coverstory

Amanda Seyfried and Gary Oldman star in "Mank," the most-nominated film in the 93rd Oscar ceremony, which ABC televises Sunday.

'Mank' leads the nominees in the 93rd Oscars

Ben Mankiewicz would be interested in the Oscars anyway, but this year, the film industry's top event also is very much a family matter for him.

The longtime Turner Classic Movies host is the grandson of Herman J. Mankiewicz, the co-writer (with director and title star Orson Welles) of 1941's legendary "Citizen Kane" – and the subject of "Mank," the most-nominated picture in the 93rd Academy Awards ceremony, to be staged in the coronavirus-pandemic era for the first time as ABC televises it Sunday, April 25. The show will be broadcast principally from Los Angeles' Union Station, permitting social distancing for attendees, while the traditional Oscar setting of Hollywood's Dolby Theatre still will be used for certain elements of the special.

Nominated for best picture, "Mank" is in the running for a total of 10 Oscars also including best actor (Gary Oldman), supporting actress (Amanda Seyfried) and director (David Fincher). "It's a very particular movie about the struggles of an artist who sort of hated himself and hated the business and couldn't get out of his own way," Ben Mankiewicz reflects, "but he was the guy everybody wanted to be around. He was the smartest, funniest guy in the room."

While he normally is analytical when it comes to movies, Mankiewicz notes that "what makes me emotional" about "Mank" is that his late father, veteran political insider Frank Mankiewicz, "didn't get to see this movie about his father. He would have loved it. And to me, it is precisely how he talked about his dad. Gary Oldman captured what

my image was of my grandfather perfectly, and I imagine it is locked into Gary Oldman for the rest of my life."

Following are the nominees in several categories in the 93rd Oscars.

Best picture: "The Father"; "Judas and the Black Messiah"; "Mank"; "Minari"; "Nomadland"; "Promising Young Woman"; "Sound of Metal"; "The Trial of the Chicago 7"

Best director: Lee Isaac Chung, "Minari"; Emerald Fennell, "Promising Young Woman"; David Fincher, "Mank"; Thomas Vinterberg, "Another Round"; Chloé Zhao, "Nomadland"

Best actor: Riz Ahmed, "Sound of Metal"; Chadwick Boseman, "Ma Rainey's Black Bottom"; Anthony Hopkins, "The Father"; Gary Oldman, "Mank"; Steven Yeun, "Minari"

Best actress: Viola Davis, "Ma Rainey's Black Bottom"; Andra Day, "The United States vs. Billie Holiday"; Vanessa Kirby, "Pieces of a Woman"; Frances McDormand, "Nomadland"; Carey Mulligan, "Promising Young Woman"

Best supporting actor: Sacha Baron Cohen, "The Trial of the Chicago 7"; Daniel Kaluuya, "Judas and the Black Messiah"; Leslie Odom Jr., "One Night in Miami ..."; Paul Raci, "Sound of Metal"; Lakeith Stanfield, "Judas and the Black Messiah"

Best supporting actress: Maria Bakalova, "Borat Subsequent Moviefilm"; Glenn Close, "Hillbilly Elegy"; Olivia Colman, "The Father"; Amanda Seyfried, "Mank"; Yuh-Jung Youn, "Minari"

Checking in with
CAITLIN MCGEE

celebrity scoop
BY JAY BOBBIN

Though drama was her first major calling card in television, Caitlin McGee is pleased to follow it up with comedy.

After co-starring as Jimmy Smits' estranged daughter on the short-lived "Bluff City Law," the actress is back as one of three siblings in differing financial circumstances on ABC's new Wednesday sitcom "Home Economics." Tophér Grace – the "That '70s Show" alum who's also an executive producer of the series – and Jimmy Tatro play the other relatives who have money on their minds.

"It's been such a pleasure to be working, especially in the time of COVID," McGee reflects. "In this show, I'm a very self-serious person, but she does have her lighter moments, I really think finding the humor is just trying to make someone a three-dimensional character."

The friendly McGee plays someone both fictional and a bit biographical, since her "Home Economics" alter ego Sarah is based on the sister of Michael Colton, one of the show's creators and executive producers. "I think he would say she's an exaggerated version of his sister," McGee maintains, "but she's not really far from myself, either. We have the same principles and the same heart, but

a slightly different delivery. Sarah is a little less cushioned when she talks to people."

McGee has found it interesting to build a "sibling" dynamic with fellow "Home Economics" stars Grace and Tatro: "It's certainly easier now than it was on the pilot. Because of COVID, we weren't able to go out and have lunches or dinners, so we had to learn to be super-familiar with one another on the fly. Luckily, they're wonderful people and we get along."

