We are returning two state place-winners in seniors Grady Fey and Chase McGillivary. We have a group of hard-working kids that are pursuing to join their company. We will have a few opens in our lineup and may not be the best dual team, but our goal is to have as many state place winners as possible come February.

BEST OF LUCK

to ALL area sports athletes!

The RHS girls basketball team is coming off a 10-11 last year record that will be looking to replace 6 seniors. Kate Rozell and Chloe Zens are returning players from last year that will lead the younger players and help them thru the tough times.

What will it take for the Pheasants to be successful this season? In talking to coach Gregg, ball security and defense will be major factors for their success. "We will really need to take care of the basketball, there will probably be a learning curve there. But we have a couple of players we feel can do a good job there" said Coach Gregg. The Pheasants will rely on their defensive to keep them in ball games with their tough schedule this season.

The Lady Pheasants are excited to get into a game schedule that will be challenging at times. But it will prepare them for postseason play.

GOOD LUCK

to the Redfield Pheasants this winter sports season.

The Redfield Pheasants this year have one returning starter in Justin Ratigan and four returning lettermen with Tristen O'Daniel, Elijah Morrissette, Seth Domke and Ethan Falk. Losing four starters from last years team has left us with looking for players to step into some new roles. We will be extremely young this year off the bench and will need to learn quickly.

BEST OF LUCK TO ALL AREA TEAMS!

With a record last year of 8 wins and 14 losses and a postseason Region 1B win over the Britton-Hecla Braves and then a loss to the Warner Monarchs, the Lady Patriots are looking forward to being very competitive this year. The returning players have the much-needed varsity experience and will help provide depth to the team.

Returning starters for the Pat's include two juniors (Katelyn Schroeder—guard and Isabel Gilbert—center) and two sophomores (Cambree Hoekman—point guard and Gracyn Bixler—guard). Rebecca Huizenga, sophomore forward, missed most of last season due to injury but is ready to go for this season.

Other returning players include senior captain, Rachel Huizenga, Emma Schneider, Regan Lutter, Emmerie Arthurs and Jocelyn Wagner.

The Patriots will play a very competitive schedule this year and it's important that they stay healthy and continue to improve so that they are at their best for the post season.

The Patriots are looking forward to this season. We have 3 returning senior starters this season: Brendan Nowell, Jackson Maynard, and Erik Salmen. We will then look to some younger guys to fill the remaining spots. Patrick Maynard and Devin Enander will look to earn a spot-on varsity this season and look forward to big things from them. We have several other players that will be looked at to step up and provide a balanced team: Blaze Binger, Mason Tschetter, Cameron Noethlich, Mikael Nielson, Briggs LaBrie, Logan LaBrie, Kaiden Weinreis, Preston Wipf, Morgon Bottum, Tristan Nowell, and Deegan Moes to name a few.

Strengths for the Patriots will be our senior leadership, scoring, and athletic talent/speed. Weaknesses will be some inexperience, size, and our defense will need to improve.

Overall, in our conference we hope to compete for our 1st conference title since 2010. In our Region, we were 1 game away last season from the SoDak 16 and we hope to be in the chase for that again this year.

GOOD LUCK

to the
Hitchcock/Tulare Patriots
this winter sports season.

We also have five new players---Ty Boekelheide, Broden DeYoung, Brecken Halvorson, Austin Nash, and Eli Miller.

Although we may lack height, the roster compensates with a dynamic blend of quickness and speed. The team's playing style is set to be characterized by a scrappy and fast-paced approach.
