coverstory
BY GEORGE DICKIE

'Marvel's M.O.D.O.K.' proves that even evil megalomaniacs can have their problems

He may be a Mental Organism Designed Only for Killing, but the title character in a stop-motion animated Marvel series upcoming on Hulu is really just an insecure little boy at heart.

In "Marvel's M.O.D.O.K.," premiering Friday, May 21, we are introduced to M.O.D.O.K. (voice of Patton Oswalt), a canister-shaped, clearly immature megalomaniac who floats around in his hover chair and vaporizes any who get in his way. He's the head of A.I.M., short for Advanced Idea Mechanics, whose motto is "settling for nothing less than conquering the world."

But the reality is A.I.M. is in trouble. Years of producing hair-brained tech toys like a Fitbit for pets and a cerebral cortex manipulator have left the firm in dire financial straits and even his right hand Monica (voice of Wendi McLendon-Covey) thinks he should step down. Worse, the search engine GRUMBL has designs on a buyout.

Things at home aren't much better. Wife Jodie (voice of Aimee Garcia), a social media star, has had it with her husband's selfish, self-involved behavior and offspring Lou and Melissa (Ben Schwartz, Melissa Fumero) don't have much of a relationship with him, either.

So with his company and his family life in ruins, M.O.D.O.K. is in for fight of his life.

The series was created by Oswalt and Jordan Blum and is based on the character from the Marvel Comic universe.

"There's this humor already built into the character of this megalomaniacal supervillain

with a huge ego," Blum explains, "who has this self-doubt that kind of creeps through. And it drives him, and it makes him want to be taken seriously and want to be seen as something more. So having this as the basis of who this character was in the Marvel comics and then being able to explore that, you know, with his family and how he's seen at work, it kind of just lent itself to this type of show."

"We went back and looked at the original v'M.O.D.O.K.' comics," adds Oswalt, a longtime Marvel fan, "and he ... wasn't meant to be comedic, but he's so over-the-top rageful that a lot of (the scenes are) very unintentionally funny, I think. He is truly his own worst enemy. And as far as the blood and gore, we decided to take it to just Monty Python level so it doesn't feel offensive or disturbing. It's hilarious. We just said, 'Let's go way over the top with it.'"

Oswalt, who has an extensive voice-acting resume that includes the TV series "BoJack Horseman," "Spider-Man" and "American Dad" and the feature films "Ratatouille" and "The Secret Life of Pets 2," says he had no problem coming up with the voice of a childish megalomaniac.

"I hate to say this because he's such a twisted, damaged character," he says, "but M.O.D.O.K.'s voice is just an amplified ... more treble-y version of my own voice. It's me when I'm at my most whiniest and angriest and petty. So that's all I had to do, was sort of crank it up that way. He was very, very fun to vocalize."

"Marvel's M.O.D.O.K." premieres Friday on Hulu.

Checking in with
JESSALYN GILSIG

celebrity scoop
BY GEORGE DICKIE

For Jessalyn Gilsig, going back to work for David E. Kelley on "Big Shot" was an enjoyable return to familiar ground.

In addition to her memorable role as strong-willed teacher Lauren Davis in the prolific producer's acclaimed Fox 2000-04 drama "Boston Public," she was also a regular on his short-lived 1999 ABC comedy "Snoops," had a critically acclaimed 1999 arc in ABC's "The Practice" and a guest-starring turn in the short-lived 2011-12 NBC comedy "Harry's Law."

So when the opportunity came up to play Holly Barrett, an assistant basketball coach at a private girls school opposite John Stamos' head coach Marvyn Korn in the currently streaming Disney+ dramedy, she was more than amenable to collaborate again with her former boss.

"David gave me my first big break and ironically it was in a school," the 49-year-old Canadian actress explains, referring to "Boston Public." And so when I read the script, I remember having a feeling of, 'I belong here. I need to walk these hallways. This is my world.' So it was pretty nostalgic, to be honest, to be invited to step back into a David Kelley show and then as an educator."

