Numbers don't tell entire story for Operation Christmas

Numbers can be a tricky

Just ask Peggy Christian, the face of McClain County Operation Christmas.

On Friday the holiday charity sent 171 food baskets out the door at the Multi-Purpose Center.

Now that was down more than 50 families when compared to 2019.

But organizers noticed more people than ever will partake of the holiday feast

That's because in a year when nothing is the same as it's always been, households are changing too.

And that change is most evident in the rise of multigenerational households.

The largest family to receive a food basket this year counted 11 members. It was one of several

blended families. Christian said Operation Christmas was able to brighten the holiday season with food and gifts for more than 800 people this year.

As recently as October, Christian wasn't sure how Operation Christmas would work in the midst of a global pandemic.

It turns out, it worked just fine – albeit with a few adjustments.

Dress up your landscape with winter-inspired container gardens

By Melinda Myers

Clear out your fall containers and make room for some winter greenery. These planters are sure to brighten those dreary winter days and add life to your landscape.

Transform weatherproof summer and fall containers for winter. Fiberglass, plastic, cement and wood will hold up to the cold, ice and snow. Don't subject terra cotta and glazed pots to the harsh elements that can cause them to crack.

Remove faded fall flowers and add a bit of potting mix to fill the container within two inches of the top. Or select a new weatherproof container and fill it with potting mix.

Consider your overall landscape design and other outdoor winter decorations when creating or purchasing a holiday planter. Place a couple of winter planters on your front steps or dress up your patio, deck or balcony and enjoy the view from the comfort of your home.

Don't overlook those hanging baskets. Fill them with winter greenery to elevate your winter containers to a fun new

container design. Make it easy by using spruce tips to create vertical interest in a container.

You only need to set a few in the center of the pot to look like a pro. Surround these with graceful white pine boughs to anchor the arrangement to the container. Add sprigs of other evergreens for additional texture and shades of green.

Next, it's time to put your creativity to work. For those that prefer a natural look, consider white birch branches and stems of red twig dogwood, corkscrew willow or contorted hazelnut.

Add a bit more color with berry laden winter holly branches and dried seed rudbeckias, allium, and coneflower seed heads or hydrangea flowers. Finish off your arrangement with a few evergreen cones and a bow.

Or add a bit of glitz with painted and glittered cones, twigs, ornaments, or other holiday adornments. You can purchase these or create your own with a bit of paint and glitter. Just make sure your winter weather.

> Extend the life of your greenery with an organic biodegradable antitranspirant. These materials help seal in the moisture, delaying the browning of cut greens. Always read and follow label directions carefully. Most need to be applied to evergreen boughs outdoors and allowed to dry before bringing it indoors or beginning your arrangement.

On the first Christmas Mary and Joseph had traveled to Bethlehem to pay their taxes. They were among a multitude of other people who were making the same trip for the same reason.

The Bible says there was no room for them in the Inn. They found refuge in a stable and in the night, Mary delivered her baby. She wrapped him in swaddling clothes and laid him in a cow's trough.

Evolving challenges

Congressman Tom Cole

Last week, both chambers of Congress passed the same version of the National Defense Authorization Act (NDAA) for fiscal year 2021, sending it to the president's desk. This marks the 60th consecutive year that lawmakers have delivered this bipartisan legislation.

Indeed, authorizing resources to support our nation's common defense through passage of the NDAA each year is one of the most critical responsibilities of Congress. Enacting the NDAA is vital to sustaining and strengthening programs and resources to keep our nation safe while also supporting the devoted and brave individuals who make every mission possible.

This has been a particularly difficult year for us all due to the public health crisis caused by the coronavirus pandemic, and our military service members have carried and overcome new burdens in response. Along with their usual as-

signments and duties, many of

our devoted service members

have navigated new and unex-

pected challenges, including Guardsmen courageously aidbeing called upon to serve on ing in coronavirus response the front lines of the pandemic.

As vaccines for COVID-19 start to become available for use in the United States, the Department of Defense (DOD), in partnership with the Department of Health and Human Services, will be tasked to distribute vaccines in record time. I am pleased that the NDAA, passed by Congress, includes funding for essential missions, such as this, as our nation faces the ongoing crisis.

While many of our service members will directly aid in the ongoing fight to eliminate this terrible virus, others will continue to dutifully protect us at home and abroad. I am encouraged that the NDAA ensures our service members have the resources to stay safe and healthy, so they can continue to selflessly serve our country in other assignments.

