DEX construction underway

Huron, SD –Construction on the DEX: Dakota Events CompleX has begun on the South Dakota State Fairgrounds. The Open Class Sheep Barn was demolished in April and construction has begun to replace the water main and storm sewer down Livestock Avenue from Grandstand Way south to 2nd Street.

Due to construction activities Livestock Avenue and Gate 4 are closed to traffic. Visitors can access the fairgrounds buildings

using Flag Avenue.

The Open Class Sheep Barn was demolished in partnership with Advanced Sunflower who salvaged most of the materials. Built in the early 1950s, over 65 years of world class sheep shows have taken place creating lifelong memories for participants. Generations of South Dakotans have shown in this facility. To make sure the camaraderie, world class shows, and celebrations carry on for generations

to come, a task force of sheep industry and fair representatives has been meeting to formulate a plan for what type of facility will be needed to showcase the fair's world class sheep exhibitors and their breeds.

The DEX is the new multipurpose livestock and equestrian facility replacing the Open Class Beef Complex destroyed by fire in 2020.

The 150,000 square-foot facility will be able to house two, full-sized

equestrian arenas, or 1,700 plus cattle stalls and seat up to 5,000 people. The facility will be heated for year-round usage and include a ventilation system to ensure proper air movement. Additionally, to create a positive experience for livestock shows and equestrian events, adequate electrical drops and a variety of access points for water, including water drops throughout the building, will be available.

The DEX will have a

pre-function and concession area with restrooms. Future plans also include an enclosable, heated wash rack connected to the DEX.

Project renderings are available at <https://www.sdstatefairfoundation.com/>.

Henry Carlson, a Sioux Falls based company, was selected as the construction manager for the project. The prefabricated metal building was ordered in September, with several of the remaining

components being bid out in March. While the project has been impacted by increases in construction material costs, as well as delays in construction materials, substantial completion is still on target for June 2023. The DEX construction costs are estimated at \$24.6 million.

Due to the demolition of the Open Class Sheep Barn and construction of the DEX, t

DOLAND GOLFERS AT WESSINGTON SPRINGS ON MAY 3RD

By Deb Leesch
At the Conference Meet held in Wessington Springs on May 3rd , the Doland Boys Varsity and Girls Jr. High teams placed the following:
Varsity Boys: Briggs

LaBrie—1st, and Teagan Mason---7th
Jr. High Girls: Olivia Knox---1st, and Gracelynn Decker--3rd
The Jr. High is scheduled to be in Faulkton on May 9th and DeSmet

on May 10th if weather permits. The Varsity team will be at Watertown on the 16th for Pre-Region and at Broadland Creek in Huron on the 17th.

Above, left, Doland Jr. High Boys golf finishers at Fisher Grove Invite: 1st Briggs LaBrie, 2nd Kaiden Weinreis, 3rd Deegan Moes, 4th Jake Wipf and 7th Derek Johnson. Above, middle, Doland Jr. High Girls golf placers at Fisher Grove Invite:-Olivia Knox, 1st place and Gracelynn Decker, 3rd place. Above, right, JV Doland Boys at FGCC on May 5th: Mason Tschetter 4th , and Matthew Hofer 2nd.

REDFIELD PHEASANT GIRLS GOLF TEAM

Redfield Girls Golf: Cecelia Suchor, Marie Weller, Addy Evans and Amelia Sjurseth.

By Deb Leesch
The golf season for the Pheasant girls team has started off “under the weather” in that the first two meets of the season were cancelled due to weather conditions. The first meet for the Pheasants was the Pheasant Invite held at Fisher Grove Country Club on April 28th.

At the Pheasant Invite,

the lead golfer for the Pheasants was Addy Evans with a 114, followed by Marie Weller with a 138 and Cecelia Suchor shot a 146. The nine hole score for the middle school golfer from Redfield was a 82 for Amelia Sjurseth.

The second meet for the girls was the Roncalli Invite held in Aberdeen on

May 5th. Claire Crawford of Roncalli was the lead golfer---she shot a 93. For the Pheasants Addy Evans had a 116 followed by Marie Weller with a 131 and Cecelia Suchor shot a 138.

This week, the Groton Invite was moved from Monday to Tuesday and at this time the Madison Invitational is still on for Thursday, the 12th.

DEX CONSTRUCTION/ from pg.3

The 2022 Open Class Sheep and Beef Shows will be relocated to the 4-H Livestock Complex.

The project is being funded through a state – private partnership with the state contributing \$16

million. Private support for the DEX has been outstanding with over \$6 million pledged to date.

However, the fundraising effort continues to help offset increased construction costs and ensure the facility has every amenity in place to hit the ground running in 2023. There are still many great donor opportunities available including interior naming rights and donor wall recognition. In addition, livestock producers can

leave their legacy by having their brand on display at the DEX brand wall. The brand wall will be in a highly visible area that can be enjoyed year-round by DEX visitors. If you are interested in participating, please contact the SD State Fair Foundation at 605.353.7340. If you would like to learn more about the DEX or

are interested in contributing to the project, please visit <https://www.sdstatefairfoundation.com/>. For information about the South Dakota State Fair, contact the Fair office at 800-529-0900, visit www.sdstatefair.com or find them on Facebook, Instagram, and Twitter.

This week's area sports section is brought to you in part by the following Sports Boosters from Redfield.

Board adopts new content standards in several subject areas

RAPID CITY, S.D. – The South Dakota Board of Education Standards adopted new academic content standards in the following subject areas at its meeting today:

- Fine arts
- Career and technical education: Agriculture, Food, and Natural Resources; Arts, Audio/Video Technology, and Communication; Finance; Health

Science; Human Services; and Manufacturing
 Content standards provide the expectations for what students should know and be able to do in various subject areas.
 State law requires that the Board of Education Standards review academic content standards on a cyclical basis. In addition, the board is required to host four public hearings as part

of the standards review process. Today's standards adoption came after the conclusion of the fourth public hearing on these content standards. Following standards adoption by the state board, school districts work to make sure that their local curriculum and instructional materials align to these state-set expectations for student learning.
