 10:30am to 6pm, and Sundays tentatively from 11am to 5pm. ■

Local Emergency Order:
Allowing the County to Quickly Respond to the Potential Arrival of Asylum Seekers

I, Edward P. Romaine, Suffolk County Executive, in accordance with a Proclamation of a Local State of Emergency issued on January 1, 2026, January 30, 2026, February 27, 2026, March 27, 2026, April 24, 2026, May 22, 2026, June 18, 2026, July 17, 2026, August 14, 2026, September 11, 2026 and October 9, 2026 do hereby find and order as follows:

Whereas, on August 2, 2021 the Federal Government issued an Order pursuant to 42 U.S.C. secs. 362 and 365 (the "Title 42 Order") prohibiting migration into the United States by "covered noncitizens" traveling from Canada or Mexico; and

Whereas, the Title 42 Order expired on May 11, 2023 and upon its expiration, an anticipated surge of migration into the United States commenced resulting with the imminent arrival of individuals into New York State at an increased rate; and

Whereas, Suffolk County recognizes that the anticipated uncoordinated moving of people into the County of Suffolk will result in a severe housing crisis as a result of the limited number of temporary and permanent housing available in the County.

Now, therefore, I, Edward P. Romaine, Suffolk County Executive by the power vested in me by the Suffolk County Charter and the Laws of the State of New York and pursuant to Section 24 of Article 2-B of the New York State Executive Law, do hereby temporarily suspend or modify any statute, local law, resolution, order, rule or regulation or parts thereof, if compliance with such statute, local law, resolution, order, rule or regulation would prevent, hinder or delay action necessary to assist, aid or cope with the aforementioned State of Emergency, and I hereby order the following:

A. The formation of an intergovernmental team (the "intergovernmental team") that includes the Chief Deputy County Executive, which shall coordinate to assist in meeting the needs of the County as a result of any potential housing crisis in the County.

B. All County Departments are required to work with the County Executive's office to effectuate any emergency measures that need to be addressed as a result of this Order.

C. No hotel, motel, owner of a multiple dwelling, or shelter in Suffolk County is permitted to contract or otherwise engage in business with any other municipality (an "external municipality") for the purpose of providing housing or accommodations for asylum seekers without the permission or coordination of Suffolk County. This prohibition extends to any person or entity participating in an external municipality's government program, or a contract or service funded by an external municipality or acting on behalf of any external municipality or the State of New York.

D. In order to effectuate Suffolk County's role in this emergency, all procurement policies for the purchase of equipment, supplies or contracts, relating to this emergency, are suspended, specifically: Suffolk County Code Chapters 1065 and 189; Article IV sections A 4-13 and 14; Article V section A5-1; Charter section C5-2 (C) and (L); and Section A5-8, Chap. 575, Chap. 803, Chap. 353 and Local Law 41-2013 to the extent that they require execution of documentation of compliance; and all related procurement laws, rules, and regulations required to comply with this Emergency Order.

E. Regardless of any other remedy or relief brought by the County for any violation, the County Executive is authorized to direct the County Attorney to commence actions or proceedings in the name of the County, in a court of competent jurisdiction, to abate any violation of, or to enforce any provision of this Emergency Order.

F. Remedies Not Exclusive.

a. No remedy or penalty specified in this Emergency Order shall be the exclusive remedy or remedy available to address any violation described in this Executive Order.

b. Each remedy or penalty specified in the Emergency Order shall be in addition to, and not in substitution for or limitation of, the other remedies or penalties specified in this Emergency Order or in any other applicable law.

c. Any remedy or penalty specified in this section may be pursued at any time, whether prior to, simultaneously with, or after the pursuit of any other remedy or penalty specified in the Emergency Order or in any other applicable law.

This Executive Order shall take effect immediately.

And I further order, that all Suffolk County Departments, Agencies, and Divisions or other duly authorized law enforcement agencies take whatever steps are necessary to assist in performing such emergency measures as deemed necessary; and further order that

Local Emergency Order:
Allowing the County to Quickly Respond to the Potential Arrival of Asylum Seekers

I, Edward P. Romaine, Suffolk County Executive, in accordance with a Proclamation of a Local State of Emergency issued on January 1, 2026, January 30, 2026, February 27, 2026, March 27, 2026, April 24, 2026, May 22, 2026, June 18, 2026, July 17, 2026, August 14, 2026, September 11, 2026 and October 9, 2026 do hereby find and order as follows:

Whereas, on August 2, 2021 the Federal Government issued an Order pursuant to 42 U.S.C. secs. 362 and 365 (the "Title 42 Order") prohibiting migration into the United States by "covered noncitizens" traveling from Canada or Mexico; and

Whereas, the Title 42 Order expired on May 11, 2023 and upon its expiration, an anticipated surge of migration into the United States commenced resulting with the imminent arrival of individuals into New York State at an increased rate; and

Whereas, Suffolk County recognizes that the anticipated uncoordinated moving of people into the County of Suffolk will result in a severe housing crisis as a result of the limited number of temporary and permanent housing available in the County.

