Keri Russell stars in
"The Diplomat"

Second in command: Janney joins new season of 'The Diplomat'

This conspiracy goes all the way to the top. The political thriller "The Diplomat" is back for a second season on Netflix Thursday, Oct. 31, with Keri Russell ("The Americans") returning as American ambassador to the United Kingdom, Kate Wyler. This season, Kate struggles with the realization that the British government was behind a deadly bombing of one of its own ships in the Persian Gulf — the attack that led to her reassignment in the series premiere.

Burdened by the knowledge of possible treason, Kate fights to find the truth and prove who ordered the strike. But in a world like Kate's where information is currency, who can she trust? The ambassador is never truly alone, and as evidenced by the events of the first season, even her most personal secrets become public knowledge without ever having to spill them herself.

Also returning this season are David Gyasi ("Carnival Row") as U.K. foreign secretary Austin Dennison; Ali Ahn ("Agatha All Along") as CIA station chief Eidra Park; Ato Essandoh ("Chicago Med") as Stuart Heyford, deputy chief of mission of the U.S. embassy; Celia Imrie ("Better Things") as campaign manager Margaret Roylin; Rory Kinnear ("The Lord of the Rings: The Rings of Power") as Prime Minister Nicol Trowbridge and Miguel

Sandoval ("Sugar") as Secretary of State Miguel Ganon.

A career diplomat, Kate proved to be an unpolished gem in the more forward-facing role as ambassador to the U.K. during the first season of "The Diplomat." Though she arrived ready to work, Kate quickly learned that there was more to her reassignment than what was on the surface.

President William Rayburn (Michael McKean, "Better Call Saul") and his chief of staff, Billie Appiah (Nana Mensah, "Presumed Innocent"), sprung the more public position on Kate as a means of vetting her for the soon-to-be-vacated VP seat. Now caught up on the plan, Kate faces down Vice President Grace Penn, portrayed by Allison Janney ("Palm Royale"), who is not about to back down.

Debra Cahn ("Grey's Anatomy"), creator of "The Diplomat," shared with Tudum a bit about her fellow "The West Wing" alum, Janney's, role in the new season saying, "the VP thinks Kate's after her job ... and she's not entirely wrong, Kate thinks she understands the VP. She is mistaken." After getting the lay of the land on the other side of the pond, Kate is more ready than ever for a fight — whether it's for the title of VP or holding a government responsible for murders it tried to pin on other nations.

BY JAY BOBBIN

In playing Maggie on "Sullivan's Crossing," Morgan Kohan has a very full plate, emotionally.

The actress has completed two seasons of the Canadian-made drama, with the sophomore round currently airing Wednesdays on The CW (both seasons have already run on Canada's CTV). Life hasn't gotten any easier for Maggie (Kohan), who's back in her small, titular Nova Scotia hometown: having faced an investigation of her work as a neurosurgeon, she's now pregnant — and torn between two loves, small-town handyman Cal (Chad Michael Murray, "One Tree Hill") and big-city sophisticate Andrew (Allan Hawco, "Republic of Doyle") — and worried about her estranged father Sully ("Gilmore Girls" alum Scott Patterson), recently diagnosed with Alzheimer's disease.

Based on novels by Robyn Carr, "Sullivan's Crossing" (which is filmed on location in Nova Scotia) has clearly given Kohan a bounty of material to play, though she admits she "didn't have any idea how much the character would have to deal with, to be honest" when she tested for the part. "It's been really exciting as it's progressed, though. Something else [subject-wise] will come along and I'll be like, 'OK, let's tackle this, too,' and it's been wonderful. It hasn't slowed down on the drama."

Executive producer Roma Roth ("Virgin River") developed "Sullivan's Crossing" for television. Though Kohan (who's also returning to Great American Family's "When Hope Calls" for an upcoming Season 2) read one

of Carr's books to get "a nice little overview of Maggie, to get into my head what was expected," she largely has relied on the show's scripts to inform her about the role. "And I've kind of built Maggie from there."

Regarding principal "Sullivan's Crossing" co-stars Murray and Patterson, Kohan reflects, "Who wouldn't want to work with them? They're great team partners. Chad and I have a friendship that's just grown as our time together on screen has grown, and getting to see how you grow as an actor with the people surrounding you, it's really cool that we get to develop these characters together. And there's a wonderful crew all around us, too."