Birthdate: Jan. 9, 1988

Birthplace: Boston

Current residence: Los Angeles

Marital status: Engaged

Other television credits include: "Bluff City Law," "Mythic Quest: Raven's Banquet," "Modern Love," "You're the Worst," "I'm Dying Up Here," "Grey's Anatomy," "Chicago Med," "Libby and Malcolm," "The Marvelous Mrs. Maisel," "The Great Indoors," "Halt and Catch Fire," "Shades of Blue," "Sex&Drugs&Rock&Roll," "Blue Bloods," "Unforgettable"

Assembly Required

Just as with their long-running "Home Improvement" characters, hosts Tim Allen and Richard Karn never seem to know when they'll need access to one or more of their handy tools, so they assign the makers to build them a mobile workbench in the new episode "Work It." Before the guys can take their skills on the road, though, they also need the makers to devise a reliable, heavy-duty flashlight.

MacGyver
 Tonight's episode, "Abduction & Memory & Time & Fireworks & Dispersal," marks the series finale of this CBS reboot of a classic 1980s action series. Worse news for fans: The hour already had been shot before CBS lowered the ax, so don't expect much in the way of closure. This CBS do-over has seen a 22 percent decline in ratings from viewership last season, as well as some behind-the-scenes production turmoil.

7 p.m. on 13
World's Funniest Animals: Spring Fling
 Elizabeth Stanton hosts this charming and funny seasonal

special highlighting some of the currently lighting the internet. The featured critters range from messy mutts and cheeky cats to tiny bunnies and baby chick fashion shows.

Gold Rush
 To help boost production, Dave Turin gives gold room operator Jesse Goins an opportunity he's long been waiting for: the chance to become a first-time rock truck driver, in the new episode "Good Man Down." All work comes with a screaming halt, however, when the crew faces a sudden and unimaginable tragedy that leaves them all shaken.

Movie: Daddy's Perfect Little Girl

The death of her adoptive mother two years ago shook up young Ella's (Hattie Kragtoon) world, but now, at age 12, she's settled into a contented life with Nolan (Matt Wells), her doting and much-adored adoptive father. Ella sees this safe, happy existence threatened again, however, when Nolan meets and begins seeing a new woman with a 14-year-old son, a situation that threatens Ella's happiness on two separate fronts, in this 2021 thriller.

International Jazz Day 10th Anniversary Celebration

ternational Jazz Day concerts, the official culminating event at the annual International Jazz Day event. From venues ranging from St. Petersburg, Russia, to the White House in Washington, D.C., as well as Osaka, Japan and Melbourne, Australia, this talent-packed retrospective includes unforgettable performances by Herbie Hancock, Wynton Marsalis, Stevie Wonder, Annie Lennox and Aretha Franklin, among many more artists.

Bering Sea Gold

Several new claims are up for grabs, as some familiar old faces return to the "wild west" of Nome, Alaska for lucky (?) Season 13 of this hit docuseries. In the premiere, "Goldslingers," Kris Kelly's

Elim plan hits a hiccup, while Vernon Anderson hustles to assemble his dream team.

10 p.m. on 53; 3:21 a.m. on 54

Cursed Films

This docuseries, which looks at iconic horror movies whose casts and crews seem to have been plagued by misfortune and tragedy, returns with an episode devoted to William Friedkin's 1973 film adaptation of William Peter Blatty's bestselling novel "The Exorcist." The film's release was surrounded by controversy, as reports of fainting theater-goers and mysterious on-set accidents raised questions as to whether or not the film itself was intrinsically evil. Another episode devoted to the 1976 thriller "The Omen," immediately follows.

147th Kentucky Derby

It's time for the Run for the Roses again, as the 147th Kentucky Derby will kick off today at Churchill Downs in Louisville, Ky. — and serves as the first jewel of horse racing's Triple Crown. Sometimes labeled as the "most exciting two minutes in sports," the race is run by three-year-old Thoroughbreds who sprint 1-1/4 miles. In 2020, jockey John Velazquez rode the Bob Baffert-trained colt Authentic past heavy favorite Tiz the Law for the victory.

Director-writer Christopher Nolan ("Inception") spent more than five years working on the screenplay for this characteristically head-spinning 2020 sci-fi action thriller, which follows a CIA agent called the Protagonist (John David Washington), who learns how to manipulate time, then uses that ability to prevent an attack from future forces determined to annihilate present-day mankind. Given only a limited release in theaters due to the COVID-19 pandemic, the film failed to break even at the box office, despite good reviews. Robert Pattinson,

Pit Bulls and Parolees

Villalobos Rescue Center maxes out and hits its limit for animals when a variety of factors causes a spike in the number or rescues and dogs dropped off by their owners in the new episode "Life in a Cage." That doesn't mean the facility's rescue efforts are put on hold, however, as Lizzy and Toney travel to a remote part of the city to save a trio of orphaned dogs that are in a dire state. Meanwhile, beloved veteran tenant Lil Rocky faces a cancer scare.

Set in the 1980s, writer-director Sean Durkin's 2020 psychological thriller earned widespread critical acclaim, as did its two leading players, Jude Law and Carrie Coon, who star as English-born financial trader Rory O'Hara and his American wife, Allison. As the story opens, Rory is frustrated by his limited job prospects in New York, so he persuades a reluctant Allison to move back to England with him and their two children. After they relocate, Allison is dismayed by her husband's poor decisions.
