May you always know joy and wonder. May you dwell in the possibility as you pursue your dreams. May the light that radiates from your smile, brighten the world around you.

Behind you, all your memories. Before you, all your dreams. Within you, all you need.

We've watched in amazement as you've grown into the person you are today, and we're watching with great anticipation to see what you become. Through all the obstacles and challenges, you have persevered. Always know no matter where you go in life or what amazing things you do, you are very much loved. Love, Mom and Dad
