

MERRY CHRISTMAS 2020!

A holiday message to you...

By: Kayla Understock

This past year has been one for the books. Our Nation has had quite the dilemma presented to it. Covid struck us all in a variety of ways. As a smaller community we have demonstrated great support for one another. I can't begin to describe how proud I am to be a resident of Spink County and experience the wonderful things the people of this county are capable of. I would like to take this time to hand out some much due recognition.

To the surrounding schools in the area, you have all done an amazing job with the continued education of students, despite the challenges this past year has

brought. Thank you for working so hard to ensure the education and safety of the children in our community!

To Community Memorial Hospital and staff, in a time of much uncertainty, thank you for the phenomenal care that you have given to patients. The added stress that you all have carried along with additional hours you worked in response to the pandemic is greatly appreciated.

To all of the local businesses, despite the challenges you have continued to serve and meet the needs of the people in this community. Thank you for doing all that you could, even when supplies were limited and shipping times were

delayed. We are truly blessed to have so many options close to home!

Thank you to our subscribers and advertisers! Each of you ultimately keeps the Redfield Press in publication. Without you, we would not be able to keep reporting on the happenings of Spink County and keep everyone informed. On behalf of everyone at the Redfield Press, we appreciate you all and look forward to a continued business relationship, not just in the upcoming year but many more to come.

To my staff here at the Redfield Press, thank you cannot be said enough. It takes each and every one of us to keep things going smoothly. Shiloh, Deb, Sam, and Brenda you all are an amazing team to work with. I sincerely appreciate each and everything you all do! To Stacy, who has moved on to another position, we appreciate the hard work that

you put into the paper while you were here this year. We miss you and wish the very best to you.

To those who either send in or call with information and those who we call upon, we appreciate your help more than you can know. We are a small paper with only a few staff members on site so it can become difficult to get all of the knowledge without assistance. Your time, tips, and knowledge are very valuable to us!

I am sure I have probably forgotten someone and I apologize for that. I hope that each and every person that has helped our local newspaper and community in any way shape or form knows that it is appreciated! Happy Holidays to you all and may you each have an amazing 2021 with good health and much happiness!

Dear Santa,
I think I have been pretty good this year, I haven't gotten any referrals or detentions. We didn't decorate very much, which makes me mad but I'm going to make sure we decorate so much this upcoming year. What I've really wanted is a Hydro Flask because I can't find my other water bottle and my other other one has a hole in it. I also would like a hoverboard charger because mine doesn't work and since it doesn't work I haven't been able to ride it so since I haven't been able to ride it, it's like a waste of

money to my mom. What I really need is my sister to be home because she's my favorite person in the world. That's all I really want for Christmas.

Christmas recipes: No-Bake Blueberry Cheesecake Bars

DIRECTIONS

In a medium saucepan over medium heat, combine blueberries, sugar, and lemon juice. Bring to a simmer and cook until thick and jammy and blueberries have burst, 10 minutes. Let cool completely.

Make crust: Grease a 9"-x-13" baking dish with cooking spray. In a medium bowl, combine graham cracker crumbs, sugar, and melted butter until mixture resembles coarse crumbs. Press mixture into prepared pan in an even layer.

Make cheesecake layer: In a large bowl, beat heavy cream to stiff peaks. In another large bowl, beat cream cheese and yogurt together until smooth. Add powdered sugar and beat until no lumps remain. Add vanilla, lemon zest and juice, and a pinch of salt. Fold in whipped cream.

Spread cheesecake mixture over crust, then pour cooled blueberry sauce over cheesecake. Refrigerate until well chilled, at least 4 hours and up to overnight.

3 c. blueberries
2 tsp. granulated sugar
Juice of 1/2 lemon