The role also struck a chord for Gilsig as a mother. She has a 14-year-old daughter who plays soccer and herself was a student athlete in her teens.

"I'm a very enthusiastic soccer parent," Gilsig says. "So actually in a way, it was just sort of fun to take something that I've always been passionate about and then marry it with my work."

"I'm also a huge believer in the power and the importance of team sports for younger people," she continues, "and how that can really help you develop so many skills for life. There are so many studies that show that being on a team has all kinds of benefits when it comes down to your career and success. So I'm excited to be able to highlight this."

Full name: Jessalyn Sarah Gilsig

Birth date: Nov. 3, 1971

Birthplace: Montreal

Education: Has a bachelor of arts degree in English from McGill University in Montreal; studied acting at Harvard University's Institute for Advanced Theater Training

Wolf and Honeybee

tonight's picks

Sunday
7 p.m. on (42); 11:04 p.m. on (42)
Biography: Shawn Michaels
 This new documentary from filmmaker Joe Lavigne (HBO's "Namath") offers a profile of one of the WWE's greatest performers, as well as one of its most enduring villains. Michaels' wild personal life included a drug habit that very nearly killed him, but that didn't stop this superstar nicknamed "The Heartbreak Kid" from making a jaw-dropping late-career comeback. Michaels was inducted into the WWE Hall of Fame in 2011.

7:30 p.m. on (12) (7)

The Great North

The entire extended family is buzzing as everyone gets ready for the wedding of Wolf and Hon-

eybee (voices of Will Forte and Dulcé Sloan) in the Season 1 finale, "My Fart Will Go on Adventure." A surprise awaits the gathering, though, as a decidedly unexpected guest RSVPs in the affirmative. The voice cast also includes Nick Offerman and Jenny Slate; guest voices Brooke Dillman, Ron Funches, Daniele Gaiher and Charlie Kelly also are heard.

8 p.m. on (36)

Good Witch

That charming suburban sorceress returns for a seventh season of magical adventures as Catherine Bell reprises the character who first appeared 12 years ago, initially in a series of top-rated TV movies. Season 6 ended with Cassie Nightingale (Bell), along with cousins Abigail and Joy

(Sarah Power, Katherine Barrell), stumbling across a new Merriweather family mystery: velvet pouches filled with soil. As the women look for answers, they are moved to reflect on their pasts.

9 p.m. on (435); 12 a.m. on (435); 1:30 a.m. on (435)

Couples Therapy

New York psychoanalyst Dr. Orna Guralnik concludes the sophomore season of this docu-series with a finale that sees her patient Michael starting to shoulder the anxiety he has been feeling in his marriage. Elsewhere, Matthew has two impressive breakthroughs, one at a meeting of Alcoholics Anonymous and another in bed. Finally, Dru's gift to Tashira produces an overwhelming reaction, while Orna herself wrestles with letting go.

The Neighborhood
 After Calvin (Cedric the Entertainer) receives a surprise birthday gift that is connected with his father, Dave (Max Greenfield) comes up with an idea for them to spend the day celebrating in a fashion that pays tribute to the late Butler patriarch in the Season 3 finale "Welcome to the Surprise." Meanwhile, an unexpected turn of events changes the Johnsons' lives forever. Beth Behrs and Tichina Arnold also star.

7 p.m. on 13
All American
 When the truth finally comes out, Laura (Monet Mazur) is furious at being left to face the consequences in the new epi-

sode "Fight the Power." As he witnesses everything going on, Spencer (Daniel Ezra) asks something of his teammates that could jeopardize the rest of their season. Meanwhile, Billy (Taye Diggs) deals with something by himself, but a conversation with his father gives him more clarity. Worried about Jordan (Michael Evans Behling), Simone (guest star Geffri Maya) turns to his friends for help.

8 p.m. on 3 ⑧
American Experience
 A new episode chronicles the life and career of American evangelist Billy Graham, who became well known internationally in the late 1940s and by the time of his death at 99 in 2018 was widely acknowledged as among the most influential Christian lead-

ers of the 20th century. Graham provided spiritual counsel to every U.S. president from Harry Truman to Barack Obama and counted President Lyndon Johnson as one of his closest friends. As early as 1953, he insisted that his religious events no longer be racially segregated.