These provisions include maintaining a plentiful supply of personal protective equipment (PPE), ensuring access to diagnostic equipment and testing capabilities and providing health benefits for our National

efforts at home.

An alarming and emerging threat made more apparent this year comes from the cyber domain. Cyberattacks launched from increasingly aggressive adversaries like China, North Korea, Iran and Russia will be countered and responded to because of critical investments in essential technology such as cybersecurity and artificial intelligence.

The NDAA also strengthens the Cybersecurity and Infrastructure Security Agency (CISA) and restores funding for the Hacking for Defense program, a university course supported by the DOD to teach students to work with defense and intelligence organizations and better handle the nation's emerging security challenges.

Prioritizing programs similar to this one will ensure that future generations can tackle the new threats we face, as well as guarantee the United States maintains our competitive edge

Legislature begins redistricting meetings

• Rep. Cindy Roe •

Every 10 years, the United States completes the census. The census is used to track changes in demographics and populations across the country, and the Legislature uses the data reported for Oklahoma to redraw legislative seats.

The Legislature is constitutionally obligated to redraw districts every decade, and this process will consume a significant portion of our attention in the upcoming legislation

This year, the House Redistricting Committee and its eight regional subcommittees are holding town halls across the state over the next few months to encourage public input in the redistricting process.

Redrawing legislative seats after population changes ensures that each legislator represents roughly the same number of constituents and that your voice is fairly represented at the Capitol. The new legislative seats will remain the same for a decade until the 2030 census.

This year, all House members will serve on a redistricting committee that covers their part of the state. These committees will host multiple meetings, both in-person and virtual, to give the public the opportunity to voice their opinions about the redistricting process.

On Tuesday, January 12, the South Central Subcommittee, of which I am a member, will host its public meeting on redistricting. I'll share more details about that meeting as the date draw closer.

If you're not able to attend in person, I hope you'll watch the live-stream that will be available on the House website. A

Then of course there's the sound, which is probably the biggest complaint I've seen about this film in the months since it was released in theaters.

To put it bluntly, the sound mixing in this movie is bad.

There's moments where you flat out can't understand what characters are saying while they're delivering important information to the audience.

If your intense movie soundtrack is so loud that the audience can't hear a dang thing they're saying, you've failed at your job. Period. End of story. Again, this is basic stuff.

What do you get when you take the classic horror franchise

into a blender with "Freaky Friday," blood, guts and all? Well, obviously, you get this movie.

Seriously, that was the pitch. Last year this film's working title was "Freaky Friday the 13th."

Instead of a teenage girl temporarily switching bodies with her mother, Millie swaps places with a knock off version of Jason Voorhees, the masked killer featured in the majority of the "Friday the 13th" movies.

This right here is exactly the kind of film that's right up my alley.

I have a huge soft spot in my heart for horror-comedies. Movies like "Zombieland," "The Cabin in the Woods" from a few years back, or more recently "Ready or Not" and "Happy Death Day." There's just some strange part of my brain that gets all giddy when I watch them.

And on the surface, "Freaky" seemed like yet another film that would fill that odd void in my life.

Especially considering the fact that this movie was written and directed by Christopher Landon, the same person behind both "Happy Death Day" and its sequel "Happy Death Day 2U," two films I adored when I saw them in theaters.

And well, the movie is more or less what you might expect

To Nolan's credit though, for-TV movies get stuff like "Friday the 13th" and chuck it from this premise. Sadly, there isn't really much here to elevate the film beyond its novel concept.

Where Landon's last movie, "Happy Death Day," had a strong, charismatic lead in Jessica Rothe, this film instead has Kathryn Newton.

Don't get me wrong, I think Kathryn is a perfectly fine actress. Sure, I think she's a little too restrained for a lead role like this, but her character here is likeable enough and she makes for a reasonably sympathetic horror movie star.

But a film like this required a bit more than fine. It needed someone who could be genuine and charming as themselves, but also conniving and even intimidating when their body inevitably becomes possessed by a serial killer.

I'm sorry Kathryn, but I just couldn't buy it.

In an odd twist, the actor who plays our Jason Voorhees standin, Vince Vaughn, also doesn't make for a terribly convincing Blissfield Butcher.

Luckily for us though, Vince does make for a wonderfully charming teenage girl.

Most of the movie involves Vince as Millie, trying to convince her friends and family that she isn't a murderer and trying to get their help so she can switch back to her old body.

