Class of 2024

In 2005 we began a new chapter in life: first time grandparents welcoming Rawland Alexander and less than a year later, Jonathan Douglas. Different in style and interests but the same in nature: laid back good old boys. First cousins by birth, best of friends by choice always there to support each other no matter the venture. Now one has enlisted in the Army, the other will attend TCAT to become a welder. You've made me proud and brought great joy to my life. Your Nannie loves you both endlessly. As you go out into the world on your own, remember you always have family ready to welcome you home with open arms no matter how near or far you have traveled.
