"Our message is 'Peace, Love and Rock 'n' Roll.' Music plays an important part in our lives as a family, and we absolutely LOVE attending concerts at Bethel Woods. Unfortunately, we have now moved to Cincinnati, OH, and it may be awhile before we are back, which is one of the other reasons we purchased the paver. For our family name to be part of the Woodstock legacy, as well as being part of the amazing place that is Bethel Woods is very meaningful to us."

Explore the history of the Woodstock festival first-hand through our new augmented reality tour, Meet Me At Woodstock! The one hour, one mile adventure uses festival music, authentic stage recordings, and wonderfully imagined graphics to help you become one in the iconic 450,000 crowd.

Narrated by seasoned Bethel Woods volunteers Nick & Bobbi Ercoline (the couple featured on the cover of the *Woodstock* album!), the augmented reality tour shows visitors a 3-D model of the stage and pop-up photos and videos highlighting exciting landmarks around the historic site. Audio commentary from Nick and Bobbi is complemented by stories from Woodstock attendees, taken right from The Museum's archives.

Meet Me At Woodstock is made possible by American Express, with additional funding provided by Empire State Development. It was developed in partnership with Antenna International and Earprint Immersive.

Sensory-Friendly Museum Days

Second Saturday of each month
\$10 per person | Caretakers Free

Creating a fun, enjoyable, and explorative museum experience in an inclusive environment.

Developed by **Candace Rivela**, Lead Teaching Artist at Bethel Woods Center for the Arts, and **Julia Fell**, Assistant Curator at The Museum at Bethel Woods, Sensory-Friendly Museum Days invite individuals of all ages with autism, complex developmental disabilities, or sensory sensitivities to experience the Main Exhibit, gift shop, and cafe during special early-morning hours before the museum opens to the general public.

Aspects of The Museum galleries have been adapted to give visitors control over their experience: sound and lighting features are augmented to reduce sensory stimulation; certain portions of the exhibit have been changed to give visitors the ability to engage to whatever extent they are comfortable. There are also props and costumes available for guests seeking a more tactile experience, as well as a Sensory Map, shown below.

We are dedicated to ensuring the full integration of individuals with disabilities who use our facilities and have trained staff and volunteers available to assist guests in navigating the exhibition, engaging in interactive explorations, and answering questions about any displays.

This initiative was made possible with support and collaboration from The Center for Discovery and New Hope Community.

In a word Judy is an ANGEL. She is so personable and extremely knowledgeable about home ownership and maintenance. Some agents I've worked with in the past gave the impression they cared about the commission and not the client but that is not Judy. She knew I was a single mom with a toddler and made sure to point out safety concerns and building imperfections so that I could find the best fit for our needs. She was so patient and spent so much time with my family while we toured countless homes. She is an incredible negotiator and provided some strategic ideas for making offers. Judy is one of those people that you feel like you have known your whole life and I will happily direct all other prospective buyers to her.

Donna Geba was excellent in every single step of the sales process.

Communication, coordination and overall project management were flawless.

Her resilience in difficult circumstances built confidence and, in fact, admiration.

I would recommend Donna unconditionally, and am extremely happy that she was able to help us with multiple difficult sales.

The results were outstanding.

This is my second time using Dennis Short purchasing and selling of a home.

I would HIGHLY Recommend Dennis, when purchasing and selling a property.

His response time via text/phone/email were fantastic.

Knowledge of the area/market were amazing.

Even though business is business at the end of the day he made me feel like my opinions mattered.

He met all of my expectations.

I WILL use Dennis for my future purchases as will my friends and family.

It was a pleasure working with Donna Geba. Donna is a top notch professional and expert in her field as demonstrated by her work with me.

I had a tough piece of property to sell and she hung in there with me every step of the way. She was courteous, respectful, knowledgeable, kind, and patient with me.

She responded promptly to any questions or concerns I had. Her advice on changing the sales parameters was spot on because after that we were able to sell the property.

Donna knows the region and the market really well.

I highly recommend Donna Geba, of Geba Realty.

Recommendations Say it All!

I was satisfied with Geba Realty from the moment I met Gabor! Selling my home was a very emotional decision that I finally made and from the moment I spoke with Gabor Dezo he understood that. He was compassionate and caring and helped me make decisions about the sale in a concerning way. Gabor is also very knowledgeable in his profession as a realtor. He kept me informed at every step which could have been difficult for him since I was out of town. I would recommend Gabor Dezo highly.

The thing to understand about Beth is that she is empathetic. If you are stressed or worried about an issue with the property Beth goes above and beyond to make sure your concerns are addressed. She isn't afraid to take clients to strange, unusual or downright ugly properties, meanwhile she knows the high-end property market just as well. She's a star.

Rene is a fantastic agent. She worked so hard helping us to find our dream house, and the entire process was smooth and easy. Rene arranged everything and provided help with anything we needed. She even helped us switch electricity and utilities from the previous owner, so our house was functional when we moved in. I highly recommend Rene. I couldn't possibly wish for a better real estate agent!

Denise became a friend quickly. She was quick to understand our needs I wants and did not push any agenda but what was best for me and my family. I could not recommend Denise enough. She knows people in general, and definitely knows the area, giving her insights to factors that influence the choice of location. Oh, she was also fast...really fast, when needed. In today's market, moving quickly with knowledge is critical. I can't imagine a better partner in the purchasing process than Denise.
