CELEBRITY WHEEL OF FORTUNE

Pat Sajak and
Vanna White

If you're playing "Wheel of Fortune," you have to know which letters you want to choose.

However, for a new celebrity version, three letters – namely, ABC – did the choosing.

The network adds Pat Sajak and Vanna White to its roster of primetime game-show personalities as "Celebrity Wheel of Fortune" launches a new Thursday slate of contests starting Jan. 7. (In the others, "The View's" Sara Haines hosts "The Chase," and Craig Ferguson presides over "The Hustler.") Even with stars taking the spins, "Wheel of Fortune" remains the familiar game that's long been a syndication powerhouse, with the celebrity players donating their winnings to charities.

The game itself always is the ultimate "star" of "Wheel of Fortune," though, and Sajak says, "That's been part of my success, recognizing that. It's not 'The Pat Sajak Show.' I may be the most charming and delightful host in the world – and I probably am! – but if there's no game, there's nothing there. You can't get in the way of it."

Viewers "want to see the puzzle and solve it," reasons Sajak. "Unlike most shows like 'Jeopardy!,' the object is not to try to solve the puzzle first; it's to try to make some money (by picking as many individual letters as possible), so it's leisurely in that

sense. The player's not trying to solve it instantly."

That should remain the case as celebrities vie to win money for the organizations they designate. With the late Alex Trebek having hosted a playoff between "Jeopardy!" champions in a special ABC series last winter, Sajak believes that "greased the wheel a little bit" for the "Celebrity Wheel of Fortune" order.

"It's a tricky business," Sajak notes. "The one thing you don't want to start doing is to overexpose the show. In some markets, you'll have a half-hour of (the syndicated) 'Wheel of Fortune' followed by an hour of (the ABC) 'Wheel of Fortune,' and I don't think you can do that too often without watering it down. But for a limited run like this, I think it's fine."

Sajak appreciates the career longevity he's had thanks largely to "Wheel of Fortune," which he has hosted since 1981. His popularity was reaffirmed by the fan outpouring during his absence after emergency intestinal surgery in late 2019. (White moved over and filled in as host, and Sajak's country-singer daughter Maggie was a guest letter-turner.)

"What I take the greatest pride in personally," Sajak reflects, "is that it's very tough to be welcomed into a house for nearly 40 years. The fact that Vanna and I still are is the best thing I can say about it, from a talent or skill point of view."

Pat Sajak and Vanna White spin ABC's 'Celebrity Wheel of Fortune'

Craig Ferguson had wanted to host another game show, and this time, he's very much in the game himself.

After the actor-comedian and former CBS late-night host's Daytime Emmy-honored run with "Celebrity Name Game," he both guides the competition and acts as a player as ABC debuts "The Hustler" Monday, Jan. 4. (It enters its usual Thursday slot several days later.) One of the contestants already has the answers to the trivia questions posed, but the person has to keep that secret from the others to claim the grand prize.

"I'm kind of slow on the uptake with this kind of thing," the self-effacing, Scottish-born Ferguson muses, "so I was like, 'Wait! What happens?' My agent's office has a big conference room where they rule the world from, and we played the game a couple of times there, and I loved it. I don't just host this, I have to play ... and I don't know who the Hustler is.

"That's a good idea for two reasons," Ferguson notes. "One, it keeps my attention, and I'm a little easily distracted. And two, it puts me in a completely neutral situation. You usually have to be careful not to give a clue (thus revealing the game's secret), but I can't, because I genuinely don't know. So for the legality of it, it's great."

Mayim Bialik

7 p.m. on **12** **7**

Call Me Kat

Very freely adapted from a hit British sitcom starring Miranda Hart, this new character-driven comedy stars Mayim Bialik in the title role of an eccentric woman who has made such unconventional life choices as being happily single as she approaches middle age. Oh, and spending her entire life savings to open a cafe for cats in Louisville, Ky. Kat's exasperated mother (Swoosie Kurtz) would like to see her daughter happily married, although Kat has the warm support of cafe colleagues Phil and Randi (Leslie Jordan, Kyla Pratt).

8:31 p.m. on **12** **7**

Last Man Standing

Brace yourself for a time jump as Tim Allen's family sitcom returns for its ninth and final season, which

ended Season 8 with daughter Kristin (Amber Fuller) going into labor with her baby daughter, and Mandy (Molly McCook) expecting her own first child. As the action resumes, (Tim Allen) and wife Vanessa (Nancy Travis) reflect on what their own senior years will be like, as he prepares to retire from his long employment at Outdoor Man.

9 p.m. on **9** **9**

The Rookie

Nathan Fillion returns to his role as John Nolan, the oldest "rookie" in the Los Angeles Police Department, as this new crime drama opens Season 3. As longtime fans of the show know, Nolan occasionally has been pushed to keep up with cop colleagues 20 years his junior, but his life experience, sense of humor and sheer grit have stood

him in good stead so far. As the action resumes, however, Nolan faces his biggest career challenges yet when he is forced to come to terms with past choices.

