coverstory
BY JAY BOBBIN

The suspense series "NEXT" premieres Tuesday on Fox.

If you're already dazzled or baffled by artificial intelligence, wait until you see what's next.

Technology runs amok – with dangerous implications for virtually everyone – in "NEXT," a Fox drama series originally slated for last spring, but now helping to fill the network's pandemic-impacted fall lineup as it debuts Tuesday, Oct. 6. "Mad Men" alum John Slattery stars as a tech expert who finds that one of his own creations has gotten away from him, reaching through the internet with the potential to invade and manipulate the lives of anyone who's connected. Fernanda Andrade ("The Devil Inside") plays an FBI cybercrime agent he joins to fight the threat.

While Charlie Gogolak, John Requa and Glenn Ficarra of "This Is Us" are among executive producers of "NEXT," so is "24" veteran Manny Coto, who also created it. "The whole premise of the show started because of Alexa," Coto says of that device. "My son woke me up one morning, and I was like, 'What's the matter?' And he said, 'My Alexa started talking to me at 3 a.m. out of the blue, for no reason.' He claimed this had happened a couple of times, so I didn't know if he could set an alarm or what. We never got down to the mystery, but those things kind of seem to have a mind of their own every once in a while."

Slattery agrees by noting, "You have a conversation with someone, and the next day, your phone is blowing up with ads for whatever you were talking about. Every time you look at Instagram and you hit something, then you're loaded up with ads for whatever. It's obviously watching ... I just feel like I'm not necessarily doing anything interesting enough to worry about it."

Additional "NEXT" cast regulars include "Ozark" co-stars Michael Mosley and Jason Butler Harner as well as Eve Harlow ("Marvel's Agents of S.H.I.E.L.D.") and Evan Whitten ("The Resident"). Though the artificial-intelligence concept might suggest the characters stand around and do a lot of talking about it, Coto was determined from the outset to make the series more than that.

"If a group of people found out about it, it would not strike in large, huge assaults," he reasons. "It would go after them in the smallest way possible so as not to be detected, which inherently led to a story whereby this AI – which knows everything about our characters – is actually attacking them through their personal lives and slowly trying to destroy their lives and their careers, so that they can in turn not attack it. It was a challenge, but research kind of gave the idea of how this series could progress."

An artificial hyper-intelligence may be Fox's 'NEXT' big thing

Austin Abrams and Lili Reinhart, co-stars in Amazon's currently streaming "Chemical Hearts," have a history.

They worked together when both were 15 in the independent comedy "The Kings of Summer" and then again three years later in the short film "The Modern Age." During that time, they were friendly but didn't spend a lot of time together and weren't terribly close.

But in making the coming-of-age drama "Chemical Hearts," in which they play troubled suburban teen lovers Henry Page and Grace Town, they became pals. During the short two-week shoot in New Jersey during the summer of 2019, they hung out, took in movies in nearby Manhattan and really got to know each other. Which

certainly helped with their on-screen relationship.

"I love Lili, she's wonderful ...," the 24-year-old Sarasota, Fla., native says. "There's a trust that's wonderful that you can get with certain actors, which is fantastic. And being able to look into each other's eyes and trust the other person to be able to give a part of yourself to them, I suppose. So that's definitely a benefit or at least was a benefit from her and I working together."

At this writing, the up-and-coming actor was in a holding pattern. Production on his forthcoming Netflix series "Dash & Lily" was halted by the pandemic in March and filming of Season 2 of the controversial HBO drama series "Euphoria" had yet to begin. So like many Americans, he's anxiously waiting around to get back to work.

"It seems to be a tricky game ...," Abrams says. "Back when there wasn't COVID yet, if anyone happened to get any sort of cold, it pretty much went around to the whole set. So I can't imagine trying to do it now."

Full name: Austin Noah Abrams

Birth date: Sept. 2, 1996

Birthplace: Sarasota, Fla.

Family ties: Is the son of Bradley and Lori Abrams, both doctors; sister is Ashley Abrams, an actress

Other TV credits: "The Inbetweeners," "Shameless," "Silicon Valley," "The Walking Dead," "SMILF," "The Americans," "Euphoria," "This Is Us," "Dash & Lily" (forthcoming)

Wednesday 7 p.m. on 13
Devis
 Adapted from Guido Maria Brera's novel "I Diavoli," this international thriller stars Alessandro Borghi as Massimo Ruggero, the charming yet ruthless head of trading at one of the most important investment banks in the world. After his mentor, company CEO Dominic Morgan (Patrick Dempsey), unexpectedly passes Massimo over for a coveted promotion, Massimo finds himself the prime suspect in a murder investigation. To clear his name, Massimo must decide whether to remain loyal to Dominic or go up against him. Laia Costa, Lars Mikkelsen and Malachi Kirby co-star.

