# CAROL BURNETT

90 YEARS OF LAUGHTER + LOVE

CAROL BURNETT  
90 YEARS OF LAUGHTER + LOVE

CAROL BURNETT  
90 YEARS OF LAUGHTER + LOVE

The new special "Carol Burnett: 90 Years of Laughter + Love" airs Wednesday on NBC.

## Carol Burnett marks a big birthday with NBC special

For anyone who's ever thought Carol Burnett's birthday should be a national event, now it is.

One way in which the much-beloved comedy icon will spend her special day Wednesday, April 26, is "Carol Burnett: 90 Years of Laughter + Love," NBC's new all-star celebration of her. The show will be filled with tributes from many of her friends and peers, including Dame Julie Andrews and former "Carol Burnett Show" cohorts Vicki Lawrence and costumer Bob Mackie ... as well as Cher, Lily Tomlin, Ellen DeGeneres, Steve Carell, Amy Poehler, Aileen Quinn ("Annie") and Bill Hader (to whom Burnett learned she is related on PBS' "Finding Your Roots With Henry Louis Gates, Jr." recently).

Additional guests including Katy Perry, Bernadette Peters, Kristin Chenoweth, Billy Porter and Jane Lynch perform musical segments during the show, each commemorating a significant part of Burnett's career. Among those are Burnett's portrayal of Miss Hannigan in the 1982 film of "Annie," and her trademark singing of "I'm So Glad We Had This Time Together" (complete with ear-tug message to her grandmother) at the end of each episode of "The Carol Burnett Show."

"It was quite a night," six-time Primetime Emmy Award winner Burnett says of the March taping of the program. "I'm still kind of reeling from

it. It's not a roast or a birthday party, it's really a variety show. A lot of my dear friends were there, and my 'chum' Julie Andrews was by my side the whole evening; she lives back East, and she flew out just for this. I was totally gob-smacked, I have to say!"

Burnett also has a Tony, a Grammy, a Mark Twain Prize for American Humor, a Presidential Medal of Freedom and a Screen Actors Guild Life Achievement Award among her many other accolades. Additionally, she has seven Golden Globe Awards, and that ceremony named an honor after her for contributions to television; appropriately, she was its first recipient.

The Burnett birthday event is, she reflects, "really a retrospective of everything I've ever done, practically, starting way back with my almost-first television appearance ... on 'Omnibus.' Then, (the special) covers 'The Garry Moore Show' when I was a regular on that, and movies that I've done, and TV appearances other than my own show. But, of course, 'The Carol Burnett Show' is in there, too."

Expect the late Harvey Korman, Tim Conway and Lyle Waggoner to be seen bountifully in "Carol Burnett Show" clips during the NBC special, but there will be no doubt who the evening's central talent is. And just as it's been for so many years, those physically near her – as well as those watching at home – will be so glad still to be in her orbit.

Checking in with  
MISSY PEREGRYM

With as much work and scheduling as the recent crossover among the "FBI" shows entailed, Missy Peregrym is grateful it didn't come earlier in this television season.

The actress returned to the parent drama in CBS' Tuesday lineup last fall after taking a maternity leave for the birth of her second child, daughter Mela. Peregrym admits that balancing her professional and parental lives is a work in progress as she continues to play Special Agent Maggie Bell on the Dick Wolf-produced series (which is slated to air its 100th episode as its fifth-season finale May 23).

"I'm so blessed to be able to bring her to work with me," the friendly Peregrym says of her youngest child, adding that she hasn't brought her to the set as much lately. "It's very difficult to be a mom and have this huge responsibility for another human being, and also come to work and put out all these little fires around you all day. My head is so full."

Indeed, Peregrym details her current checklist: "I'm buying clothes for the kids, I'm feeding them, I'm sorting out child care, I'm going to work, I'm having meetings, I'm acting ... it's just what the job is."

If anything, "FBI" literally keeps Peregrym in shape for all of her duties, given how frequently the show sends Maggie and her

partner OA (Zeeko Zaki) running through New York in pursuit of fleeing suspects.

"That feels so good," Peregrym attests, "not to have to worry about a child (in those moments) and just to be able to run. I'm happy to continue getting stronger and feeling really good in my own body again."

**Birthdate:** June 16, 1982

**Birthplace:** Montreal

**Current residence:** New York

**Marital status:** Married to Australian actor and producer Tom Oakley; they have two children, son Otis and daughter Mela

**Other television credits include:** "FBI: Most Wanted," "Van Helsing," "Ten Days in the Valley," "The Night Shift," "Saving Hope," "Law & Order: Special Victims Unit," "Hawaii Five-0," "Motive," "Cybergeddon," "Rookie Blue," "Reaper," "Heroes," "Life As We Know It," "Call Me: The Rise and Fall of Heidi Fleiss," "Andromeda," "Smallville," "Tru Calling," "Jake 2.0," "Black Sash," "The Chris Isaak Show," "Dark Angel"

**Rose Williams stars in "Sanditon on Masterpiece" Sunday on PBS (check local listings).**

# tonight's picks

## Home Town Takeover

**(33) 7 p.m.**

Congratulations are in order for Fort Morgan, Colo., as the town is getting a visit from two popular home renovation duos and small-town aficionados — Ben and Erin Napier of "Home Town" and Dave and Jenny Marrs of "Fixer to Fabulous." The powerhouse duos bring with them 10 all-star HGTV and Food Network talents to help complete 18 renovation projects across homes, local businesses and public spaces in the Season 2 premiere episode "Meet Fort Morgan." The goal of the renovations is to catapult the town into new beginnings.

## Sanditon on Masterpiece

**(8) 8 p.m.**

The British period drama concludes tonight. In this series finale, Charlotte (Rose Williams) wants to tell Colbourne (Ben Lloyd-Hughes) the truth about her feelings but a revelation stops her in her tracks. Meanwhile, Georgiana fears she's been abandoned.

## Fix My Frankenhouse

**(33) 8 p.m.**

In this new series, the Boston-based husband-and-wife renovation team, Mike and Denese Butler, design and construct fresh, cohesive floor plans for historical houses once filled with

wonky layouts, misplaced staircases and maze-like hallways.

## Somebody Somewhere

**(401) 9:35 p.m.**

Families can be hard, even the fun ones. And while Sam (Bridget Everett) and Joel (Jeff Hiller) have settled into a routine, nothing stays the same forever in this Season 2 premiere opener. The show follows Sam, who is struggling to fit the hometown mold. Singing is her saving grace and leads her on a journey to discover herself and a community of outsiders who don't fit in but don't give up, proving that finding your people, and finding your voice, is possible.
