TRR BEST of 2017

The Best Has Arrived!

Everybody has their favorites: favorite places, favorite foods, favorite place to go and things to do. And people being people love to share. So it is with great pleasure that The River Reporter presents you with its 22nd annual Best Awards, a section that represents all of our readers "favorites" that they shared with us throughout 2017.

We hope that you enjoy the section and get a sense of the variety and viability of our region. Besides spreading the news about everyone's favorite, the Readers' Choice Best Awards is part of a larger scheme to market and highlight the many wonderful people, places, services and businesses in the Upper Delaware River Valley, and Sullivan, Delaware, Orange, Wayne and Pike counties. It serves to encourage residents and visitors to savor and support that which is unique to our local area and to raise a level of friendly competition and overall competence of our consumer goods and service providers.

Many thanks to the readers who filled out the ballot, to the advertising staff who contacted all of the winners, to the production staff who put it all together and to the people who have dedicated their lives to be "The Best" this area has to offer.

Congratulations all!