From there, the film plays

out pretty much exactly how you'd expect.

There's no mystery here. No twists or turns along the way. The movie ends up concluding pretty much exactly how you'd expect.

And not only is the story pretty predictable, but the kills here aren't even all that creative. Something you'd probably expect from a novelty horror movie like this.

Oh, it starts off promising in the movie's opening prologue, but those are sadly some of the most interesting kills in the film. I can't understand what was

holding them back. This is an R-rated slasher for crying out loud. Creativity is king in films like this. Yet beyond a couple exceptions, most the murder here only amounted to simple stabings or impalings. I don't know. Despite my

complaints, I still did have some fun with this movie. I imagine those looking for a new horror-comedy will probably find something to enjoy here.

I guess after being spoiled with films like "Ready or Not" and "Happy Death Day," I just can't help but feel a little disappointed when "Freaky" doesn't reach the same heinous and hilarious heights.

"Freaky" is rated R and is available to rent on video-ondemand for \$19.99.

the Soul

It may be the greatest song ever written—'How Great Thou Art.' If not, it's on that top shelf with the best of the best.

The writer of 'How Great Thou Art' understood something about God's glory and majesty. He had experienced wonders in God's handiwork that made him stop right where he was and give God the glory. You might think he stood and looked out over the Grand Canyon – ah, from high up there you can sing 'Then sings my soul my Savior God to thee' and the cool running Pigeon River churning confidently through it.

Carl Bobert, the Swedish preacher who penned these words in 1886, likely never saw either of those wonders, although he would have plenty of his own to admire in the beautiful landscapes of Sweden. Many scenes there display the glories of God and would cause him to sing, and write:

'O Lord my God, when I in awesome wonder consider

In These Times, 'How all the worlds thy hands have Great Thou Art' Good for made. I see the stars, I hear the rolling thunder, Thy pow'r throughout the universe displayed.'

> The wonder we have of God, as with the song poet here, seems to come in stages. First we wonder at God's greatness, marveling of Him in our mind, then we see all that He has made and hear the pow'r of the rolling thunder - our thoughts, our eyes, our ears all taking in God's glory.

But there's something still missing, some sense we possess that we have not yet engaged in our wonder and with vigor, can't you! - or up worship of God, but the writer on a message to me this week contact Pastor David directly high on the Smoky Mountains will not leave it that way for that is going around on email. at (405) 406-6174. looking deep down into the long. THE PURCELL REGISTER, Thursday, December 17, 2020-9A

Away will be held this Saturday, December 19, from 12 to 4 p.m. We ask that everyone wear masks and pay attention to social distancing. Masks can be provided if you do not have one. Hand sanitizer will also be available. Our monthly Sunday breakfast will be this coming Sunday at 9 a.m.

Some of the following was based on information from the faithward.org and Wikipedia. org websites.

This past Sunday, our focus was on joy. Sometimes this third Sunday in Advent is associated with the shepherds. From Psalm 126:5-6 "May those who sow in tears reap with shouts of joy. Those who go out weeping, bearing the seed for sowing, shall come home with shouts of joy, carrying their sheaves."

Based on Matthew 11:2-11. The blind receive their sight! John asked Jesus, "Are you the one who is to come, or are we to wait for another?" Jesus said, "The blind receive their sight, the lame walk, the lepers are cleansed, the deaf hear. The dead are raised, and the poor have good news brought to them. Blessed is anyone who takes no offense at me. Truly I tell you, no one has arisen greater than John the Baptist; yet the least in the kingdom of heaven is greater than he."

We re-light the first Advent candle to remind us to keep awake and be ready. The second Advent candle reminds us to change our ways. We light the third Advent candle to remind us of the good news that the blind can see and the lame can walk.

The light glowing from our Advent wreath is burning brighter. This radiance warms our hearts and fills us with joy! The Lord has done great things for us. Let us rejoice!

Dear God, we carry many burdens and worry over many things. Help us to hear your promise in this Advent season, that in hearing, we may receive the Spirit's gift of joy. May our spirits be kept sound at the coming of our Lord Jesus Christ, in whose name we pray. Amen.

A friend in California passed Let me share it with you to give you something to think about.

Some of you may have seen information about the Christmas Star appearing this year on Monday, December 21. Let's take a deeper look at how amazing that this occurrence should be happening in the year 2020.

