BOYS & GIRLS CLUBS
OF TOWN OF WALLKILL INC.
Serving Northern Orange & Sullivan Counties

Every day in Liberty, Monticello, and Fallsburg kids have a safe place to go after school. When they're with us they get help with their homework, and a nutritious snack. They learn about living a healthy lifestyle. They participate in community service initiatives.

Your good hearts and generosity help sustain the work we do to keep our kids safe, feel supported, and work hard to become good citizens. For all that, we're thankful.

TRR BEST 2016

The Best Has Arrived!

The votes are in and the ballots counted and the 2016 winners chosen for **The River Reporter's** Readers' Choice Best Awards (fondly referred to as The Best). The Best highlights, you guessed it, the best of our community—the people, places and businesses that are worth seeking out, or perhaps discovering for yourself for the first time. Whether it's the best place to shop, or the best service provided, or the best place to visit, The Best is a well-established resource for finding the best providers of all your essential goods and service needs.

Best of all, the winners are selected by you, for you. And when we say you, we mean you the readers and the consumers.

This is your handy guide to use, and it will enable you to get the best that the region—Sullivan, Delaware, Orange, Wayne and Pike counties—has to offer. We especially want to thank our readers for sharing your own list of personal favorites with all of the rest of us.

The Best is a marketing tool, a device for showcasing what our community has to offer. And one of the best things is that The Best gets the word out about the availability of great products, business, services, places and more. Even if you have lived here for many years, The Best offers a fresh perspective and may show you just what you were looking for. We hope The Best will encourage and promote creative collaboration.

As you can imagine, in the weeks before The Best arrives on your newsstands, **The River Reporter** team has been hard at work. It's an exciting time which is full of energy, and I would like to thank our advertising team for cheerfully making phone calls to the hundreds of winners, to our Production Manager Amanda Reed for building a creative supplement, and to you, the reader, for casting your vote. A very special thank you to all of our many advertisers on whose businesses we all depend to support our local economy. Most exciting is that among all of this year's winners, you will find both old favorites and discoveries that will become your brand new favorites.

Flip through the pages and discover restaurants, shops, services and more, and—don't be shy—you can already start thinking about your vote for The Best of 2016 and together we make our region the best, ever.

As we celebrate our 21 year anniversary in Sullivan County and 34 years in business we would like to thank all of our customers. A special thank you to the readers of The River Reporter for voting us the BEST since 2009!!

"Thank You River Reporter Community. It is an honor to have your vote. There is no greater pleasure than working in service of you.

As someone who struggles to find common ground during times of such political division I find the most precious example of unity within my time at the Hortonville Volunteer Fire Company. The bonds formed through our shared service together quake my soul with such satisfaction I am inspired daily to love unconditionally all people despite any quality or remark that would otherwise divide us. I am fiercely committed to connect with those I could too easily avoid, and will continue to admire all of our community with interest and compassion.

It's time to reach out with open ears and arms."