8 p.m. on 152; 10:15 p.m. on 152

Running Wild With Bear Grylls
 The Season 6 finale finds host Bear Grylls in the rugged wilderness of the eastern part of the Sierra Nevada mountain range, where he puts radio and TV personality Bobby Bones and his new fiancée, Caitlin Parker, through a wilderness boot camp. Grylls tests the couple's ability to rely on each other as they

track potentially deadly mountain lions, descend towering sandstone cliffs, and hunt for food under cascading, ice-covered waterfalls. It adds up to a first-hand course in what the wild can teach about the resilience of love.

9 p.m. on 3 ③

Bull
 Izzy (Yara Martinez) pushes the pause button on her and Bull's (Michael Weatherly) upcoming wedding after Bull has TAC handle the defense arguments at a corruption trial of the former district attorney — the one that Benny (Freddy Rodriguez) is running to replace, in the Season 5 finale, "A Friend in Need." Not surprisingly, Izzy isn't the only one in their circle who sees Bull's decision as a threat to Benny's campaign.

Charmed

A ghastly fate worse than death awaits Jordan (Jordan Donica) unless the Charmed Ones (Melonie Diaz, Madeleine Mantock, Sarah Jeffery) are able to save him in the new episode "Chaos Come." Such a rescue would take at a grave price cost to themselves, however. Elsewhere, Harry (Rupert Evans) sets off on a process of transformation.

Movie: John Wick: Chapter 3 — Parabellum

This third entry in the Keanu Reeves action thriller franchise was the most successful to date, both in terms of box-office revenue and critical praise for the

screenplay and performances. The story picks up just one hour after the events of the second "Wick" film and finds the ex-hitman title chartered on the run for his life, pursued by legions of assassins eyeing the \$14 million contract placed on his head for his recent actions.

Movie: Tracking a Killer

Her father's sudden death leaves teenage Haley struggling with serious anger management issues, but joining friends Elaina and Abby on the track team helps. Things go south, though, when Abby is found dead in the locker room, shortly after a noisy argument with Haley. Police place Haley under house arrest in the suspicious death, but while her

mother hires an attorney to defend her, the situation becomes more grave when Haley's assistant track coach is killed too.

Movie: Just Mercy

Jamie Foxx received a Screen Actors Guild Award nomination as best supporting actor for his work in this fact-based 2019 legal drama, in which he plays Walter McMillian, a Black prison inmate on Death Row for the 1986 murder of Ronda Morrison, a white woman. McMillian's case catches the attention of idealistic young Harvard law graduate Bryan Stevenson (a top-billed Michael B. Jordan), who has teamed up with a kindred spirit (Brie Larson) to found the Equal Justice Initiative.

Inside the Met

This three-part docuseries, which premieres with two back-to-back episodes tonight then concludes next Friday, looks at New York's Metropolitan Museum of Art during one of the most challenging periods in its 150-year history. Just as the largest museum in the Americas is preparing to observe that milestone anniversary with a treasure trove of landmark exhibitions, the COVID-19 pandemic strikes, forcing the Met to close its doors indefinitely.

Dynasty

As she and Liam (Adam Huber) ready themselves to take their next step, some unexpected obstacles force Fallon (Elizabeth Gillies) to get creative in the new

episode "The Aftermath." Elsewhere, Jeff and Alexia (Sam Adegoke, Elaine Hendrix) seem to reach an accord, but he remains suspicious enough to seek advice from Culhane (Robert C. Riley).

Pause With Sam Jay

Stand-up comic and "Saturday Night Live" writer Sam Jay hosts this new half-hour weekly late-night series that is likely to be as edgy as Jay herself. The host reportedly plans to tackle such top-trending topics in urban and world culture as race, politics, sexual identity, science, celebrity and religion, among others, all of them from Jay's unique, provocative and occasionally subversive point of view.