In the year when Jesus was born, there was violence, chaos, as well as political and social unrest. It was dark. The Magi found Jesus by way of the star, which was the "meeting" of three stars: Jupiter, Saturn, and Mars. They followed the star until it rested over where

The next Food Bank Give- Jesus was, and the Magi began to worship him. In a time where there was darkness, Light was brought into our world. Jesus stepped into the chaos and brought us peace.

Fast forward to this year, 2020. It's a time of violence, chaos, and political and social unrest. It is dark. The Winter Solstice, December 21, is the time when the day is the shortest and the night is the longest. It is literally the "darkest day" and is the beginning of what most people would call the cold, dark winter season.

But on this darkest day this year, Jupiter and Saturn will "meet," giving us the Christmas Star! How fitting, that in this moment of time, during the Christmas season, we get to see this beautiful reminder that, even in the darkest of times, Light will and has stepped in. In our chaos, Jesus is there. He brings Light and makes all things new.

So as we look out on December 21 for the Christmas Star, may we be reminded of God's power and Light that Jesus brought for all humankind. Jesus is perfect at stepping into chaos and changing it into peace.

Remember-Keep awake! Be ready! And prepare for God's coming to Earth. Lord, let us see your kindness and grant us our salvation. Rejoice always. Pray without ceasing. In all circumstances, give thanks.

Hope is in the air with the coming of the COVID-19 vaccine. The overall lesson of our faith, whether it be Christian, Muslim, Jewish, or most other paths, is hope. As we continue in the season of Advent, we have hope to share with others.

The Lexington United Methodist Church invites you to join us in worshipping God at 9:30 a.m. on Sunday. We have plenty of room to spread out in the sanctuary and distance ourselves. Wearing a mask keeps us from giving the virus to someone else, not necessarily to protect ourselves.

Pat Fluitt

"Teachers Touch A Life Forever"

Patricia "Pat" Steele Fluitt, formerly of Wanette, Oklahoma, completed her earthly journey on Dec. 9, 2020 in Longview Texas. Pat was born February 26, 1934, the only

child of Elmer Duke and Carolyn Hand Steele in Refugio, Texas. She lived in Oklahoma and Texas throughout her life.

Pat graduated from Woodsboro High School in Texas and obtained her undergraduate and graduate degrees in education at the University of Oklahoma, Our Lady of the Lake in San Antonio, and the University of Houston at Victoria, Texas.

Following the lead of her beloved Steele aunts, she pursued her lifetime passion and career in teaching.

She first saw the love of her life, Malcolm Fluitt, at a family wedding and wrote in her diary she met the man she was going to marry. Pat and Malcolm married in 1953 and were blessed with six children, Patty, Logan, Norman, Laura, Carolyn and Robert. The first four "stairsteps" were born while Pat completed her undergraduate degree and student teaching in San Antonio and the last two, aka the "fall crop," arrived years later in Oklahoma.

Most people would have been satisfied with the abundance of "kid filled time" provided by teaching and her own brood, but Pat continued to fill her life with children at every opportunity through teaching Sunday School classes, Vacation Bible School, and summer school programs, and volunteering in 4-H and CASA programs.

The Fluitt home was always open to her kid's friends, her grandkids and their friends, and the neighbor's kids for sleepovers, birthday and holiday parties, extended visits, and they often took along "extras" on family trips. In addition to her full schedule of teaching and raising a family, Pat helped Malcolm with his livestock and ranch work The memories of their joint cattle working endeavors will forever serve as treasured and hilarious family entertainment.

Pat was a devout Christian, first as Episcopalian in early life and then as Baptist, the denomination she and Malcolm chose together. She was a faithful member serving as much as she possibly could into her later years.

Pat was preceded in death by her parents; her husband and her granddaughter, Rachael Carolyne Rhoads.

She is survived by her children Patty (Jimmy) Johnson, Wanette, Okla., Logan (Tracy) Fluitt, Gilmer, Texas, Norman Fluitt, Driftwood, Texas, Laura Logan, Paoli, Okla., Carolyn (Charles) Bippert, La Grange, Texas, and Robert (Jimmie) Fluitt, Tecumseh, Okla. She also leaves behind grandchildren, Charity (Derek) Kight, Derek (Bailea) Fluitt, Cody (Monica) Brandt, Rachael Logan, Cameron (Alicia) Fluitt, Devin (Westy) Carpenter, Brady Bippert, McCauley Rhoads, and Blayne Bippert and great-grandchildren Mae, Andee, Walker, Payton, Allison, Denton, Blakely, and Emma.

