

# SAVE A LIFE TODAY! YOUR OWN!!

**Please Don Your Life Jacket!**

**IT CAN  
AND WILL  
SAVE  
YOUR LIFE!**

**Whether you are swimming  
in a lake, stream or river  
please use extreme caution  
and please, wear a life jacket!**

There have already been six  
drownings in Sullivan County  
this summer and we urge all  
outdoor enthusiasts to use  
extreme caution when swimming  
– whether in a group or alone.

**WEARING A LIFE VEST IS THE  
SUREST WAY TO PREVENT  
ANYONE FROM DROWNING**
