but rather to be of value. -Albert Einstein

Sumner Insurance helped me transition from having insurance  
through my job, to having to purchase it on my own. It was nerve  
racking to think how much this could cost me, but they helped me  
find the best plan with the lowest price possible. The staff is  
exceptionally friendly and knowledgeable. -ZM

So thankful for Sumner Insurance!  
Their guidance since we retired has been  
priceless. They will always have the  
customers best interest a priority. Highly

Charity/Non Profit Organization

Citizens Against Spouse Abuse Inc.

Each year we help an average of 1075 families by providing advocacy & healing services for survivors of domestic & sexual violence.

2023 In Her Shoes event raised \$108,000. This helps us provide 24/7 hotline services, safe shelter, case management, crisis intervention, and many more services.

CASA's services were created over the last 40 years because survivors expressed the need & CASA listened.

All of these services were possible because CASA asked this community for your support, and you listened.