Funeral services were held Monday, December 14, 2020 at the Jenkins Funeral Home in Burnet, Texas, and burial was at Wolf Crossing Cemetery. The family has designated the First Baptist Church of Wanette, PO Box 159, Wanette, OK 74878 for donations in lieu of flowers.

Virginia Waunell (Huitt) Dees

93 years ago, on November 19, 1927, J.B. and Ola (Underwood) Huitt had their second child, a little girl named Virginia Waunell (Huitt) Dees Growing up during the Great Depression, her family became share croppers following the

growth and harvest of crops such as cotton and broom corn. Waunell attended a different school almost every year, finally graduating from high school in Geronimo, Oklahoma, with the class of 1944.

Her Father's family lived in the Altus area, which led her family to eventually settle around Lawton and Altus. Waunell's family was blessed musical talents, which lead

Dees from Lawton, Oklahoma. The Dees family were cattle and horse ranchers around the Cash Creek area of Lawton. They would host social events in their home, rolling up the rugs and tossing down sawdust. Of course, they would need music, which was often provided by Waunell's fiddle and guitar playing family. Vernon and Waunell made the perfect couple. Together

to the destined encounter with the love of her life, Vernon

they won several dance contests, fell in love, and were married on January 31, 1948. They rented a small farm in Sterling, Okla., where their first little girl was born. In 1951, they bought land in Lexington, Okla., and began raising Angus cattle and had two more little girls. When Waunell lost her loving husband in 1989, she remained on the farm until her last precious breath on December 12, 2020.

Mrs. Dees was known by a variety of titles on her family's side. Family called her Tooter, and in the community, she was Mrs. Dees or Waunell. In her church she was known as the Gum Lady because she brought a piece of Juicy Fruit gum for each child, every Sunday in exchange for hugs. So many times, she said how honored and pleased she was to be known as the Hummingbird Lady.

Her three daughters called her Momma, and her grandchildren, great-grandchildren, and many of their friends bestowed upon her the dearest title of them all; Nanny. Nanny's life was so amazing. She was known for her wonderful baking and cooking, sewing skills, and all the contributions she added to the lives of everyone she encountered. She loved talking to people, and because of her avid reading, she was well versed on many subjects. Her knowledge and life experience provided for interesting and intellectual conversation. She was generous with her opinions about life and the world. Stranger was not in her vocabulary.

Waunell had a passion for many aspects of her life. First was her faith and love in her savior, Jesus Christ. She enjoyed serving God, teaching in Sunday School and Vacation Bible School. She was a member of the Corbett Baptist Church since 1942 and she sang with the Corbett Quintet

Second, was taking care of her family, she was a very loving home maker. Waunell belonged to the Corbett Home Demonstration Club, winning hundreds of ribbons for her sewing and canning. She was a wonderful wife, mother, sister, aunt, daughter, and Nanny!

Third was her hummingbirds. Every spring she would hang about 30 feeders filled with the exact proportions of water and pure cane sugar to care for the many little hummingbirds she'd attracted to her home over the years. She was an expert on the life and care of the little, fragile, delicate, beautiful hummingbirds. Waunell collected anything with a hummingbird on it, she had hundreds of ornamented hummingbird collectables. During her last weeks she expressed her wish that her collection be utilized and shared in a special display, collected and curated by the Hummingbird Lady.

Mrs. Dees enjoyed working in the grocery retail industry. For many years she worked in Pratt, which later became Foodland in Purcell. She also helped manage Reed's Grocery in Lexington. She took pride in her work and work ethics. Her life was so full of fascinating events, wonderful holidays, family trips, and air travel. She had many summer vacations with her youngest daughter Shelia and son Jess, sightseeing and meeting people.

In our walk here we all experience loss of loved ones. Waunell Dees was preceded in death by her Mother and Father, J.B. and Ola Huitt; brothers, Terrell and Alton Huitt; Her Beloved Husband, Vernon Dees; her Daughter, Norma (Dees) York; her grandson, Vernon Lane Dees and great-grandson, Erric Monroe.

