STRENGTHS:

We bring back a number of guys that saw a lot of playing time last season. We have some decent athleticism and better size than we had last season.

PLANS FOR IMPROVEMENT:

In order to improve on the last couple years, we must be tougher mentally and physically. We need to stay healthy and develop quality depth with our younger players.

SEASON OUTLOOK:

We have a very challenging schedule again this season, but we are excited for that challenge and the opportunity to play football. If we stay healthy and play up to our abilities, I look for us to be playing our best football at the end of the year and be in contention come playoff time.

H/T VOLLEYBALL OUTLOOK 2020

NAME: Hitchcock-Tulare Lady Patriots

SPORT: Volleyball

COACH'S NAME: Jordan Opp

YEARS COACHING: fifteen years

ASSISTANT COACHES: Brandi Han-son and Alura Johnson

RETURNING PLAYERS: Kenidee Enander-Setter-Senior, Ashley Masat-MH-Senior, Dannyn Peterson-RH-Senior, Cassidy Johnson-OH-Senior, Katie Rathjen-L-Senior, Kaitlynn O'Dell-H-Senior, Madison Hofer-OH-Junior, Shandi Chasing Hawk-Setter/RH-Junior, Danielle Nowell-DS-Junior, Brianna Garret-DS-Junior, Bethany Wiebe-MH/OH-Junior.

STRENGTHS: Each season we look at serving aggressively as our strength in order to get teams out of system. We are also going to have a fairly tall front line, so I am looking forward to having consistent hitters and a nice block on defense. All of our hitters have experi-

ence and can hit well. We only lost one player to graduation, so we have tons of experience, which will be huge as we start the season.

PLANS FOR IMPROVEMENT: We have to do a better job of passing the ball on target so we can stay in system. Last season we didn't do a very good job at that. If we can get our passing better, we would like to incorporate a quicker offense. We also need to be more aggressive on defense and keep balls alive instead of giving up on them so easily.

SEASON OUTLOOK: We are looking forward at getting the season started. We have a deep team with a lot of experience, and even some new and upcoming players that will be playing a roll. If we can stay healthy and we continue to work hard and fix areas of concern, we should be able to compete for a conference title and look at making a deep post season run!