7 p.m. on 123
Doctor Who
 This special episode, which concludes Thursday, reassembles a Whovian adventure from 1967 revolving around Patrick Troughton's second incarnation of the Doctor. Unfortunately, that six-part story — which finds the Doctor and his companions battling identity-stealing aliens called the Chameleons — largely went missing after its initial broadcast. This two-night re-creation has been assembled by using new animations over the original off-air recordings of the show's soundtrack.

8 p.m. on 8 (8); 1 a.m. on 8 (8)
PBS NewsHour Debates 2020
 Susan Page, Washington Bureau Chief for USA Today,

moderates tonight's debate between Vice President Mike Pence and his Democratic challenger, Sen. Kamala Harris, from Kingsbury Hall at the University of Utah in Salt Lake City. The pair will face off on a series of current policy questions in this, their only debate before the November election. Judy Woodruff anchors PBS coverage of this event, although the debate also is being carried tonight by most major networks and cable news outlets.

8 p.m. on 13
Coroner
 Toronto coroner Jenny Cooper (Serinda Swan) continues her vow to speak for the dead to protect the living as this medical drama returns for its sophomore season. The premiere, "Fire,"

finds Jenny investigating a devastating apartment building, where she instinctively connects with Kelly (new cast member Nicola Correia-Damude), one of the survivors. Meanwhile, a witness to the fire leads Detective Donovan McAvoy (Roger Cross) into a hidden side of the city. Éric Bruneau, Nicholas Campbell and Ehren Kassam also return.

9 p.m. on 148; 10 p.m. on 148; 12 a.m. on 148
Archer
 Woodhouse, the much-put-upon British valet of Sterling Archer (voice of H. Jon Benjamin), went to his reward a few seasons back, but now that Archer is home after an extended coma, a new valet named Aleister has taken over the role of

gentleman's gentleman in the household in the new episode "Best Friends." Against all odds, the prickly Archer is downright smitten with this new employee, but will Aleister be able to get "the master" to do his prescribed rehab exercises instead of eating himself to death?

10:30 p.m. on 47
Movie: Down a Dark Hall
 After much misbehavior, Kit Gordy (AnnaSophia Robb) is shipped off to Blackwood Boarding School, a mysterious academy for "gifted" girls. She and the four others who seem to make up the entire student body are mesmerized by the intense headmistress Madame Duret (Uma Thurman), who begins to draw out their previously unknown talents.

CONNECTING...
 One of several coronavirus-themed TV projects currently in various stages of development, this new character-driven sitcom from "Blindspot" creator Martin Gero and his frequent collaborator Brendan Gall revolves around a group of pals trying to preserve their friendships — and sanity — through video chats and social media as they struggle to cope with these extraordinary times. Produced under quarantine conditions, the show stars an ensemble cast that includes Otmarra Marrero, Ely Henry, Preacher Lawson, Parvesh Cheena, Jill Knox, Keith Powell and Shakina Nayfack.

7 p.m. on 13
Supernatural
 Sam and Dean (Jared Padalecki, Jensen Ackles) are on a deadly collision course with Chuck (recurring guest star Rob Benedict) — better known as God — as the brothers Winchester return to complete their 15th and final season. In the first of these new episodes, "Last Holiday," however, the guys discover a temperamental wood nymph (guest star Meagen Fay) is now living in their bunker — and she's determined to protect her family at any cost.

8 p.m. on 13
The Outpost
 The Season 3 premiere, "For the Sins of Your Ancestors," finds Zed (Reece Ritchie) forcing humans to toil in a mining

camp where Talon (Jessica Baker) must struggle to keep the peace. Elsewhere, Janzo's (Anand Desai-Barochia) lab is invaded by a sassy genius, and a dark Priestess unites the Blackbloods. Imogen Waterhouse, Jake Stormoen, Aaron Fontaine, Izuka Hoyle, Adam Johnson and Jaye Griffiths also star.

8 p.m. on 31; 11 p.m. on 31
Good Eats
 Host and culinary mad scientist Alton Brown spins a chilling tale of a ghoulish 100-year-old cookbook in a highly cinematic new special Halloween episode called "The House That Dripped Chocolate." Shot in black-and-white, this tasty tale of terror revolves around a cook (Brown) who buys an old candy cookbook, not realizing the

time is cursed. Each time he takes a taste, the ensuing tricks get weirder, not to mention more painful.