As she enters into her eternal mansion in Paradise, Waunell Dees leaves behind her precious sister, Shirley McKelvin; seven nephews and eight nieces; two Daughters, Denelda Dees Jones and husband, Gene, and Shelia Dees; four grandchildren, Jamie (Monroe) Foster, Jessica Smith and husband, Nathan, Brian Ganster and spouse, Tina Jean, and Jesse Dees; eight great-grandchildren, Zakery Stile, Nathan Brewer, Dacton Brewer, Gabbriel Ganster, Callie Ganster, Taelyn Fenstormacher, Samantha Ganster, Brook Miles and Dee Ganster and many dearly loved friends and relatives.

Fourth showing

Warriors in finals at Wantland Stadium vs. Metro Christian Saturday

John D. Montgomery The Purcell Register

Saturday when Washington's Warriors tee it up at Wantland Stadium in Edmond, it will be the fourth straight year they have closed out their football season against Metro Christian of Tulsa.

The last three years Metro Christian has defeated Washington knocking them out of the state playoffs.

Kick off is slated for 1 p.m.

"We'll give 'em the last three if we could take this one," Washington Head Coach Brad Beller said with a chuckle this week.

Saturday afternoon's finale will mark the fourth time Washington has played in the State Finals. The first time in Stillwater in 1996 Washington brought home the Gold Ball, knocking off Turpin.

They took silver in 2017 losing to Millwood.

They were also in the finals in 2005 when they were State Runners-up to

This year a very hard working bunch of Warriors hope to complete the mission and be crowned State Champions.

"This group has earned every inch of what they have done," Beller said of his troupe. "This bunch has worked hard and there is a bunch of them that have been here forever and have wanted to be a Washington Warrior all their life.

"They've worked hard and have a chance to add to the legacy and tradition of this program," Beller said. "Our coaching staff has worked hard, too. It's been a crazy year.

"We have to seize the moment, enjoy the position we've been given and play like we've played all year," Beller

As Derek Clark settles into the 2020-21 basketball season he begins his third year as the skipper of the Lady Bulldogs.

It's his fourth year overall at Lexington.

Clark has a 34-16 career record and welcomes Jaci Idlett as the lone returning starters off last year's prolific 20-6 team.

Lost to graduation were Amanda Graddy, Lauren Beason, Emilee Jenks, Anna Sample and Zayla Hyde

Rylee Beason is the only other player on the roster with has a lot of playing experience.

'We graduated 90 percent of our scoring with two of last year's seniors going on to play college ball," Clark said.

This year's edition of Lady Bulldog basketball will rely on their size.

"That is our team strength," Clark continued. "We need to improve our shooting. I'm looking for the girls to step up in scoring to replace what we lost."

Clark said his current troupe is extremely young.

With three victories last week, Purcell ran its basketball season mark to 4-1.

The only blemish on the Dragons schedule is a 50-36 setback to Weatherford in the CCS Tournament last weekend.

Purcell dusted Davis earlier last week, 56-28 behind Nate Willis' 17 points. Jorge Munoz added 11 points in the paint against the Wolves.

Purcell started the tournament last Thursday with a 62-42 smoking of CCS JV.

Mojo Browning led all scorers with 19 points. Joining him in double figures were Misael Duque with 14 and Willis with 10.

Munoz, Lincoln Eubank and Browning paced the Dragons with eight points each in the low scoring affair.

"Only one team can claim three wins in a tournament so everyone else is fighting to come out with two," head coach Roger Raper said.

"We were able to get that done. Not having a summer schedule this year has us behind in our development as a team. It is coming together just slower than years past," he continued.

"Summer time play is so important to growth of a team and the chemistry of a team. We are just now being able to learn how to play as a unit and understanding our strengths and weaknesses.

The Washington Warriors picked up a pair of wins and over the weekend.

They faced Class B Kiowa in their first game of the Latta Panther Classic and claimed a 65-23 win.

"Kiowa had lost all their starters and we jumped out on them," said Washington head coach TJ Scholz.

The Washington defense was successful in creating turnovers, which led to easy transi-

tion buckets for the Warriors. They then played Class 4A No. 16 Newcastle.

Scholz was happy with the play of several of his players, including Kenneth Love III, Cash Andrews, Hector Quinonez, Hayden Hicks and

"Kenneth played well and looked good in live action," Scholz said. "Hayden shot well the last two games and Hector played well against Kiowa."

Andrews, a sophomore, averaged six assists per game for the tournament.

"That's pretty good," Scholz said. "He distributed it well."

Bates provided solid bench play and energized the team when he was called upon.

"He stepped up and was a spark plug off the bench for us," Scholz said. "He'll get more opportunities because of that."