9:22 p.m. on **45**; 1:22 a.m. on **45**

Cal Fire

Produced by Discovery Channel in partnership with the California Department of Forestry and Fire Prevention (Cal Fire), this new docuseries embeds multiple camera crews with the department's frontline firefighters during the 2020 fire season, the worst in that state's history. The footage acquired during filming gives viewers a harrowing front-row look at some of California's most damaging infernos, from the Apple Fire near the Cherry Valley neighborhood in Southern California to the El Dorado Fire near San Bernardino County.

tonight's picks

7 p.m. on **(54)**; 12 a.m. on **(54)**

Movie: Unstoppable
Denzel Washington has worked several times with action-specialist director Tony Scott ("Crimson Tide"), and they reteam on this effective, fast-inspired 2010 thriller that puts fresh spins on a time-tested premise of a train that's out of control. Washington plays an experienced engineer who's training a newcomer (Chris Pine, "Star Trek") when they become the only hope of stopping a chemical-laden locomotive hurtling toward a town.

7 p.m. on **(61)**

Movie: Guardians of the Galaxy Vol. 2

Chris Pratt, Zoe Saldana, Dave Bautista and voice actor Bradley Cooper are among the lead players from the original 2014 blockbuster

who return for this 2017 Marvel superhero sequel. In the new story, Peter Quill (Pratt) begins to unravel the truth behind his mysterious parentage after he and his fellow Guardians are hired by a powerful alien race as protection from invaders. Kurt Russell, Michael Rooker, Karen Gillan and Sylvester Stallone also are featured in the film, which received an Oscar nomination for its visual effects.

7 p.m. on **(161)**; 11 p.m. on **(161)**

Movie: The Wrong Fiancé

When her boss, Charlotte (Vivica A. Fox), sends her out of town on a photography assignment, Abby (Jessica Morris) realizes this trip just might present the perfect opportunity for her to escape the relentless harassment she's suffering from her violent ex-fiancé, Richard (Jason-Shane Scott). It doesn't

take long, however, for Abby to discover how, despite Richard won't be anywhere near that easy in this 2021 thriller. Michael Paré and Gina Hiraizumi also star.

7 p.m. on **(435)**

Movie: The Truth

Acclaimed Japanese filmmaker Hirokazu Kore-eda wrote and directed this sensitive 2019 drama starring Catherine Deneuve as Fabienne Dangeville, a celebrated French actress who has just written her highly anticipated memoirs. Fabienne's screenwriter daughter Lumir (Juliette Binoche) is dismayed to discover the book has been published before she had a chance to read it, and she's further irritated to notice that Fabienne has written about their stormy mother-daughter relationship as something out of a fairy tale. Ethan Hawke, Ludivine

Sagnier and Clémentine Grenier also star.

7 p.m. on **(465)**

Movie: Public Enemies

Depression-era gangster John Dillinger lives again, through Johnny Depp, in writer-director Michael Mann's ("Heat") drama about the then-fledgling FBI's campaign to establish itself by targeting the top criminals of the time. Christian Bale also stars as federal agent Melvin Purvis, dispatched by J. Edgar Hoover (Billy Crudup) to catch Dillinger. Oscar winner Marion Cotillard ("La Vie en Rose") plays a woman who also catches Dillinger in her own way.

8 p.m. on **(8)** **(8)**

Frontline

In her new film "A Thousand Cuts," filmmaker Ramona S. Diaz looks

at actions being taken in the Philippines by President Rodrigo Duterte. He has firmly cracked down on the press, especially independent journalist Maria Ressa, who currently faces jail time for reporting that Duterte.

9:30 p.m. on **(401)**

Movie: Chronicle

Superpowers aren't necessarily a benefit if you don't know how to use them properly, as the three comrades at the heart of this 2012 sci-fi tale learn rather quickly. Dane DeHaan, Alex Russell and Michael B. Jordan play the central trio, which largely uses the "Blair Witch Project"-like "Cloverfield" approach of amateur videotaping to show the events as they unfold. The result effectively depicts ordinary people in extraordinary circumstances.

Aimee Teegarden

Movie: North by Northwest

Cary Grant gives one of his best performances in this 1959 Alfred Hitchcock classic as an admn whom enemy spies mistake for a government agent. Convinced they're trying to kill him, he goes on the run, hooking up with one of Hitch's coolest blondes (Eva Marie Saint). Watch for two classic scenes: Grant fleeing pursuers in a crop-dusting plane, and all the principals scrambling around Mount Rushmore for the taut climax. Oh, yeah ... and that Freudian ending.

Movie: Chicago

Six Oscars, including best picture, went to director Rob Marshall's high-energy 2007 screen adaptation of John Kander and Fred Ebb's cynical stage musical about a Jazz Age murderess (Renée Zellweger). She tries to parlay her notoriety into a show-biz career with the help of a slick defense attorney (Richard Gere). Catherine Zeta-Jones won an Academy Award for best supporting actress as a spouse-slaying chanteuse.

Movie: A New Year's Resolution

Dissatisfied with her life, Milwaukee morning TV show producer Kelly Leone (Aimee Teegarden, "Friday Night Lights") resolves to say yes to every social invitation she receives for the next month. After she reluctantly agrees to be her station's guinea pig in an on-air experiment about the resolution, Kelly finds herself pushed well outside her comfort zone with new events and activities. The biggest test comes, though, when she starts to fall for charismatic businessman Tom Malone