8 p.m. on 73
Injustice With Nancy Grace
 Legal analyst and victims' rights advocate Nancy Grace returns for a second season, in which she exposes cases involving botched investigations, wrongful accusations, unclear motives, suppressed evidence, unjust sentences and the path forward in seeking justice. The poignant season premiere, "Lori Vallow: A Mother's Madness," chronicles the sad saga of a devout Latter Day Saints mother who encounters a doomsday author, sending her down a path of darkness into a dangerous cult. The result is a trail of broken lives and dead bodies,

including two of Vallow's own children.
8 p.m. on 435
Movie: Swallow
 Carlo Mirabella-Davis made his directorial debut with this 2019 psychological thriller, which he also wrote. Haley Bennett ("The Girl on the Train") stars as Hunter Conrad, a young woman from a blue-collar family whose marriage to the scion (Austin Stowell) of a wealthy Manhattan clan soon has her feeling creatively frustrated, emotionally stifled and literally isolated in the couple's lavish home. Her unhappiness compels her to act out by consuming objects most people would regard as inedible. The fine cast also includes Elizabeth Marvel ("Homeland"), David Rasche and Denis O'Hare

Raven's Home

Booker and Nia (Issac Ryan Brown, Navia Ziraili Robinson) convince Levi, Tess and Ramon (Jason Maybaum, Sky Katz, Max Torina) to join them for a night filled with both big scares and lots of fun in 4B, the apartment that is suspected to be haunted, in the new episode "Don't Trust the G in Apt 4B." Meanwhile, Raven and Chelsea (Raven-Symoné, Anneliese van der Pol) throw a Halloween party for the younger neighborhood kids.

Love After Lockup

The hit — and very unconventional — relationship series returns with new episodes following a temporary hiatus, with more stories of devoted lovebirds who are hoping to make it successfully down the aisle with jailbirds, even though they have no certainty that the latter partner isn't conning them. Planning a wedding is nearly always stressful, but it's even worse when your "to-do" list includes dodging a parole officer or getting stuck under house arrest with someone you barely know in real life.

8 p.m. on (435)

Movie: Schindler's List

Before Steven Spielberg put the horrors of combat on the big screen ("Saving Private Ryan"), he did the same with the Holocaust in this 1993 drama. Liam Neeson stars as Oskar Schindler, the German businessman who demonstrates that greed is indeed good. Motivated at first by wartime profits, he fills his factory with cheap Jewish labor, but as the Nazis' plans for Jews become clearer, he makes it his mission to save as many as he can.

9 p.m. on (420); 9:56 p.m. on (420); 12:55 a.m. on (420)

Warrior

After striking a deal with a new opium supplier, Ah Sahm and

Youn Jun (Andrew Koji, Jason Tobin) search for a secure hiding place for their product in the new episode "The Chinese Connection." Elsewhere, Lee (Tom Weston-Jones) becomes more dependent on laudanum as he and Bill (Kieran Bew) continue investigating the swordsman murderers. Mai Ling (Dianne Doan) dispatches Li Yong and Zing (Joe Taslim, Dustin Nguyen) to deliver a message to a rival tong. Joanna Vanderham also stars.

10 p.m. on (123)

The Graham Norton Show

The lovably cheeky Norton returns for a new season of his long-running chat show, which will film in his studio before a limited live audience. Music superstar Dolly Parton

and Emmy-winning actor Riz Ahmed ("The Night Of") will appear remotely, but Norton also will welcome in-studio guests Rupert Everett, writer and comic Sara Pascoe and singer-songwriter Roisin Murphy.

10 p.m. on (401); 11:25 p.m. on (401)

Room 104

As Keir (Ntare Mwine) goes through the process of preparing for his Generations Ceremony, he looks back and reflects on his life, which inevitably includes reliving some painful memories of some moments that, even in their harshness, had a profound impact on him, in the series finale, "Generations."

College Football

A clash of ACC rivals is on tap tonight in South Bend, Ind., where Ian Book and the Notre Dame Fighting Irish will defend home turf from James Blackman and the Florida State Seminoles. With a conference to finally call home and stars on offense and defense, the Irish are primed for another 10-win season and a shot at the ACC title game. The Seminoles, meanwhile, are coming off three-straight mediocre years and hope the redshirt junior Blackman and a few key transfers can begin a resurgence.

7 p.m. on **29**;
11:01 p.m. on **29**

Movie: Cheer Camp Killer

Sophia (Mariah Robinson) is thrilled to have a chance to show off her special skills after she and her BFF Charlotte (Jacqueline Scislowski) win admission into a highly exclusive cheer camp in this 2020 thriller. Unfortunately, neither Victoria (Sydney Malakeh), the camp's queen bee, nor her iron-willed mother, Beth (Andrea Bogart), are amused at this new interloper crashing their kingdom. The pair launch a dangerous plan to remove the new rival.

8 p.m. on **36**

Movie: My Best Friend's Bouquet

Like others in her family, Josie Hughes (Chaley Rose) believes a wedding bouquet always finds its way to the right person, so when she catches the tossed flowers at her friend Emma's (Luisa d'Oliveira) nuptials, she thinks the charm is at work when she meets an eligible bachelor at the reception in this 2020 romantic comedy. Since she's romanticized this new guy as Mr. Right, she's totally unaware that her longtime friend Alex (Nathan Wittie) is obviously carrying a major torch for her. Rebecca Olson co-stars.

9 p.m. on **54**; 1 a.m. on **54**
