A LETTER TO OUR LITTLE LEAGUE PRESIDENT:

Don,
We are so thankful to have you as our fearless leader this season! You went above and beyond to make sure this season happened successfully and the kids got to play! We heard so many times this season "it's all for the kids" from you! You proved time and time again how important the kids in this community are and we are so proud to call you our president! This season truly wouldn't have happened without you and the time you put into making it happen! We have heard nothing but positive feedback about this season and we cannot wait to serve again with you next year!

Thank you for all you did for our community!
Kenneth, Jeremy, Carleen, Jamie, Brooke, and Jordan