Scholz was happy with his defense's performance in holding Kiowa to 23 points and Latta to 31.

"It will be good for us to see film on ourselves and we'll make improvements," Scholz

The Washington basketball team will also get the football players back and will have their full complement of players.

70-60 win over Velma JV seals consolation for Wayne

Emily Montgomery The Purcell Register

Wayne Head coach Josh Trent and his Bulldogs were in Velma over the weekend. They lost their first game, but rebounded for back-to-back wins in their final two contests to nab the Consolation.

Wayne (2-4) tipped off the tournament against Empire. Despite a hard-fought comeback, the Bulldogs fell 59-52.

Talon Trent and Brannon Lewelling led their team in scoring with 17 and 16, respectively. Kaleb Madden added nine.

The Bulldogs got in a 17-0

hole early against Empire. But, came back to take a four-point lead in the third. Wayne outscored Empire in the second and third quarters.

But, the Bulldogs ran out of gas by the final stanza and lost their lead and the game.

"I'm proud of how the boys played, coming back from a deephole. But, we were gassed pla by the fourth and could not finish the game," Trent said.

In their second game, Wayne got a 16-point, 55-39 win over Duncan JV.

Once again Lewelling and Trent led the team in scoring with 18 and 16. And Jr. Perez added nine. In their final game of the

tournament, Wayne was in a tight contest with Velma JV. Behind Trent's 31-point effort, Wayne 36 Wayne won 70-60.

Lewelling was second in scoring with 26. Madden was again good for nine points.

Last Tuesday, Wayne was in Velma for a regular season game against the number four Comets in Class A.

'Velma is a very good team. The boys played hard and shot the ball decent, but we just couldn't stop them," Trent said.

Wayne about kept pace with **Wayne 64** the Comets through one quarter, but they pulled away in the second stanza, scoring 20-plus in each quarter.

Talon Trent led the team with 13 points. Brannon Lewelling joined him in double figures with 10. Jr. Perez added nine to round out Wayne's scoring.

Wayne hosted Minco on D Tuesday.

Josh Trent's Lady Bulldogs kicked off the Velma tournament with a loss to the Empire N Lady Comets, 44-36.

"We didn't play well until the 12/12 third quarter. We were down 20, Davis 48 and came back to lose by eight. We are just not consistent," Trent said.

Scoring was spread pretty evenly between Lorensa Martinez (9), Kaylee Madden (8), Shyleigh Mantooth (7), McKenzie Fisher (6) and Allie Walck (6).

Coach Trent lamented his team's lack of consistency.

"I just don't know which team I'm going to get on the court."

"They spread you from sideline to sideline running everything from short screen passes to vertical routes," the coach said.

"It was a dumb coaching move that allowed them to pull within 14-6," Beller said. "But our kids responded and that was big."

Wilk found Schultz again in the second quarter this time for a 38 yard touchdown pass.

Kade DuBois added his footprint to the victory toeing a 28 yard field goal in the third period before Wilk scored from a yard out in the fourth. Chase Allison closed out the scoring with a four yard fourth period

Beller said the stellar play of his offensive line proved to be the difference in the game.

"I was very pleased with the way they controlled the front seven of Beggs," Beller said. "Actually it was even more because their free safety that is going to play at Texas A&M was in the box as much as their linebackers.

Warrior Football will play Metro Christian in the 2020 Class 2A State Championship this Saturday, December 19. Kickoff time is 1 pm. at the University of Central Oklahoma in Edmond (gates open at 11 a.m).

* Home Team: Washington will be the designated home team and sit on the West side.

* Tickets: UCO has a seating restriction of 6,000 during this time of COVID. With that in mind, this is the plan for on-line tickets and paper tickets for this week's championship games at UCO.

GoFan, our online ticket vendor, sent each school a "private" school link for 1,200 tickets on Monday, December 14. That link will function until 8 a.m. on Friday, December 18, or until the 1,200 limit is reached (we are now limiting each login to a six ticket purchase at one time). After Friday at 8 a.m., no online tickets may be purchased. Paper tickets (cash only) will be on sale Saturday at the site two hours prior to kick off (up to the restricted limit of 6,000). Paper tickets will only be sold on the west side of the stadium.

*Information Packet: We will post a fan information packet for fans on the football page of the OSSAA website that will also include the COVID guideline. This packet will include a map of the campus.

