HURON — While the Huron boys’ tennis team returns some pieces of its team that finished fourth a year ago in the Class A State Tournament, coach Tim Hedblom will be looking for a revamped lineup to accomplish the task this season.

The Tigers return three players from last year’s team, with all of those being sophomores.

“We want get better every day in practice and I see our team getting better from every match we play,” Hedblom said. “I hope that we are playing our best tennis at the end of the season.”

Sophomore Matthew Thin will move into the No. 1 singles spot in Huron’s lineup this season after spending last season at No. 2. Sophomore Say Poe, who was fourth last season at No. 5 for the Tigers, moves up to No. 2 this season, while sophomore Maner Htoo, who was fifth last season at No. 6, fills the No. 4 spot this season.

“They all played in the top 6 last year and bring the most experience,” Hedblom said.

Thin and Poe combined to finish fourth in No. 3 doubles for Huron last year, while Htoo was fifth in No. 1 doubles.

Freshman Htoo Zan will play No. 3 singles for the Tigers, while seniors Ler Hai Moo and Aung Myit will fill the No. 5 and 6 singles spots, respectively.

“We are a young team and as we gain experience and confidence we are going to improve and do well,” Hedblom said. “Our goal is to get better every time we take the court. Another is to be competitive and learn from every match.”

HURON — After playing the entire season at the junior varsity level last season, the Huron girls' golf team will delve back into the varsity ranks this season.

"Our goal for each golfer is to see improvement as the season progresses," Huron coach Chris Rozell said. "As their coach, I would like to see one qualify for the state meet. A player must have an average score of 105 to qualify for the state tournament."

Filling spots in the lineup this season for the Tigers will be senior Paige Sherron, sophomore Olivia Purintun, junior Jeselyn Matthews, junior Taryn Cass, senior Valeria Hohn, eighth-grader Taylor Sorben and sophomore Kolby Glanzer.

"This group has had the willingness to come to practice each day to improve. It's a good group of girls to work with," Rozell said. "Kolby Glanzer joins us this

year from James Valley Christian and is a welcome addition to the team."

Watertown is the defending Class AA champion, with Mitchell finishing as the runner-up year ago.

"Aberdeen, Mitchell, Watertown and Yankton will have solid teams," Rozell said.

The Class AA State Tournament will be held June 2-3 at Prairie Green Golf Course in Sioux Falls.

OF THE PLAINSMAN**

HURON — Huron Tigers baseball coach Jason Babl began working with the large group of seniors on this year's team when he took over as the varsity Legion coach in 2022. Now in his third season at the helm of the high school spring ball team, the continuity he hoped to instill between the Legion and spring ball program is bearing fruit in a large, talented senior class.

From left: assistant coach Troy Forbush, Cooper Bischoff, Brady Feenstra, Bubba Peterson, Chase Schuchhardt, Nolan Stahly, Jack Pedersen, Oakley Anderson, Tommie Martin, Trace Wenz, Logan Leyendecker, Kolby Hofer, Tanner Gilbert and head coach Jason Babl.

in the postseason, but Babl said they've intentionally scheduled to hopefully prevent that.

"We're away a lot this season, but those fields are turf fields, so we should be in good shape to get those games in," he said, explaining that Huron missed their first eight games of the season due to weather this year. "We scheduled heavy this year to help with that."

The top four hitters in batting average from last year's team return as seniors this year, led by Bubba Peterson, who led or tied for the team lead in batting average, doubles,

and runs scored while finishing second in stolen bases. Trace Wenz returns to man the leadoff spot and center field for his final year as a Tiger.

The Tigers offer depth on the mound, led by staff ace, left-hander Jack Pederson. Pederson has been an impressive arm for Huron for multiple seasons and will now take the reins as the lead horse in the stable after a season when he was second in innings pitched with 20 1/3 and also had 20 strikeouts.

While putting together a varsity and a junior varsity roster both has been challenging in his first two

Harrisburg, Brandon Valley, and Yankton, as well as the Sioux Falls schools, were identified as the teams that everyone will be chasing this year, according to Babl.

He's excited to see colleges show interest in the program and the players, and he credits the players for the progression of the program.

"It really comes down to kids that want to work and to work hard," Babl stated. "We have those kids that want to work hard, and it makes it fun to coach them."

Despite being in a rebuilding process, Hedblom believes the Tigers have the opportunity to post another strong finish in the Class A State Tournament this season.

"I think we can be a top 5 team at state and a top 7 team in the Eastern South Dakota Conference," he said. "There is a lot of tough competition across the state."

Sioux Falls Christian is the defending Class A champion, after a close battle with Rapid City Christian. Both will be in the hunt for a state title again this season, according to Hedblom.

"In class A, Sioux Falls Christian, Rapid City Christian and St Thomas More will be tough," he said. "In the ESD, I think Harrisburg is going to be the team to beat."

The Class A State Tournament will be held May 19-20 in Sioux Falls.

Top returning athletes: Pierce Baumberger, Joseph Baker, Isaak Hunter, Isaiah Gortmaker, Jake Gibson, Tyson Kindle.
Other returning prospects: Gentry Harrell, Kellan Hurd
Season outlook: Miller track & field athletes are looking forward to some outstanding performances this season. While the seniors have a provided a great amount of leadership, there’s a bright future of underclassmen coming through the ranks, as well. These athletes are working extremely hard and the rest of the

season should result in a lot of success both in field events and running events.

Season outlook: Once again Miller returns a strong number of girls to the track that are ready to build on the success developed under the previous coaching staff. We have a solid group of girls in both field and running events. After stellar volleyball and basketball seasons, many of them know what it’s like to feel success and they’re ready to work for more. Just like the boys, the upper-

classmen are providing much leadership, and the future remains bright for Miller track & field.

Season outlook: The Miller Rustlers are off to a fantastic start, having captured both the boys’ and girls’ team titles at our home meet. We’re thrilled to welcome back a talented cohort of juniors this year—students who bring a wealth of experience from both the regular season and postseason. Last year, both squads earned state-meet berths: the girls claimed the Region 5B championship, and the boys finished as co-runners-up. Our goal is to return both teams to state competition once more. The girls, last year’s State B runners-up, haven’t stopped training for another top finish, and our boys are equally determined to make a strong showing.

Lettermen returning: 10
Top returning athletes: Emmerson Larson, Michael Severson, Bo Begeman, Lincoln Reidburn, and Talen Huber. Other returning prospects: Ky Vandersnick, Ernesto Garcia, Mato DeNoyer, Masyn Knock, Seth Poppen.

Season outlook: Our team goals are to qualify as many as athletes for the State Track Meet as we can. We ended up 25th in the 4x200 finishing one spot out of the Top 24 last year and are looking towards getting that relay qualified. Look for us to have a solid 4x200 and Medley Relay. Michael Severson is currently sitting 4th in Class A in Shot Put and Bo Begeman has already cleared 5'8 in High Jump but will need 5'10 for the State Meet. Emmerson Larson could qualify in the open 100 as well as anchoring the 4x200 and Medley relay teams. Last

year we were very young with 9th and 10th graders so we are looking forward to see what we can do this year as mainly Juniors and Sophomores.

Season outlook: We look forward to coming off of a year of experience returning all but 2 positions. We feel that more than losing a couple of key players, that the experience will trump that and lead us to greater success this season. Through the year last