Now, therefore, I, Edward P. Romaine, Suffolk County Executive by the power vested in me by the Suffolk County Charter and the Laws of the State of New York and pursuant to Section 24 of Article 2-B of the New York State Executive Law, do hereby temporarily suspend or modify any statute, local law, resolution, order, rule or regulation or parts thereof, if compliance with such statute, local law, resolution, order, rule or regulation would prevent, hinder or delay action necessary to assist, aid or cope with the aforementioned State of Emergency, and I hereby order the following:

A. The formation of an intergovernmental team (the "intergovernmental team") that includes the Chief Deputy County Executive, which shall coordinate to assist in meeting the needs of the County as a result of any potential housing crisis in the County.

B. All County Departments are required to work with the County Executive's office to effectuate any emergency measures that need to be addressed as a result of this Order.

C. No hotel, motel, owner of a multiple dwelling, or shelter in Suffolk County is permitted to contract or otherwise engage in business with any other municipality (an "external municipality") for the purpose of providing housing or accommodations for asylum seekers without the permission or coordination of Suffolk County. This prohibition extends to any person or entity participating in an external municipality's government program, or a contract or service funded by an external municipality or acting on behalf of any external municipality or the State of New York.

D. In order to effectuate Suffolk County's role in this emergency, all procurement policies for the purchase of equipment, supplies or contracts, relating to this emergency, are suspended, specifically: Suffolk County Code Chapters 1065 and 189; Article IV sections A 4-13 and 14; Article V section A5-1; Charter section C5-2 (C) and (L); and Section A5-8, Chap. 575, Chap. 803, Chap. 353 and Local Law 41-2013 to the extent that they require execution of documentation of compliance; and all related procurement laws, rules, and regulations required to comply with this Emergency Order.

E. Regardless of any other remedy or relief brought by the County for any violation, the County Executive is authorized to direct the County Attorney to commence actions or proceedings in the name of the County, in a court of competent jurisdiction, to abate any violation of, or to enforce any provision of this Emergency Order.

F. Remedies Not Exclusive.

a. No remedy or penalty specified in this Emergency Order shall be the exclusive remedy or remedy available to address any violation described in this Executive Order.
b. Each remedy or penalty specified in the Emergency Order shall be in addition to, and not in substitution for or limitation of, the other remedies or penalties specified in this Emergency Order or in any other applicable law.
c. Any remedy or penalty specified in this section may be pursued at any time, whether prior to, simultaneously with, or after the pursuit of any other remedy or penalty specified in the Emergency Order or in any other applicable law.
d. In particular, but not by way of limitation, each remedy and penalty specified in this section shall be in addition to, and not in substitution for or limitation of, the penalties specified in New York Executive Law Section 24, and any remedy or penalty specified in this section may be pursued at any time, whether prior to, simultaneously with, or after the pursuit of any penalty specified in New York Executive Law Section 24.

G. Effective Date

This Executive Order shall take effect immediately.

And I further order, that all Suffolk County Departments, Agencies, and Divisions or other duly authorized law enforcement agencies take whatever steps are necessary to assist in performing such emergency measures as deemed necessary; and further order that

This order shall cease to be in effect five (5) days after promulgation or upon declaration by the County Executive that the state of emergency no longer exists, whichever occurs sooner. The County Executive nevertheless, may extend such orders for additional periods not to exceed five (5) days each during the pendency of the local state of emergency. Failure to obey this order is a criminal offense, punishable by law under New York State Executive Law § 24(5).

Phantoms repeat as girls volleyball county champions

BY TONY BELLISSIMO

Two sets into the Suffolk Class B girls volleyball championship match, Bayport-Blue Point found itself in a deadlock against a Shoreham-Wading River team it swept twice during the regular season.

First-year coach Angelina Scichilone brought the Phantoms into the hallway outside the Hauppauge High School gym on Oct. 27 before a pivotal third set with a clear message.

"I told them we were in a dogfight and to stick to the game plan," Scichilone said. "The fact we beat them in three twice during the season didn't mean anything. There are so many upsets in playoffs. The stakes are much higher and it was going to come down to who wants it more. We took our foot off the gas a little, but the girls realized it was go time."

Top-seeded BBP grinded out a long third set to regain momentum on the way to repeating as county champions, 25-16, 20-25, 28-26, 25-18. Junior Amelia Garafola had 12 kills and senior Kelsey Morrison (20) and junior Morgan McKillop combined for 38 assists as the Phantoms advanced to the Long Island Class B championship against the Nassau County representative on Nov. 11 at Nassau Community College.

