**FRESH** fruits and vegetables don't have to be expensive if you buy them in season and many are in season year round. To learn more, visit [www.sdharvestofthemonth.com](http://www.sdharvestofthemonth.com)

**FROZEN** fruits and vegetables are packed and frozen within hours of harvest, so they don't lose their flavor or nutritional value. Try steaming vegetables in the microwave or stovetop rather than boiling to keep in more nutrients.

**CANNED** fruits and vegetables often get a bad rap but they are still nutritious. Choose 100% fruit juice with no added sugar and vegetables with no sale added. Remember to drain the water, juice, or syrup and rinse with water to help remove some of the extra sugar and salt.

Alfonso Ribeiro hosts "A Capitol Fourth"

# Fourth-coming TV: NBC, PBS present premium Fourth of July entertainment

This Fourth of July, TV viewers can enjoy countless hours of patriotic entertainment, ranging from unique, televised festivals to special episodes of favorite TV shows and major Hollywood films — we're looking at you "Independence Day" (1996) — across several networks. Among the most notable view-from-home programs are Macy's Fourth of July Fireworks Spectacular on NBC and PBS's "A Capitol Fourth," which airs from the nation's capital, Washington, D.C. As the events broadcast nationwide, however, please be sure to check your local listings for times and any additional information or local events.

This year, the Macy's Fourth of July Fireworks Spectacular airs live from New York City's East River on NBC and its streaming platform, Peacock. The 47th celebration of its kind, the event coordinators have promised "serious star power, electrifying performances and heart-pounding pyrotechnics." While the complete list of stars taking part in the event has yet to be announced as of press time, significant information has been shared regarding the musical score and performance, presided over by musical director Ray Chew (whose credits include "Showtime at the Apollo," "American Idol," "Dancing With the Stars" and more).

"I am thrilled to be back to compose the fireworks score for the Macy's team and NBC," Chew said in a statement. "This year, we will recognize trailblazers as we celebrate our country's independence through the voices of young people."

Helping Chew to realize his vision for the score is the U.S. Army Field Band, accompanied by Sgt. First Class Kyra Dorn's "incredibly soulful vocals" for "God Bless America" and other well-known pieces. Additionally, rappers, R&B artists and fellow Staff Sgts. Nicholas Feemster and Lamar Riddick take to the mic for a heartfelt rendition of "Sea to Shining Sea."

For those in or close to Manhattan and who wish to be a part of the three million or more at-

tendees this year, the Macy's Spectacular is a free event, and more information — including the full list of artists, celebrities and performers, once announced — can be found online at [Macy.com/fireworks](http://Macy.com/fireworks).

Over on PBS, meanwhile, a party kicks off in the nation's capital. Airing live (and in replay) from the Capitol in Washington, D.C., this year's "A Capitol Fourth" is hosted by Alfonso Ribeiro ("The Fresh Prince of Bel-Air") and is sponsored by Boeing.

The biggest draw of this event is without a doubt the concerts, which are open to on-site attendees and broadcast crews all night on the grounds' West Lawn. The full list of performers can be found at [PBS.org/a-capitol-fourth](http://PBS.org/a-capitol-fourth).

Of course, no Fourth of July celebration is complete without special recognition of the armed forces. "A Capitol Fourth" 2023 is proud to welcome the Military District of Washington, the United States Army Band "Perishing's Own," The U.S. Army Herald Trumpets and the United States Presidential Salute Battery.

For those who wish to prepare for the big day with music, festive recipes and patriotic decorations, PBS has you covered for that, too. Curious Americans can find all of the above — including a 57-song pre-show playlist, 24 mouth-watering recipes, six July Fourth-themed games and a curio of inspired decorations ideas — at [PBS.com/a-capitol-fourth](http://PBS.com/a-capitol-fourth).

Whatever your plans this Fourth of July, don't let the party pass you by. (Even if you happen to be more inclined to audio entertainment, ABC News Radio presents a three-hour Independence Day special on "Press Play" with Jason Nathanson. Find out more at [ABCAudio.com/pressplay23](http://ABCAudio.com/pressplay23).)

Let the fun begin and don't miss Macy's Fourth of July Fireworks Spectacular and "A Capitol Fourth," airing Tuesday, July 4, on NBC and PBS, respectively.

**celebrity scoop**  
BY JAY BOBBIN

Alfonso Ribeiro specializes in presenting high-spirited and good-natured television, and "A Capitol Fourth" fits that bill for him.

For the first time, the "America's Funniest Home Videos" and "Dancing With the Stars" host presides over PBS' celebration of Independence Day on Tuesday, July 4 (check local listings), as the program of music, fireworks and fun originates as usual from the West Lawn of the U.S. Capitol in Washington, D.C.

The 43rd annual edition's scheduled roster of musical talent includes Chicago, Boyz II Men, Babyface, Belinda Carlisle, opera great Renee Fleming, country music's Charles Esten and Maddie & Tae, the cast of Broadway's "The Neil Diamond Musical: A Beautiful Noise," the Northwell Health Nurse Choir, and the National Symphony Orchestra (conducted by Jack Everly).

"When they asked, I was like, 'I'm all in, I would love to do it,' the friendly Ribeiro says. "It's one of the most patriotic shows of the year. On the Fourth of July, my family and I always have a great time; we love celebrating it, and to be able to celebrate it with America on what will be the country's 247th birthday is pretty special. I'm really looking forward to it."

"A great list of people has done it," Ribeiro notes of the special's history, "and it feels like something that's very much at home for me. I know a few people who also will be on that stage (such as Boyz II Men and Babyface), and hopefully, I'll get to do this for many years."

Indeed, in this year or any other, Ribeiro likes what "A Capitol Fourth" represents: "It's such an interesting time in our country, and the idea of things that

bring us together — not looking at one side or the other, but looking at the whole country and being patriotic and supportive — really means a lot to me. It is a day of celebrating all of us."