*Entry to the Stadium: Gates will open at 11 a.m. Masks are required at all times while in the stadium. Seats are marked off for distancing. The addition to the entry process of going through metal detectors will add time to entry and create some long lines for those folks arriving at the stadium only 25 minutes prior to the kickoff. Again, gates will open two hours prior to kickoff.

* More information will be shared as it is made available.

Pursuant to the Order for Combined Notice, all creditors having claims against Henry Wyatt Smith, Jr., Deceased, are required to present the same with a description of all security interests and other collateral (if any) held by each creditor with respect to such claim, to Dr. Angela Smith Finn and Tony Kendall Smith, Co-Special Administrators, at The Law Office of Tyler R. You are hereby advised that you may file objections to the Petition for Summary Administration and Admission of Will to Probate, the final account and petition for determination of heirs, devisees, and legatees, and distribution at any time before the hearing and send a copy to the Petitioners in care of their attorney, Tyler R. POLLUTANT DISCHARGE APPLICATION NO. RW20-001 MUNICIPAL CONSTRUC-TION APPLICATION NO. STR000044190960

Notice is hereby given that the Oklahoma Department of Environmental Quality (DEQ) has issued a draft permit to supply reclaimed water and a draft municipal construction permit to the Goldsby Public Works Authority, 100 East Center Road, based on a Tier II reclaimed water application filed on February 14, 2020, for a new permit to supply with the DEQ, and a Tier II municipal construction application filed on November 21, 2019, to construct a new total retention lagoon system with reclaimed water supply and distribution system. A final municipal construction permit, if issued, would allow the Goldsby Public Works Authority to construct a new total retention lagoon and reclaimed water supply and distribution system from the Goldsby Wastewater Treatment Facility. A final permit to supply, if issued, would allow the Goldsby Wastewater Treatment Facility to supply treated wastewater from their facility, the Goldsby Wastewater Treatment Facility, which is located in the SW¼ of the SE¼ of Section 13, Township 8 North, Range 3 West, I.M., McClain County, Oklahoma. The Goldsby Wastewater Treatment Facility is a municipal facility that accepts domestic wastewater. The proposed permit to supply allows the reuse of treated wastewater as irrigation on two pasture and cultivated land sites located in part of Section 24, Township 8 North, Range 3 West, and Section 13, Township 8 North, Range 3 West I.M., Mc-Clain County, Oklahoma. A copy of the draft construction permit and draft permit to supply, fact sheets, applications, and other relevant documents may be reviewed at the Goldsby Town Hall; 100 East Center Road, Goldsby, OK 73093, between the hours of 8:00 a.m. to 5:00 p.m. Monday through Friday. Copies of the draft construction permit and draft reclaimed water permit may be reviewed on the DEQ website at https://www. deq.ok.gov/permits-for-publicreview/. Pursuant to 27A O.S. Sec. 2-14-302, persons wishing to make comments concerning the draft permit may do so by sending the comments in writing to the Contact Person for the DEQ,

CAUSE NO. PUD 202000105

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that CenterPoint Energy Resources Corp., d/b/a CenterPoint Energy Oklahoma Gas ("CenterPoint Oklahoma") has filed an Application requesting that the Oklahoma Corporation Commission issue an order approving an asset management agreement and revenue-sharing mechanism.

NOTICE IS FURTHER GIVEN that, as detailed in the Application, CenterPoint Oklahoma and Tenaska Marketing Ventures/Tenaska Gas Storage, LLC ("Tenaska") entered into an Asset Management Agreement (the "AMA") concerning certain gas storage and transportation contracts. In general, under the AMA, CenterPoint Oklahoma will release to Tenaska all of its capacity under those contracts, Tenaska will manage certain gas supply and delivery arrangements for CenterPoint Oklahoma, and when the released capacity is not needed to serve CenterPoint Oklahoma's customers, Tenaska may enter into transactions that maximize the value of the pipeline capacity and negotiate beneficial transactions in the gas commodity markets. CenterPoint Oklahoma will receive from Tenaska specified revenue associated with the assets managed under the AMA.

NOTICE IS FURTHER GIVEN that CenterPoint Oklahoma proposes in the Application to continue with the current revenue-sharing mechanism whereby the revenue from the AMA will be split with customers on a 50/50 basis, with CenterPoint Oklahoma retaining 50% below-the-line, and with the remaining 50% being credited to revenues in CenterPoint Oklahoma's Performance Based Rate Change filings.