"We have eight seniors and they all get along great on and off the court," Scichilone said. "We hadn't played in over a week and a half, but we scrimmaged Sachem East and Smithtown East to maintain that competitiveness."

The pivotal third set saw the Phantoms (13-2) race to a 15-9 lead before the Wildcats clawed back with six straight points to tie it. "It was back and forth after that," Scichilone said. "We needed to dig deep and close it out and bring it home."

A Shayleigh Robson kill ended the third-set nailbiter and Bayport opened the fourth set by scoring eight of the first nine points. The lead swelled to 22-12 and the celebration was soon on.

Robson, a middle hitter/blocker, and Morrison, a setter, are fourth-year members of the varsity squad. "They're the backbones," Scichilone said. "Shayleigh missed last year's county final, so she really wanted to make an impact. She's the one teams plan to defend against, but it doesn't stop her. She always finds an open spot on the floor.

"Kelsey plays two important roles for us as a setter in the back row and the right side in the front row," she added. "She has amazing court awareness and is always communicating."

McKillop progressed tremendously since September, the coach noted, to emerge as a strong setter alongside Morrison. Junior Gabrielle Lacalamita is a force in the middle next to Robson and had some key points against Shoreham. Senior Abigail Fuller is an offensive weapon on the right side, whilst senior Olivia Colombo and Garafola are talented outside hitters.

As she has all season long, senior libero Lexi Hager led Bayport's defense in the county final with 28 digs. Another key defensive specialist is senior Sarah Benedict. "Lexi gets to everything," Scichilone said of Hager. "She puts her body 100 percent on the line and she's our primary serve receiver." ■

Sayville vs. Elwood-John Glenn

BY JORDAN STANKOVICH

Sayville remains undaunted in their 2026 campaign after a shutout on the road over Elwood-John Glenn. The visitors cemented an 8-0 regular season record after a 34-0 win. Colin Darling caught a 14-yard touchdown strike from Frankie Hanley, Jackson Schmidt lassoed a laser for 25 yards for six points, Rob Hoss seized a 40-yard toss into the end zone, Darling snatched a Hanley pass and took it 54 yards for a catch and run touchdown, and Ryan Batterberry darted 31 yards for a score. Hanley went seven out of 11 for 183 yards in the air and four touchdown passes. Connor Batterberry carried the ball nine times for 66 yards. Matthew Damone netted four PATs. Darling had four receptions for 90 yards and Schmidt reeled in three passes totaling 53 yards. The defense was tough as nails. Saad Abid made 10 tackles while Hoss collected eight—two for a loss of yards—and Jake Esposito made an interception. Tomorrow night (Nov. 6) at 6 p.m., the postseason begins. Sayville (8-0) will host Kings Park (5-3) for the Suffolk County Section XI Division IV quarterfinals in their quest for another championship at Timothy J. Henck Field on Greeley Avenue. ■

Sayville vs. Kings Park

BY JORDAN STANKOVICH

The Sayville Golden Flashes hosted the Kings Park Kingsmen in the seventh game of the season at home on a Friday Night Lights contest on Greeley Avenue. One minute and 54 seconds, into the game Connor Batterberry shuffled 30 yards down the field for the opening score. After the extra point attempt was muffed by Sayville, Rob Hoss nabbed the ball and hustled into the end zone to convert a 2-point conversion and it was 8-0.

The flashes struck again in the first quarter when Frankie Hanley threw a 61-yard bomb over the middle to Colin Darling, who made the catch and galloped downfield and into the end zone for a half dozen, ensued by a PAT by Matthew Damone and it was 15-0. Up 15-6 in the second frame, Hanley pelted a pass to the end zone to Jake Arato, who made a sliding acrobatic catch to elevate Sayville's lead. Afterwards, Rob Hoss dashed for another rushing 2-point conversion and it was 23-6 at the 5:35 mark of the second quarter. Gavin Moyer scored a rushing touchdown for Kings Park and it was 23-12. Batterberry scurried almost half the length of a football field for 49 yards to set up another score for the dynamic duo of Hanley and Darling. Hanley lobbed a 31-yard touchdown pass into the arms of Darling, subsequently followed by a Damone PAT and it was 30-12 with two minutes to go in the second quarter.

That score was upheld at halftime, then three more touchdowns came from Sayville in the third quarter: an 18-yard touchdown toss from Hanley to Hoss, a 75-yard touchdown run by Batterberry, and a 19-yard run for a score by James Coan. The final score was Sayville 50, Kings Park 12. Hanley was eight out of 14 for 208 passing yards and four touchdown passes. Batterberry had 198 yards and two touchdowns on 10 carries. Darling made five receptions for 166 yards and two touchdowns. ■
