At Woodstock, peace was not an accident, it was the plan. Using genuine artifacts and replica structures including large-scale way-finding maps, information booths, and the bright and interactive Fanflashtic experience, the 2024 Special Exhibit explores how communes such as The Hog Farm promoted volunteerism and the idea that personal action helps a community succeed.

The Museum at Bethel Woods

THE STORY OF THE '60s & WOODSTOCK

The Museum at Bethel Woods | Open Daily 10AM-5PM
Open until show starts on concert days.

Some visit to relive the past and their journey to Woodstock. Others come to experience what it was like for the first time. As you step inside the exhibit you hear the echo of 450,000 chanting “no rain” and see the stories of those who were actually there. Through artifacts, films, music -and even a hippie bus- you will be inspired not only by what was the most prolific three-day festival in history, but by the ideals that still remain relevant today.

SINCE 2006, WE'VE BROUGHT THE BEST NAMES TO BETHEL WOODS.

This should include *yours*.

Customize a brick paver with your own message and it will be incorporated into the classic design of the pathway at the venue entrance. Whether you choose to honor a loved one, celebrate a milestone, or cement your family's legacy, a paver is a meaningful way to support Bethel Woods and preserve history - yours and ours, together. **All paver purchases help us build community through the arts.**

"Our message is 'Peace, Love and Rock 'n' Roll.' Music plays an important part in our lives as a family, and we absolutely LOVE attending concerts at Bethel Woods. Unfortunately, we have now moved to Cincinnati, OH, and it may be awhile before we are back, which is one of the other reasons we purchased the paver. For our family name to be part of the Woodstock legacy, as well as being part of the amazing place that is Bethel Woods is very meaningful to us."

- Crume Family

— THE MUSEUM AT BETHEL WOODS —

Sensory-Friendly Museum Days

Customized visits offered April-December.

Creating a fun, enjoyable, and explorative museum experience in an inclusive environment.

Sensory-Friendly Museum Days invite individuals of all ages with autism, complex developmental disabilities, or sensory sensitivities to experience the Main Exhibit, gift shop, and cafe during special early-morning hours before the museum opens to the general public.

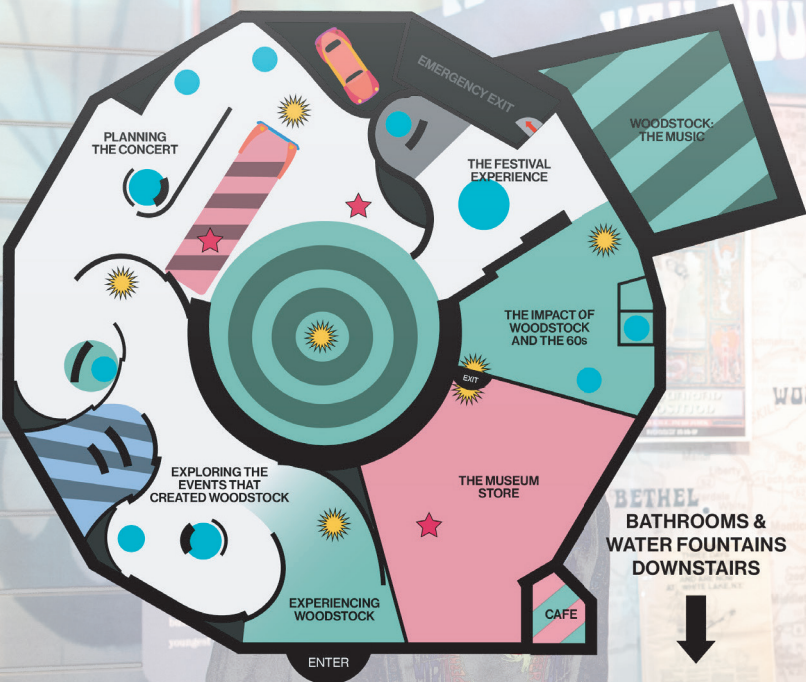

Aspects of The Museum galleries have been adapted to give visitors control over their experience: sound and lighting features are augmented to reduce sensory stimulation; certain portions of the exhibit have been changed to give visitors the ability to engage to whatever extent they are comfortable. There are also props and costumes available for guests seeking a more tactile experience, as well as a Sensory Map, shown below.

We are dedicated to ensuring the full integration of individuals with disabilities who use our facilities and have trained staff and volunteers available to assist guests in navigating the exhibition, engaging in interactive explorations, and answering questions about any displays.

For bookings, please email Education@BethelWoodsCenter.org

Funding for Sensory-Friendly Museum Days has been provided by Bethel Woods members and donors and through a generous gift from: Heather and Matthew Potter & Family/Nexxt Enterprises LLC.
