HHS FFA Chapter

The Huron FFA Chapter, like all other clubs/organizations, had a very interesting and busy year. Last spring during the pandemic, they held their May meeting virtually. At this meeting they announced officers for the 2020-21 year.

They are President Bree Gose; Vice-President Brooklyn Boetel; Vice-President Elle Hoops; Vice-President Danci Dunkelberger; Vice-President Jazz McGirr and Secretary Lisa Engelhart. They also had an officer at-large, Leah Pyle, who was also a major part of leading the chapter. This group of young ladies did an outstanding job of leading the chapter through this crazy year.

This year they had five senior FFA members that received the State FFA Degree. This is the highest award that can be given to an FFA member at the high school level. All five of the Huron FFA Seniors met the qualifications to receive this award. They are Brooklyn Boetel, Danci Dunkelberger, Bree Gose, Elle Hoops, and Leah Pyle.

Last year, they were not able to have an in-person State FFA Convention. This year the S.D. State FFA Convention was held in person in Rapid City. This is the first time ever that the State Convention was held outside of Brookings and the campus of SDSU. Each of the Judging Teams had to qualify in order to compete at the State Convention this year. They had three Career Development Event teams qualify to compete at State: the Horse CDE Team, Floriculture CDE Team and Vet Science CDE Team. The following are team members:

- Horse: Brooklyn Boetel, Bree Gose, Colt Dunkelberger, Tate Meyer and Jazz McGirr
- Floriculture: Kayeleigh Bowden, Tori Buffington and Tatum Peterson
- Vet Science: Danci Dunkelberger, Lisa Engelhart, Lizzy Heinen and Makenzie Siemonsma

To prepare for the State Competitions, they were able to compete in three District Competitions, in Redfield, Northwestern and Miller. At these competitions, they had many individuals and teams do very well. In Redfield the Vet Science team placed second and the Horse team placed third. In Miller the Horse team placed first and Vet Science team placed second.

Individually at Northwestern, Noah Beck placed first in the Ag Mechanics CDE, and in Miller Bree Gose placed first in the Horse Judging CDE.

Members shine in FFA CDE's

FFA members are preparing for agriculture careers, learning the role agriculture plays in feeding and clothing the world, and looking for opportunities to grow the industry.

FFA's Career Development Events (CDEs) are built around ag industry careers, expose members to many of the opportunities and needs in the agriculture sector, and enable them to develop and refine their abilities to critically evaluate, effectively communicate and ultimately, succeed in future careers.

One of the hallmarks of agricultural education and the FFA is the opportunity to showcase skills learned in classrooms and spotlighted through CDEs. It is a source of pride and students look forward to the state-level events each year to determine who will represent South Dakota at the national level in the fall. This year, 1500 South Dakota FFA members competed in 15 Career Development Events at the State FFA Convention held in Rapid City, SD.
