## **Reader's Choice Awards**

2022

January 31, 2023 | A Special Supplement to the

West Plains Daily Quill

Where is the best place to unwide with a massage? Where is the best place to go when you're craving some barbecue? Who's got the freshest produce in town?

You'll find answers to those questions and plenty more in the West Plains Daily Quill 2022 Reader's Choice Awards.

The Reader's Choice Awards are just that. Readers weighing in on who's got the best of everything, from pizza to ice cream and from furniture to auto body repair.

These awards are an annual winter project for the West Plains Daily Quill since 2017, and starting late last year, we asked readers to vote for their favorites for this edition.

Readers filled out ballots, voting for the best of everything West Plains and surrounding communities have to offer, whether that be the best place to take your "fur baby" for a monthly grooming, the best place to enjoy a burger and fries, or the best place to help you stay on track to keep that new year's resolution of gettingin shape (and having fun doing it). Each name on the ballot counted as one vote.

West Plains has a lot to offer in the way of staying healthy, finding that perfect gift or satisfying your sweet tooth, just to name a few categories, so it proved

quite a challenge for our readers to decide on the best place to find that perfect outfit, get their taxes done or fill up their gars tank and pick up a cup of coffee on the way to work.

READER'S CHOICE

AWARDS

The results have been tabulated for you to read and compare how your "best" measured up against your fellow readers' picks.

The Reader's Choice Awards not only lets our readers voice their opinions on businesses in West Plains. it lets businesses know customers take notice of superior customer service, cleanliness, consistency and a knowledgeable, polite staff.
